**BE LOYAL DEMOCRATS.**

It is now less than two weeks to election day and every one will be glad when it is over. The withdrawal of Messrs. A. Brinkley, S. P. Johnston and H. S. Harrison from the county independent ticket should encourage other Democrats upon the ticket to do likewise. It is clear to all that the independent ticket can, at best, poll only a light vote and we believe that it would be best for all to come down from the independent ticket and stand by the action of the regular Democratic organization and support the ticket nominated on Angler 17th. There can be only one regular Democratic organization in Halifax county, all other organizations must necessarily be independent and they cannot lay claim to being regular and while they may have faith in their organization and be in truth and in fact "True Democrats," our advice to them is to prove their true Democracy by their loyalty to the party organization.

THAT quiet in Oklahoma is probably Haskell waiting for the people to respond to his plea for contributions.

SINCE adopting the camel as their party emblem the Prohibitionists seem to have gotten a hump on themselves.

SPEAKER CANNON is studying French. Perhaps he feels that some of the things he say would sound better in that language.

A husband recently surprised his wife by bringing home a bottle of Liquid Hickory Smoke. Well, she will use this because it is best and cheapest and does away with the smoke house and no trouble to apply it. They are both satisfied; you try it, price 75¢. Sold by W. M. Cohen, Weldon, N. C.

**LOYAL TO THE PARTY.**

Four of the Candidates Named on the Independent Ticket Refuse the Nomination.

To the Editor:—Four of the candidates selected by the Independents have refused to accept the nomination, and state that they think the independent movement is unwise and not for the best interest of the people.

Mr. A. Brinkley, whom they selected as the head of their ticket, and one of the best and truest men in Halifax county, says in his card that he considers their action as "unwise and fraught with danger."

It seems to me that the opinion and advice of these four men, of mature years and ripe experience, whom the Independents themselves have endorsed, ought to be carefully weighed by the people of the county.

Mr. Mann, the chairman of the Independents in his reply to my letter of last week, does not deny a single statement I made. From this no impartial man can resist the conclusion that he is in co-operation with the Republican chairman. He does not deny that he was in communication with the Republican convention; that they resolved not to put out a county ticket at this request; that he issued his call for the independent meeting immediately after the Republican chairman had made a visit to Enfield; that he was appointed Republican poll holder by the Republican chairman, nor that the Independents expected the full Republican vote to be cast for their county ticket, and the Republicans in return were expecting the Independents to vote the Republican State ticket. With these facts before them the thinking people of the county will want to know why the Independents, if such good Democrats are expecting the full vote of the Republicans, without they ought to be, why they are now, after the Republican vote has been cast, trying to save the Democratic party from "defeat and ruin," and get the poor, little silly Republicans do not know their own interior any better than to go over and help them to do it. The writer attempting to explain why the Republicans are going to vote the Independent ticket, says: "Since the Republican party can't hope to elect its ticket in the county it will support the next best thing till it can do better. This is the first time I ever knew a Democrat to hear that his ticket was nearly as good as a Republican one. I rather think, however, that the Republicans take the view that the Independent ticket will serve their purpose, which is to hurt the Democratic party, better than a Republican ticket would, because more people can be fooled into voting it."

**INDEPENDENT TICKET.**

A Statement that the Republican Chairman was in Correspondence with Mr. Mann Before the Independents Put Their Ticket in the Field.

To the Editor:—I want to let the people know something about this Independent ticket in Halifax county. About two weeks before the regular Democratic convention met in Halifax, in August, a Republican told me that his party would not have any county ticket this year, but there would be an independent ticket put in the field. He told me the Republican chairman had already had correspondence with Mr. Mann, at Enfield, and Mr. Mann would get up an independent ticket after the Democratic convention, and the Republicans would all vote it. Now, this is all some talk, and it shows that it was all a Republican scheme.

All the Republicans I see say they are going to vote it, and that the Independents are going to vote the Republican State ticket. It seems to me it is a fusion ticket. We people up here have not forgotten what the fusion ticket in 1896 did for us, and we have been afraid of fusion tickets ever since. We are afraid of this one and we are not going to vote it. They are talking about ruling rule and boss rule a heap, but we remember that they used the same cry in 1896 to fool so many people into the fusion party, and we don't want to be fooled over by the same trick. They want to down Mr. Travis' mighty pull, just like the Republicans do, and say that the nigger is out of it now, and the white folks are free and can do as they please. But it seems to me they want the white folks to be mighty ungrateful with their freedom, when they are trying to make them turn in and down the man that did the most to free them.

We people up here think that if Travis was good enough to lead us through the hard battles of 1861 and 1862, he is good enough to lead us now. We had rather trust him than this new man that has so much to do with the Republican chairman, and that same Republican chairman, too, that was chairman of the fusion party in 1896, and helped put negro rule on us and went in office with them.

**HALIFAX LETTER.**

Interesting Social and Personal Notes from the County Seat.

Oct. 20, 1908. HALIFAX, N. C., Oct. 20.

Mrs. J. H. Bains spent Sunday in Rocky Mount with friends.

Mrs. E. J. Brown will go up to Linton this week to spend several weeks.

Messrs. J. H. and D. C. Penner and Miss Elizabeth spent Sunday in Tillery.

Master Allison Travis, of Weldon, is visiting Masters Edwin and Louis Travis this week.

Miss Stella Dickens is spending this week with her sister, Mrs. Walter Stephenson.

Mrs. W. A. Sater spent several days with her daughter, Mrs. Clay, in Rocky Mount, this week.

Mrs. B. A. Mabers and Miss Margaret left Monday for Norfolk, where they will make their home. They have lived in Rocky Mount for some time.

Your correspondent spent last Friday in Elm City, being called there by the death of an aunt, who had lived a consistent Christian life for nearly fifty years. Though our visit was saddened by the loss we sustained, it was a pleasure to look again upon the scenes of our childhood. There are many changes, of course, there as elsewhere. Our grandmother's old homestead is no more, replaced long since by a house more modern, but the old long well sweep was there, and oh! how that water tasted; just as it did when grandma used to draw and we drank from the long-handled gourd, went chasing the butterflies and resuming the threatening attitude of those old geese, while we tried to capture a gosling. Happy youth, perhaps it we could live it over again, taking into it some of the extremely high-priced experiences which we have had, it would be a safeguard against some of the follies and vices of which we have been guilty; but we cannot retract our steps, we live our lives only, once; we can only redeem the flippant carelessness of the past, by our adherence to sound Christian principles in the future. College and University students receive their rewards in medals and diplomas. We who run the Christian race receive ours, only when we enter the pearly gates. The satisfaction of knowing the Judge will be impartial should encourage us, as we have an equal chance with the other man.
