Mr. W. W. Long, of Washington, D. C., is here to spend Thanksgiving with Mr. and Mrs. J. T. Gooch.

Misses Lizzie Hill and Mary Clark went to Richmond yesterday for the Thanksgiving football game in Richmond today.

Mr. W. N. Shearin, of Port Norfolk, was here on business Friday, and was the guest of Mr. and Mrs. C. E. Carter while in town.

As a general thing when a girl wears such an extreme hat that a man has to dislocate his neck to look under it her face is not worth the effort.

Misses Sallie Squire, Mary Powell, and Bettie Lee, of Emporia, who have been on a visit to Mr. and Mrs. Clayton Bounds, returned home Friday.

F. J. Bounds is rebuilding his store house in South Weldon, recently burned. The building will be occupied as heretofore, when completed, by Wyche, Bounds & Co.

Mrs. P. N. Stainback and daughter, Mrs. H. G. Rowe, spent the past week in Richmond and had the pleasure of witnessing the grand presentation of Ben-Hur at the Academy of Music.

Among Enfield friends in Richmond last week to see Ben-Hur, at the Academy, were Dr. and Mrs. A. S. Harrison, Miss Mabel Curtis, Mrs. C. E. McGaigan and Miss Sadiebell McGaigan.

The coming of John W. Vogel's Big City Minstrels to Emory's Hall, on Friday night, Nov. 25th, serves as a reminder that theatre parties have become one of the most popular social fads, and a very enjoyable one they are, too.

John W. Vogel's Big City Minstrels which comes to Emory's Hall Friday night, Nov. 25th, will doubtless prove a strong drawing card. The company is a large one and well balanced, contains a host of clever up-to-date comedians and vocalists and an olio of specially selected vaudeville acts. An unusually big business is looked forward to by the management.

ALARM OF FIRE—The fire alarm Tuesday afternoon was on account of some dust from peanut hulls being set afire on the roof of the peanut factory. No damage.

FLOURISHING SCHOOL—Superintendent J. D. Everett, of the Weldon Public Schools, says the enrollment at the Graded School for white pupils is 267, and that the average attendance is 227. Keep your eye on Weldon.

ANNUAL CONFERENCE—The North Carolina Conference of the M. E. Church, South, will convene at Elizabeth City next Wednesday. Rev. S. E. Mercer, pastor of the Weldon Church, will go up to Conference with all obligations of the Weldon Methodists fully paid.

MITE BOX OPENING—The quarterly opening of the Mite Box Brigade and Baby Roll will be held at the residence of Mrs. I. T. Wilkins on Friday evening, Nov. 25th, at 7:30 o'clock. TAKEN TO HOSPITAL—Rev. H. H. Phelps, rector of Grace Church, was taken to a New York hospital for treatment last week, and was accompanied by Mrs. Phelps, who writes home that Mr. Phelps stood the trip well. He has been quite ill for some time and his many Weldon friends are earnestly praying for his speedy restoration to health.

INTERESTING WORK—Weldon people watch, with interest, the building of the steel viaduct across the streets by the construction company now at work for the Atlantic Coast Line's new track through Weldon. The ponderous machine works on the heavy steel spans of bridge and lifts them into place with its strong iron arms with as much ease (seemingly) as a child picks up the pieces and builds its house of blocks. Last week the steel bridges over Third and Sixth Streets were completed and work is now going on over and between Second and First streets.

HANDSOME CALENDAR—Col. W. H. S. Burgwyn, president of the First National Bank of Weldon, has our thanks for a handsome and unique 1911 and 1912 calendar, which is in the nature of a Confederate Memorial. The calendar is printed in colors, showing the boundaries of the Confederate States, Confederate stamps and money, battle flags, pictures of Lee, Jackson, President Davis, Stuart, Hood, and other Confederate Generals. The Confederate capitol, monuments, etc. On the back of the chart will be found all the Confederate war songs, and events and battles of the Civil War. He is said to be a complete master of the art in all its branches and secrets, and is the greatest magician since Hermetic and Keller. See advertisement and secure your seats in advance.

LONG-BURGYN—The following invitation has been received by friends here:

Mr. and Mrs. Henry K. Burgwyn invite you to be present at the marriage of their sister Miss Minnie Greenough Burgwyn

Dr. Thomas William Mason Long on Wednesday evening, December the seventh, nineteen hundred and ten at eight o'clock

The Church of the Saviour Jackson, N. C.

Dr. Long is a son of the late L. M. Long, of this town, and his bride-elect is a young woman of charming personality and has frequently visited here, she being a niece of Col. W. H. S. Burgwyn. In advance we extend congratulations and best wishes.

NEWS WRITER WINS PRIZE—Weldon people usually win when they enter a contest, and perhaps it may interest some of our readers to learn that at a meeting of the Times-Dispatch Correspondents' Association, last week, D. E. Stainback, of this paper, won the second prize—\$10 in gold—in a prize contest. Sometime ago John Stewart Bryan, President of the Times-Dispatch Company, offered three prizes in gold for the three best essays on the subject: "What is news, or what news do the people want?"

A large number of papers were submitted, coming from various sections of Virginia and North Carolina—there being over one hundred and fifty members of the Association. The papers were all numbered, President Bryan not knowing the names of the writers, but judging the papers by number only and on their merits. In selecting Mr. Stainback's paper for the \$10 gold prize President Bryan endorsed the paper as follows:

"Clever, intelligent, well written, full of right ideas. Goes a little far back to the flood and the nativity for its illustrations, but shows excellent humor, and is quite suggestive." At the appointed hour for the election of officers for the ensuing year, D. E. Stainback was unanimously elected president of the Association to succeed Dr. Lucien Lofton, of Emporia, and Miss Gertrude Sebrill, of Boykins, was elected secretary and treasurer.

MEETINGS AT BAPTIST CHURCH—The series of meetings at the Baptist Church in progress last week and a portion of this week, have attracted large congregations and much interest has been manifested. Rev. W. N. Johnson, of Wake Forest, who has been doing the preaching, has been delivering some strong and helpful sermons. The church was taxed to its fullest capacity Sunday night. There being no services at the other churches, a large number of people of the other denominations worshipped with the Baptists.

Mr. Johnson's sermon was one of great power. His text was Isaiah 9th Chapter 6 verse: "And His name shall be called wonderful."

He showed the great power of Christ, His wonderful love for mankind and closed by making a strong appeal to the unconverted to accept the Saviour. Several persons went forward and asked for the prayers of the church.

Monday morning Mr. Johnson held a fifteen minutes prayer service for men only at B. A. Pope's shoe store. Monday night Mr. Johnson preached another strong and forcible sermon to a large congregation. The influence of the meeting will be felt in this community for a long time. The pastor in charge of the church, Rev. J. G. Blalock, is doing a great work here. He is popular not only with his own people but with Christian people of other churches.

Rev. E. Mercer, with a true spirit of Christian charity, held no service Sunday night, in order to attend the Baptist meeting and to give his people an opportunity to attend also.

BEAUTIFUL MEMORIALS—Several handsome memorial windows have been put in the new Methodist Episcopal Church, and there are five others to follow. These beautiful memorial windows are greatly admired by all. The front triple window is from the celebrated painting of the Resurrection by Ploekhorst, which gives the first meeting of Mary with the risen Lord. The third panel contains the angel at the open tomb.

The first panel is in memory of Rev. Robert O. Burton, D. D., under whose pastorate the old church was built, and was given by his sons John O. and A. J. Burton and other relatives and friends.

The second panel was given by Mrs. T. F. Anderson, in memory of her husband who for twenty years was superintendent of the Sunday School.

The third panel was given by the children and grandchildren of Mr. W. T. Whitfield and his first wife, who was one of the seven members when the church was organized in 1846.

The window on the south front has a medallion of the Saviour in Gethsemane in the center panel and was given in memory of J. L. Parr, who for years was a steward in the church, by his wife and children.

The left panel is of beautiful art glass with lilies in center. This was given in memory of Mrs. Anna Shaw and children by Misses Margaret and Pattie Shaw.

The right panel of similar design was given in memory of James L. Bass by his daughter, Mr. M. S. Mountcastle.

Mention of the other memorials will be made as soon as they are put in. The church is now nearing completion and it is expected that the pastor will be able to hold service therein on or about December 18th.

DR. NORTH TO PREACH—Rev. W. B. North will preach at the Graded School Auditorium this Thanksgiving evening, November 24th, at 7:30 o'clock. All members of the M. E. Church most earnestly requested to be present, and a most cordial invitation is extended to friends of other denominations to come out and hear, Dr. North.

Lydia E. Pinkham's Vegetable Compound

Chicago, Ill.—"I was troubled with... Lydia E. Pinkham's Vegetable Compound... today a well woman."

JOHN W. VOGEL'S BIG CITY SHOW—Announced among the important offerings for the coming season is John W. Vogel's Big City Minstrels which comes to Emory's Hall on November 25th, inaugurating the Company's 14th season. Manager Vogel has gotten together for this season a strong minstrel organization, headed by the vocalist with Master Kay Wylie, whom he styles the "Male Tetrastri." Mr. Vogel feels that he has discovered the greatest living male soprano in the world. Musical and vocal experts who have heard this young man agree that he is the possessor of a beautiful voice. The old favorite, Charlie Gano, and ably supported by that talented comedian, Billy Burk, will fill the principle ends supplied with a budget of new jokes and songs. The vocalists will include many favorites, and as in the past will be under the direction of Harry Leighton. The Company's popularity warrants the prediction of a capacity house.

PRESENTED WITH A PURSE—Master Harry Dennis, of the M. E. church Sunday school, was on Sunday morning last presented with a purse of \$5.00 in recognition of his faithful service and prompt attendance. He is always to be found at the door distributing hymn books, and ever attentive to strangers. Harry has been very faithful, neither desiring nor expecting any reward, consequently he was very much pleased and surprised when he was presented with the purse in recognition of his faithful services during the past year.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grams of impure matter daily, which unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

William Murrill, Washington and Tarboro streets, Rocky Mount, N. C., says: "Doan's Kidney Pills proved in my case to be a valuable remedy and I have no hesitation in recommending them to any one afflicted with kidney complaint. I used them for backache and other annoyances arising from disordered kidneys and they brought me prompt relief."

For sale by all druggists. Price 50 cents. Doan's Kidney Pills, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Do you realize that an acre in Scuppernon Grapes will, if properly cared for, give you a net income of two hundred to four hundred dollars per annum? Ten acres in grapes will give you an income exceeding the average income in any of the skilled professions, Doctors, Lawyers, Preachers or Engineers. Ask GARRETT & CO., NORFOLK, VA.

The Regal Test To be given soon.

It costs the Regal factory over \$300 per day extra to put the best Oak-Bark-tanned sole leather into every pair of Regals instead of the "Yankee Oak," "Union," and plain ordinary hemlock used in most other shoes sold at this same price.

But the best Oak-tanned soles look exactly like any of the substitutes after the black finish has been applied. That is why the famous Regal Buzz-Saw was started going in our window opening up Regal Shoes to show how they are made, and that is why the "Window of the Sole" was devised—a little removable label attached to the bottom of every Regal shoe, which can be turned up before you pay your money, and which exposes the actual color of this clean, close-fibered Oak-Bark-tanned leather.
