WHY YOU ARE NERVOUS

The nervous system is the slarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the slarm in headaches irredness, dreamful aleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervoustwas, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

FIFTY YEARS OLD.

This is our golden jubilee, the ROANOKE NEWS having passed its fifrieth mile post and today we enter upon a new volume, 51. Fifty years is quite an age for a county paper to run under one name and and Mrs. J. B. Tilghman. for more than thirty years it has been under its present management without change.

After passing the half century mark it is needless to make prom ises. Our aim has always been and will ever he to make the ROA-NOKE NEWS a newspaper for the people, a clean, wholesome sheet for every member of the family in funeral of Hon. J. T. Gooch. the homes we visit.
