FOURTH QUARTERLY CONFERENCE—The 4th Quarterly Conference for Weldon station, M. E. Church, South, was held in the Sunday School room of said church last Wednesday night. A larger per cent. of the official members than usual attended the Conference, and all the reports indicated that encouraging progress had been made during the year. The salary of the presiding elder has been paid quarterly, and that of the pastor has been paid monthly, and all other finances of the charge were found to be in better condition than ever before. The report of the pastor on "the general state of the church" clearly indicated that the church was in good condition and making encouraging progress. Among other things the report stated that exactly eighty persons had united with this church since the present pastor came to the charge a year ago last December, and that the present membership of the church is 293.

FATHER OF R. W. COBB SEES GOVERNOR—Interceding for the life of his son, R. W. Cobb, condemned to die in the electric chair in the State's prison on December 12, J. L. Cobb, of Norfolk, had a conference with Governor Locke Craig Thursday. This was not the first time the heart-broken father has been to the executive office in behalf of his "boy" who faces death in expiation of the murder of Thomas Shaw, the farmer-merchant of Halifax county who was shot to death and robbed at the threshold of his country home in the darkness on the night of May 3rd.

R. W. Cobb, in a notable trial in Halifax Superior court, was convicted of murder in the first degree, and sentenced to be electrocuted. An appeal was taken to the Supreme court, but the judgment of the lower court was confirmed. There is little prospect of executive clemency, but the father has not given up the fight nor abandoned hope. To him it is certain that his "boy" committed no cold blooded murder. If he actually did commit murder, he did not so intend—he did it not with premeditation or malice aforethought. Such is bound by nature to be the father's view.

GOOD CITIZEN PASSES AWAY—The death of J. W. Vaughan Saturday morning came as a great shock to his devoted wife and many loyal friends. He had been ill only a few days and no one realized that the end was so near.

Mr. Vaughan was a native of Northampton county, and was in the 59th year of his age. He went west when quite a young man and was married to Miss Morgan, of Chicago. Mr. and Mrs. Vaughan moved to Weldon some years ago and since that time they have been among our best and most popular citizens.

Mr. Vaughan was a loyal friend, a good husband and he attended strictly to his own business and was in many ways a most useful and honored citizen. He was a Mason of high degree, a Knight Templar and Shriner and his remains were laid at rest with Templar honors, quite a large number of Knight Templars, in full uniform, taking part in the burial service.

The funeral was held at Grace Episcopal church, Monday afternoon at half past three o'clock, conducted by the rector of the parish, Rev. Albert New, the choir rendering several beautiful and appropriate hymns. The dust by Mrs. R. S. Travis and Miss Mary New was particularly touching and beautifully rendered.

Knight Templars were here from Enfield, Halifax, Scotland Neck, Thelma and other points who joined in with the Weldon Templars in making a splendid turnout of brethren who esteemed him in life and paid tribute to him in death, with honors at the grave in Cedarwood cemetery, where the Masons and Knight Templars had charge of the burial service which was impressive.

To the bereaved widow the sympathy of the entire community goes out in full measure. Her brother, John Morgan, of Chicago, arrived here in time for the burial and to stand by his sister in her hour of trial.

THE AFFINITIES—The Misses Burkheimer, of Charlotte, N. C., will train the local talent for their great play, "The Affinities," to be presented here December 5th, for the benefit of the organ fund of Grace Episcopal church. Packed houses greet this play wherever it is given and a treat is in store for Weldon people when "the Affinities" come to town Dec. 5th.

HAD ITS BIRTH AT WHITAKER'S CHAPEL—The North Carolina Conference Methodist Protestant Church convened in its eighty-eighth session in the Main Street Methodist Protestant church, High Point, N. C., on Wednesday, November 19. This will be a gathering of about two hundred Methodist people and promises to be a very important conference.

This, the oldest conference in the denomination, had its birth in Whitaker's Chapel, Halifax county, December 28, 1828. There were eight ordained preachers, and twelve lay delegates present. There were at that time only three pastoral charges. While this conference is only eighty-five years old this is its eighty-eighth session. This is to be accounted for from the fact that there were two conferences in each of the years 1829, 1836, 1842. This conference now embraces the entire State of North Carolina and a small portion of each of the States of Virginia and South Carolina. It has a membership of about 23,000.

At this session an effort will be made to unite with the United Brethren Church, founded by Phillip William Otterbein, who began his ministry in the German Reform Church.

STAY ON YOUR FEET
Taking Calomel Means Staying Home for the Day—Take Dodson's Liver Tone and Save a Day's Work.

If an attack of constipation or biliousness hits you, there's no need to take a dose of calomel and spend at least a day getting over the effects of it. W. M. Cohen sells the liver tonic, Dodson's Liver Tone, that takes the place of calomel and starts a lazy liver without any bad after-effects.

Dodson's Liver Tone does all the good that calomel ever did, yet it is absolutely harmless to young people and old. It is a pleasant-tasting vegetable liquid that will relieve constipation or sour stomach or other troubles that go along with a lazy liver, without restriction of habit or diet. You don't leave off any of the things you regularly do when you take Dodson's Liver Tone.

W. M. Cohen sells Dodson's Liver Tone and gives it a strong personal guarantee. They say, "A large bottle of Dodson's Liver Tone sells for 50 cents, and we will hand any person back his 50 cents if he tries a bottle and doesn't say that it does all that calomel ever does and does it pleasantly. Get the genuine Dodson's Liver Tone and if you are not pleased with it we will give your money back with a smile."

Come, if you intend to buy or not. Education lies in knowing things—know why the oven of a range is heated—know how the water is heated—WHY the Majestic uses so little fuel—know how a range is made inside and out. Don't overlook a chance to know things shown by one who knows.

WHICH SHALL IT BE?

DO YOU intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cook stove? You KNOW that old stove eats up a lot of fuel each year. You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch every once in a while—you know it costs considerable for yearly repairs.

Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation—

The GREAT MAJESTIC MALLEABLE & CHARCOAL IRON RANGE

YOU make no mistake in buying the GREAT MAJESTIC—it's the range with THE REPUTATION—ask your neighbors. Then, too, it's made just right and of the right kind of material—MALLEABLE AND CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos board—parts being malleable can't break—has a movable reservoir and an oven that don't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year (browns bread just right all over without turning), heats 15 gallons of water while breakfast is cooking—properly lasts a lifetime, and costs practically nothing for repairs.

Don't you buy the range you expect to last a lifetime "unsight unseen," you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC—have its many exclusive features explained—find out why the MAJESTIC is 300 per cent. stronger than other ranges where most ranges are weakest.
