Surplus is one of the greatest remedies nature ever gave to man. Every physician knows it cures skin and blood troubles. HANCOCK'S LIQUID SULPHUR enables you to get the full benefit in most convenient form. Don't take Sulphur "tablets" or "wafers" or powdered sulphur in molasses. HANCOCK'S LIQUID SULPHUR is pleasant to take and perfect in its action. Druggists sell it. A well known citizen of Danville, Pa., writes: "I have had an aggravated case of Eczema for twenty-five years. I have used seven 50c. bottles of the LIQUID, and one jar of your HANCOCK'S LIQUID SULPHUR OINTMENT, and now I feel as though I had a brand new pair of hands. It has cured me and I am certain it will cure anyone if they persist in using HANCOCK'S LIQUID SULPHUR according to directions." BETLER EDGAR.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of SCHNAPPS Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chewer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country flue-cured tobacco, and that SCHNAPPS is what he ought to chew. Still there are chewers who accept other and cheaper tobaccos that do not give the same pleasure. Some day they'll get a taste of the real Schnapps—they'll realize what enjoyment they've missed by not getting SCHNAPPS long ago—then they'll feel like kicking themselves. SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine.
