ENFIELD, N. C.
PUTTING AWAY SMALL SUMS
Here, you can put away small sums not needed for present use. And while waiting your call they will draw interest. An account in our Savings Department does not always imply small transactions, far from it. Many large depositors are using our Savings pass-books. They are using them for the interest they get; they are also using them because of the convenience afforded. 4 per cent interest allowed, compounded quarterly.

Why Spend All You Earn?
You might get sick or hurt--be prepared for it. You might want to make an investment--start now. "Takes money to make money," you know. You might be visited by thieves or fire--an account with us prevents loss. The saving habit is a mighty good one to get into. We pay 4 per cent on Savings Accounts.
