sometimes forget that poor teeth and improper mastication prevent sufficient nourishment from ordinary food and burden the digestive organs, but if every man or woman past fifty would fully realize the bountiful, sustaining nourishment in **Scott's Emulsion** they would take it after every meal.

Scott's Emulsion contains the renowned body-building fats of pure cod liver oil, so medically predigested that it distributes energy, power and strength all thru the body and simplifies the stomach's work.

To people in declining years we say with unmistakable earnestness—**Scott's Emulsion** will add years to your life and life to your years.

The reader of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars Reward for any case that it fails to cure.
