NEW IDEA Helped Wisconsin Couple.

It doesn't pay to stick too closely to old notions of things. New ideas often load to better health, success and happiness.

A Wis, couple examined an idea new to them and stopped up several rounds on the health indder. The iushand writes:

"Several years ago we suffered from coffice drinking, were sleepless, nervous, sallow, weak and trritable. My wife and 1 both loved coffee and thought it was a bracer." (Defusion.) "Finally, after years of suffering, we read of Postum and the harmfulness of coffee, and believing that to grow we should give some attention to new

idean, we decided to test Postum. When we made it right we liked it and were free of ills caused by coffee. Our friends noticed the change--fresher skin, sturdier nerves, better temper, etc

These changes were not sudden. but increased as we continued to drink and enjoy Postum, and we lost

the desirs for coffice. Many of our friends did not like Postum at first, because they did not make it right. But when they made Postum according to directions on pkg., they liked it better than coffee and were benefited by the change. Name given by Postum Co., Bat
