CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dobson's Liver Tonic" Starts Your Liver Better Than Calomel and Doesn't Silitate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dobson's Liver Tonic on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dobson's Liver Tonic. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dobson's Liver Tonic is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not silitate or make you sick. I guarantee that one spoonful of Dobson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dobson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless, doesn't gripe and they like its pleasant taste.

GIVES HIS VIEWS OF HELL.
Does Not Believe in Everlasting Punishment, but in Complete Destruction of Sinners

"Of course we believe in a hell," said Evangelist W. C. Moffer last night at the tent, corner of Allen Avenue and West Main street. "We believe in a hell so hot that it will completely burn up sin and sinners, root and branch, as positively stated in the fourth chapter of Malachi."
"The doctrine of an everlasting burning hell," continued the evangelist, "is one of the greatest slanders on the character of God that the devil ever invented. It destroys our belief in a loving Heavenly Father, and in His place supplies a cruel tyrant. God will no more consign His creatures to eternal torment than would a parent put his child into a place where it would be burned and tortured without end. Satan himself is responsible for the deception, and thus casts reproach upon God."
"The wicked, however, will not escape punishment. The Bible states that every man will be rewarded according to his deeds. If a man has done evil, he will surely reap his reward. Yes, the wages of sin is death, not eternal life in torment. The wicked will be burned up, destroyed, reduced to ashes and smoke, to everlasting destruction, everlasting in its results and not in the process, to be as though they had not been. This is the teaching of the Scriptures on this question. They will be burned up 'root and branch' with an 'unquenchable fire' that consumes everything with which it comes in contact."—Richmond Times-Dispatch.

MOTHER'S VISION.

Sitting alone in the firelight, with aged head bent low Over some little garments that were worn in the long ago A woman, old and faded, was dreaming of other years; And the faces of absent ones she saw through a mist of tears.

All was silent; no echo of footfalls swift and gray; The dancing feet of her children had wandered far away, Busy and happy and thoughtless, they were scattered far and wide; All grown to be men and women—save the little boy who died.

It was strange that of all the children, he should feel tonight so near, His little grave had been covered by the snows of many a year; Yet she fancied she saw him enter, that she saw him standing there, His blue eyes clear and smiling, the light on his curling hair.

And a voice spoke from the silence, saying "This for you I kept; But my meaning you could not fathom when for your child you wept. The living have left your hearthstone, but with you shall he abide, In the beauty of deathless childhood your little boy who died."

ALL FOR LOVE.

Oh, talk not to me of a name great in story; The days of our youth are the days of our glory.

And the myrtle and ivy of sweet two-and-twenty Are worth all your laurels, though ever so plenty.

What are garlands and crowns to the brow that is wrinkled? 'Tis but as a dead flower with May-dew besprinkled:

Then away with all such from the head that is hoary— What care I for the wreaths that can only give glory?

Oh, Fame! if I'er took delight in thy praises, 'Twas less for the sake of thy high-sounding phrases.

Than to see the bright eyes of the dear one discover She thought that I was not unworthy to love her.

Here chiefly I saw thee, there only I found thee; Her glance was the best of the rays that surround thee;

When it sparkled o'er aught that was bright in my story I knew it was love, and I felt it was glory.

THINK ABOUT THIS.

BY REV. BERTRAM BROWN, OF TARBORO.

You cannot help trying to be like somebody—come and try to be like Christ.

You are obliged to accept the word of somebody for many things you cannot find out for yourself—come and accept the word of Christ as to your soul.

You must adopt some standard of conduct to live by—come and adopt Christ's rule of Life, which is the best ever devised.

You must always be trying to please somebody, even if that somebody is only yourself—come and try to please the Lord Jesus Christ, for in pleasing Him, you will also please yourself and other men.

You must choose some master, whose will to you is law—do not choose money or pleasure or fame or Satan, but choose Christ, the best Master, whose service is easiest and reward noblest.

You cannot get on at all without trusting somebody. You trust the banker with your money, the doctor with your health, the policeman with your safety, your friend with your secrets—come now, and trust Christ with your life and soul. He alone can never fail you!

UP TO YOU.

Get This Thought Through Your Cocoa-nut.

Be content! Do not steal trouble, borrow trouble, or pick it up because you see it at your feet. Inequality is Nature's Law. Equality a theory. When you see a raccoon with a beautiful striped tail, think what the possum thinks when he views his bare and hairless appendage. He thinks that to some are given—but he doesn't pine and worry and run for the legislature, and passing laws confiscating the raccoon's tail. He looks at the persimmons ripening in the trees and he says "I am thankful for what I get—I have health, I have liberty; I have happiness because I do not worry about the more favored animals I see—and maybe they are not even as fortunate as I!"

The man who is envious of another's wealth, or another's power, is miserable, and he forfeits the happiness he might have in the jealousy engendered by hating the other fellow.

Get this thought through your cocoa-nut; God Almighty made no mistakes—and inequality is Nature's Law. The proud bird of Junco struts with his magnificent feathers, dazzling the eye—and the turkey buzzard, with his dirty plumes and his carrion feast, does more for the world's good than the peacock with all his finery. The buzzard does not make himself miserable by regretting that his tail feathers are not illuminated—he takes what God gave him and riots in the luxury of a carrion feast. Envious, pride-blown brother and sister—do you catch our meaning?—Everything.

A woman's idea of a mean husband is one who refuses to talk back.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure.
