WHAT THE EDITOR SAW

The other day we noticed him as we came across the bridge, with his wagon full of cotton, and chickens, and eggs. He found ready market for his produce, and we thought how happy his little ones would be when he returned home in the evening with boys, and dresses, and shoes, and food for the morrow, and some clear money, in his purse. We thought we could see his wife standing in the doorway to give him a cordial greeting on his return, so desirous were we that he should make home ones happy and contented. We could almost see his cheerful face as he returned to his family after a day's absence. So we thought, and returned to work.

But even time came, and he passed by our window again. He had nothing we thought he would have. The bed of the wagon was bare. No little shoes, nor boys, nor dresses, nor food for the morrow, nor money in his purse, we dare say. The man was drunk.

He had changed, and this changed our thoughts of his home. We could see the children shrinking from his approach, and the wife, so careful and sorrowful. She could not meet him with the pleasant smile with which she had intended greeting him. He was breaking her heart and preparing to make paupers of his children.

ILL-TIMED.

"Her marriage was very unfortunate, wasn't it?"

"Oh, no she considers it quite fortunate."

"Why, I understand she was divorced?"

"Exactly, and her divorce was the opening of her stage career, which is now very promising."

A feast for the eyes, perhaps, but not otherwise—the Sandwich Islands.

A Heavy Load to Carry.

Along with atrophy comes nervous general weakness. Why? Because a diseased stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is thickened with poisons which cause the various ailments of nervousness, depression and general breakdown. It is not food, but over-physical exertion that does it, but poor stomach work. With poor, thin blood, the body is not protected against the attacks of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery, a rare combination of native medicinal plants without a particle of alcohol or dangerous habit-forming drugs.

A little book of extracts from prominent medical authorities, explaining every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address Dr. E. V. Pierce, Buffalo, N. Y.

Many years of active practice convinced Dr. Pierce of the value of many roots as medicinal agents and he went to great expense, both in time and in money, to perfect his own peculiar process for rendering them both efficient and safe for tonic, alterative and rebuilding agents.

The enormous popularity of "Golden Medical Discovery" is due both to its scientific composition and to the actual medicinal value of its ingredients. The publication of the names of the ingredients on the wrapper of every bottle sold, gives full assurance of its non-toxic character and removes all objection to the use of an unknown or secret remedy. It is not a patent medicine, but a cure in one, either. This fact put it on a par with the best, bearing a 100 per cent. every bottle wrapper. The Badge of Honesty, in the full list of its ingredients.

The "Golden Medical Discovery" cures weak stomachs, indigestion, dyspepsia, torpid liver and biliousness, ulceration of stomach and bowels and all external affections of the mucous membrane of the throat, and is especially adapted to all cases where the stomach and bowels are affected with it. Dr. Pierce's Pleasant Pills are the original little liver pills that put up in six packages. They regulate and invigorate stomach, liver and bowels. Much inflated but never equaled. Sugar-coated and easy to take as candy. One to three a dose.

It Costs Nothing

To find out for a certainty whether or not your heart is affected, One person in four has a weak heart, it may be you. If so, you should know it now, and save serious consequences. If you have short breath, fluttering, palpitation, hungry spells, hot flashes; if you cannot lie on your left side; if you have fainting or smothering spells, pain around heart, inside and arms, your heart is weak, and perhaps diseased. Dr. Miles' Heart Cure will relieve you. Try a bottle, and see how quickly your condition will improve.

"About a year ago I wrote to the Miles Medical Co. asking advice, and was suffering with heart trouble, and had been for two years. I had pain in my heart, back and left side, and had not been able to draw a deep breath for two years. My heart was so weak, and I could not lie on my left side without suffering. They advised me to try Dr. Miles' Heart Cure and Nervine, which I did with the result that I am in better health than I ever was before, having gained 44 pounds since I began taking it. I took about thirteen bottles of the two medicines, and haven't been troubled with my heart since."—MRS. LILLIE THOMAS, 1015 N. 12th St., Philadelphia, Pa.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

GUARD YOUR HEALTH

AVOID ALUM

Vigorous Health is the most Dependable Wealth to possess.

It reaps a steady harvest.

Alum in food will change Health's ruddy glow into pinched paleness by drying up the rich red blood, which nature provides.

You take alum into your food by the use of, so called, cheap Powders in which alum is used as a cheapening substitute for pure Cream of Tartar. There is only one sure way to guard your health against alum and its injurious effects—Buy only an absolutely pure Grape Cream of Tartar Baking Powder—buy by the name—

Say plainly— ROYAL BAKING POWDER

Royal is made from absolutely pure Grape Cream of Tartar. Royal is a safe-guard to health.

THE LADIES.

[The lines quoted below were read by Major A. B. Stronach, of Raleigh, at the conclusion of his brief address during the recent convention of the Daughters of the Confederacy, in Durham. Major Stronach does not know the author of these lines.]

The ladies—God bless them!
The time honored toast
The one to be drunk
And applauded the most,
It embodies so much that is winning and sweet
That we cannot afford to repeat and repeat;
God bless them!

The ladies—God bless them!
Don't drink it in jest,
For 'tis a toast to fight
The ones you love best;
The mother that bore you, now withered and old,
But dearest by far than all the earth's soil!
The sister that followed your footsteps in life,
And, what is still sweeter, your brave hearted wife—
God bless them!

The ladies—God bless them!
In the hour of pain,
When the help of physician
Is idle and vain,
What hand is so gentle, what voice is so low,
As it whispers in love when she touches your brow?
And O, with what fervor she earnestly prays
That God in His mercy may lengthen your days—
God bless her!

The ladies—God bless them!
God bless every one!
May the eye of the father,
The love of the son,
Watch over and keep them holy and pure
With hope to sustain and faith to endure,
Mothers, sisters, daughters, sweethearts or wives,
They purify, sweeten, make joyous our lives,
Undisputed their empire, embellishing their sphere,
They've the love and the homage of every man here—
God bless them!

HIS USE FOR IT

The Minnesota Dairy and Commission's Report.

"Yes," said Tommy, "pa gave me a watch to carry when I started at school this fall!"

"My!" exclaimed Aunt Jane, "that's nice isn't it?"

"Yes'm, 'cause as soon as I get in school in the mornin' I kin look at it an' see how many minutes I'm late."

The best treatment for indigestion and troubles of the stomach is to rest the stomach. It can be rested by starvation or by the use of a good digestant which will digest the food eaten, thus taking the work off the stomach. At the proper temperature, a single teaspoonful of Kola will wholly digest 3,000 grains of food. It restores the normal arrangement, puts the stomach in shape to satisfactorily perform its functions. Good for indigestion, weak stomach, flatulency, palpitation of the heart and dyspepsia. Kola is made by strict conformity with the National Food Law.

Genius is 90 per cent. insanity—and the remainder depends altogether upon the brand of genius.

"For years I starved, then I bought a bottle of Kola Dyspepsia Cure, and what that bottle has done for me! The acid in my stomach is gone. I kept on taking it and in two months I went back to my work as a machinist. In three months I was well and hearty as I ever was. I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper!"—C. N. Campbell, Boston, Ga., Aug. 27, 1906.

The Kind You Have Always Bought

FACING TROUBLE.

Learn to Look These Troubles Squarely in the Eye. Smile Heavily, Be Calm and Say to Them "You Never Touched Me."

"A large part of the troubles of life are unnecessary, they are created by ourselves, or donated to us by others. If we are making our own sorrows, let us shut down the factory, if others are making them for us, let us reduce the friction of pain to a minimum. If others are cruel, inconsiderate or unjust to us, let us so far as possible accept it all for what it is worth, and feel that no one can really hurt us but ourselves; but let us ever be made keen by this lesson, that we never make others suffer in the way in which we have been given pain.

There are times when the hope that was dearest to us turns to ashes as our outstretched hand almost touches it, when the labor of years is swept away in a moment, when the friend upon whom we would have counted as our own right arm, proves disloyal; when our most honest efforts, our supreme struggles, meet defeat and, buffeted and worn by the waves of failure, we are ready to give up in despair. Here is our opportunity for coolness, courage, calmness. We can then rise in the dignity of self-poise and the fullness of our strength and meet it all bravely. One sunset does not make life, every sunset means a new sunrise; let the sunset of failure be to us but the dawn of new purposes. Feel that there is a divine spirit within you that trial and failure can never reach, can never subdue. Treat them as if they were mere mosquitoes of late vintages trying to bite the Sphinx. Learn to look these troubles squarely in the eye, smile bravely, be calm, and say to them, "You never touched me!"

When trial, failure and disappointment come, get what salvage you can from the wreck and begin again. It has been your fault, fight harder next time; if it has been your fault charge it to experience, and begin again. In every failure is wrapped up the secret of a possible success."—William G. Jordan in the November DeMaetor.

Here is our condensed version of the Original Laxative Cough Syrup. "Nearly all other cough syrups are constipating especially those containing opiates. Kennedy's Laxative (containing) Honey and Tar moves the bowels. Contains no opiates. Conforms to the National Pure Food and Drug Law."
