## PEANUT BAGS.

For the good of the Peanut Industry, it has been determined by the members of this association, that it will be necessary to request the farmers to pack their peanuts in new 68 inch and 70 inch 8 ounce burlap bags, and when peanuts are packed in bags different from the above, a deduction will be made on the following basis:

Cotton bags, a deduction will be made 10c each. Second hand bags a deduction will be made 10c each. New 7-1-2 ounce bags 68 or 70 inches a deduction will be made of 5c each.

In view of the fact that some dealers in the past have delivered 7-1-2 ounce bags on contracts for 8 ounce bags, we would advise you to see that each bale of 500-68 inch 8 ounce bags you receive weigh 472-1-2 pounds, and each bale of 500-70 inch 8 ounce bags weigh 486-1-2 pounds, exclusive of the wrapping and cordage. If they run short of the above weight, you are receiving 7-1-2 ounce bags instead of 8 ounce bags.

### THE REAL HUGHES PLATFORM—UNCLE SAM'S OPINION OF IT

#### WHAT IS BACK OF HUGHES?

Who nominated Hughes? The Republican national convention under the control of the Republican bosses, captained by Penrose, Barnes, Smoot, Crane, Cannon, et al., watchdogs of privilege, repudiated as political crooks by Roosevelt and the Progressives four years ago.

Who managed Hughes' campaign in the convention? Taft's former campaign manager, ex-Postmaster General Hitchcock, whose function in previous conventions has been the delivery of the corrupt Republican delegates from Southern States.

Who is supporting Hughes' candidacy? Wall Street, the predatory trusts, the tariff beneficiaries, the stockers and holders of special privilege, the exploiters of Mexico, the munition manufacturers, the railroads, the bankers, united plutocracy, even its women folk, all enemies of fundamental Democracy, who hope to prostitute government for selfish gain.

What prominent statesmen are supporting Hughes? William Howard Taft, foremost apostle of reaction; Theodore Roosevelt, disciple of Bernhardi and advocate of war for war's sake; Ethel Root, attorney for manufacturers of great wealth, and all the Tory mouthpieces of privilege.

Why are the "interests" supporting Hughes? Because they expect, in return for financial aid, special legislation that will add enormously to the wealth of the few at the expense of the many; because they see in Woodrow Wilson the greatest exponent of Democracy since Jackson, and seek to destroy him lest this nation become a real democracy.

What will Hughes do, if elected? The nearest he has come to saying what he would do, if elected, was at Milwaukee, when he declared that La Follette's Seaman's bill must be repealed, the Underwood tariff replaced by a higher tariff, and the "whole administrative legislative accomplishments wiped off the books for the good of the country."

What is included in those legislative accomplishments? The Income Tax, the Inheritance Tax, the Child Labor Law, the Federal Reserve banking system, the Farm Loan system, the Good Roads program, the Federal development of Alaska, the Tariff Commission, the Federal Trade Commission, the Shipping bill, autonomy for the Philippines, the Clayton Act curbing government by injunction, the preservation of neutrality, the maintenance of peace, and the enlarged army and navy.

What would Hughes' election signify? The triumph of reaction and all that it signifies in thwarting human progress.

Was there ever a worse-bungled campaign than Mr. Hughes' to date? The New York Evening Post asked that question in an editorial on Hughes and Roosevelt, and frankly answered its own question: "We cannot readily recall one."

### Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

### HUGHES LEADS FOREIGN NATIONS TO BELIEVE U. S. WANTS WAR

At this present moment—I want to repeat this because perhaps the country has not realized it enough—at this present moment it is almost impossible to do anything positive in the field of foreign affairs, because foreign nations have been led to suppose that there may be a change in our foreign affairs.

Foreign nations have been led to believe that a dominant element in the Republican Party is in favor of drawing the United States into the European war, and they have been told, with abundant evidence, that it is probable that if the Republicans succeed we shall enter upon a policy of exploitation of our neighbors in Mexico.

That is the whole moral of every criticism that I read, and until the people of the United States have spoken, it is extremely difficult to come to any definite conclusion about anything that touches our relations either to Europe or to Mexico. I myself do not doubt the result, but there are some who affect to doubt it.—From President Wilson's Speech at Shadow Lawn, N. J., Oct. 14.

### T. R. RECEIVES FROST, DESPITE POLICE AID

Wilkes-Barre Miners Strong for Wilson—Others Bail the Republican Party.

"If you love me, vote for Hughes," is an injunction that proved too hard a strain on the liking that the 75,000 miners of the Wilkes-Barre district once had for Colonel Roosevelt. He tried it on them, in what was intended to be the biggest labor meeting of the Hughes campaign, and the result was a frost.

Not only did the crowd listen to the Colonel's speech in stony silence, but Wilson enthusiasm threatened to become so boisterous that Mayor Kosok called out the State Constabulary to guarantee Mr. Roosevelt a courteous reception. The Mayor had denied the miners a permit to give a Wilson parade on the night of the Colonel's visit, and when they attempted to violate his order, directed the armed and mounted Constabulary to drive them from the streets.

Colonel Roosevelt's closest friend in Wilkes-Barre, Father J. J. Curran, went out with a reception committee to meet the visitor, but announced that, friendship aside, he had left the Republican party, and was supporting President Wilson.

### PEACE OR WAR THE ISSUE

Speaking at Battle Creek, Mich., September 30, last, Theodore Roosevelt said:

"I have been asked what I would have done had I been President when the Lusitania was torpedoed."

"I would have instantly taken possession of every German ship interned in this country and then I would have said: 'Now we'll discuss, not what we will give, but what we will give back?'"

THAT WOULD HAVE MEANT WHAT?

It would have been a challenge to the German nation to a trial at arms. It would have been a violation of every principle of neutrality, and at a time when all Europe under arms, when this country was the trustee of and the only nation capable of upholding neutral rights.

The seizure itself would have been an act of war, just as the seizure of German interned ships by Portugal was regarded as an act of war and was followed by an immediate declaration of war by Germany against Portugal.

Following the same line of war talk, speaking at Leighton, Maine, August 31, last, Mr. Roosevelt said:

"The policies of Americanism and preparedness, taken together, mean applied patriotism. There should be correlation of policy and armament. \* \* \* America, which sprung to the support of Cuba in 1898, has stood an idle spectator of the invasion of Belgium, the sinking of the Lusitania, the continued slaughter of our own citizens, and of the reign of anarchy, rapine and murder in Mexico."

These are the deliberate declarations of the man with whom President Hughes has said, "I AM IN COMPLETE ACCORD." But Hughes has publicly congratulated Roosevelt for what he said.

From their public statements the conclusion is inevitable that if either Roosevelt or Hughes had been President when the Army of the Kaiser invaded Belgium we would have had war with Germany; that when the Lusitania was sunk that we would have had war with Germany, and that now we would have instant war with Germany over the submarine raids in the Atlantic ocean off the Massachusetts coast.

Must we not agree with President Wilson when speaking at Shadow Lawn on September 30, last, he said:

"Am I not right that we must draw the conclusion that if the Republican party is put into power at the next election, our foreign policy will be radically changed?"

"I cannot draw any other inference. All our present foreign policy is wrong, they say, and if it is wrong and they are men of conscience they must change it."

"And if they are going to change it, in what direction are they going to change it? THERE IS ONLY ONE CHOICE—AGAINST PEACE, AND THAT IS WAR."

No other conclusion can be drawn. What is YOUR conclusion, thoughtful citizen?

In the last analysis, the election will be decided by the farmer vote. And so on the farmer is the responsibility of whether this country shall have peace or war.

The only assurance that the country will not be needlessly plunged into war is for YOU to vote for Woodrow Wilson.

FOR PEACE OR WAR your conscience and your vote must decide.
