ONE LIKE HER

A large touring automobile containing a man and his wife in a narrow road met a hay wagon fully loaded. The woman declared that the farmer must back, but her husband contended that she was unreasonable.

"But you can't back the automobile so far," she said, "and I don't intend to move for anybody. He should have seen us."

The husband pointed out that this was impossible owing to an abrupt turn in the road.

"I don't care," she insisted, "I won't move if I have to stay here all night."

The man in the automobile was starting to argue the matter when the farmer, who had been sitting quietly in the hay, interrupted.

"Never mind, sir," he exclaimed, "I'll try to back out. I've got one just like her at home."—Philadelphia Press.
