Making More Money Out of Cotton Crops

is merely a question of using enough of the right kind of fertilizers.

Virginia-Carolina Fertilizers

are the right kind.

The cotton plant cannot feed on barren land. Study your soil. Find out what it lacks. Then apply the necessary fertilization and the results will surprise you.

See what Mr. W. C. Hays of South Station, Ala., did. He says: "I planted about ... acres of worn 'gray sandy land' that had been in cultivation for over ... years, and used 500 pounds of Virginia-Carolina Fertilizers per acre, and *I expect to gather 50 bales from the 50 acres.*" That is why we say it is the right kind. We have hundreds of letters like this, and can give the name of every Virginia-Carolina Fertilizer for cotton.

Get a copy of the new 1906 Virginia-Carolina Farmers' Year Book from your fertilizer dealer, or write our nearest sales office and a copy will be sent you free. It contains pictures of the capitals of all the Southern States.

WISDOM'S WHISPERS.

The weakness of an individual is shown by the colors used in dress.

If you dislike a person shun it only when a point is to be gained thereby.

Too much self-will warps imagination and stunts intellectual growth.

Showing respect to ... you does not require ... or ...

Prejudice can be carried to a point where it will act in an opposite direction.

A hasty formed opinion on a delicate subject should be held for revision.

It is what you remember rather than what you read from which benefit is derived.

Some people know how to decline taking to for an answer to a request for a favor.

An appreciation of that which you have enhances the value of whatever else may come to you.

There is satisfaction in knowing you have done something worthy of approval.—Philadelphia Press.

THE ROAD TO YESTERDAY.

Will some wise man who has journeyed
Over land and over sea
To the countries where the rainbow
And the glorious sunsets be,
Kindly tell a little stranger
Who has oddly lost her way,
Where's the road that she must travel
To return to yesterday?

For, you see, she's unfamiliar
With today, and cannot read
What its strange, mysterious signposts
Tell of ways and where they lead;
And her heart runs hides her sorely,
Though she did not mean to stray
When she fell asleep last evening
And abandoned yesterday.

For she left a deal neglected
That she really should have done
And she fears she lost some favors
That she fairly might have won.
So she'd like to turn her backward
To relieve them, if she may;
Will not some one kindly tell her
Where's the road to yesterday?

—Ina Nahlen.

JOSH BILLINGS SAYS

Be early, work hard, and live on what you kan't sell, pay nothing away, and if you don't die rich, and go to the devil, you may sue me for damages.

The man who kan wear a paper collar a hole week and keep it klean, ain't fit for enny thing else.

Success in life is verry apt to make us forget the time when we wasn't much. It is just so with the frog on the jump: he kan't remember when he was a tadpole—but other folks kan.

Don't women get nervous prostration from social obligations and too much house work? This won't occur if they use Dr. Hoag & Tarbin's Vino Repens the Favorite Tonic for women, price $1. Sold by W. M. Cohen, Weldon N. C.

When a girl jilts a young man, and he refuses to let it spoil his career, it is an awful jolt to her pride.

This is the most dangerous time of the year to catch cold, and it is the hardest time to cure it. If you should take a cold, a few doses of Kennedy's Laxative Cough Syrup will set very very promptly. Its laxative principle cures the cold by driving it from the system by a gentle but natural action of the bowels. Children specially like Kennedy's Laxative Cough Syrup, as it tastes so good, nearly like maple syrup. Sold by W. M. Cohen, Weldon, N. C.
