

Dr. Ferdinand King, New York  
Physician and Medical Author, Says:

**EVERY WOMAN  
EVERY MOTHER  
EVERY DAUGHTER  
NEEDS IRON  
AT TIMES**

To put strength into her nerves  
and color into her cheeks.

There can be no health, vigor, or strength without iron. The trouble in the past has been that when women needed iron they generally took ordinary medicinal iron, which is often absorbed in the stomach and does more harm than good. Today's science has discovered the particular form of iron in which the body does not absorb iron, but which does not irritate the stomach. It will increase the strength and endurance of weak, nervous, irritable, nervous, and aged-looking women. It has been used for two weeks in my own practice and I have used it in my own practice with most surprising results. — Ferdinand King, M.D.

NOTE: Second list recommended by Dr. King. This is the only iron in which the body does not absorb iron, but which does not irritate the stomach. It will increase the strength and endurance of weak, nervous, irritable, nervous, and aged-looking women. It has been used for two weeks in my own practice and I have used it in my own practice with most surprising results. — Ferdinand King, M.D.

DISTRICT CONFERENCE MEETS.—The Warrenton District Conference met in annual session at Enfield, Wednesday, Rev. F. M. Shamburger preaching the opening sermon. The following delegates attended from Weldon: Dr. D. B. Zollcoffer, D. R. Anderson, H. D. Allen, W. T. Shaw, W. L. Knight.

FRAZER-LUCAS.—A marriage of interest in their many Weldon friends took place in Norfolk Saturday when Miss Minnie Lucas, of Weldon, became the bride of Mr. H. G. Frazer, of Philadelphia. They were married at the parsonage of the Cumberland Street M. E. Church, Rev. John L. Bray, officiating. Many wishes for happiness are extended this couple.

A BIG INCREASE.—The taxable property of Halifax county exclusive of railroad property amounts to \$17,359,229, an increase of about four million over that of 1916. The increase is general over the county with Roanoke Rapids township leading by an increase of more than a million dollars.

COMMITTS SUICIDE.—Mr. C. B. Crews, agent for the Seaboard Air Line at Norfolk, committed suicide Wednesday evening of last week. Mr. Crews was formerly agent for the Seaboard at Roanoke Junction going to Norfolk about two months ago. He was a man generally liked by all who came in contact with him and this strange action is unaccountable. He is survived by a wife and one child.

CHARTER GRANTED.—The Secretary of State last week granted a charter to the Weldon Ginning Company, with authorized capital stock of \$50,000, with privilege of beginning business when \$6,000 is paid in. The purpose of the company is to build an equip cotton gins, compresses, cotton seed oil mills, etc. The incorporators are L. T. Garner, W. B. Drevry, T. O. Vaughan and others.

WELDON BOYS ENLIST.—During the past week several Weldon boys have volunteered their services for the duration of the present war. John Johnson and Harry Pope have enlisted in the naval reserves. Elliott B. Clark, W. T. Shaw, Jr., O. P. Mohorn, have placed applications for the 2nd officers training camp; Pierce Johnson, Allen Zollcoffer and John B. Sledge have enlisted with Unit 43, Ambulance Corps, of Raleigh. John Johnson has already been called into service, the other young men are awaiting their call.

THE TELEPHONE ASSOCIATION MEETS.—Weldon was host to the members of the Eastern Telephone Association Thursday evening of last week at eight o'clock.

The meeting was called to order by the president, Mr. G. S. Kenard, in the spacious hall of the Cotton club. After the regular routine of business was completed the members were served with an elegant luncheon. The meeting was fairly well attended owing to the bad weather, and was said to have been a success in every way.

THIRTY CARLOADS OF MATERIAL FROM WRECK.—Debris and wreckage from the head-on collision of two fast through freights, which occurred Saturday, June 30, four miles south of Kirtrell, and in which four men were killed and two others injured, passed through here last week, on a special train of thirty flat cars. One flat car each was devoted to the boilers, while each of the big tank tenders was loaded separately on other flat cars. The drive-wheels and cylinders, which were torn from the engines, in the smash-up were on other cars. The steel frames and the trucks of other cars were included.

**DR. L. L. NASH.**

**HIS ARMOR OFF.**

A military figure in the Army of the Lord was Dr. L. L. Nash, whose death on Tuesday night at Hamlet brought deep sorrow to a great host of friends throughout North Carolina. For forty-four years doing valiant service for his God and humanity, L. L. Nash was a man of whom it can well be said: "Well done, thou good and faithful servant."

Dr. Nash was a preacher of the people and for the people. Big in body he was big in heart, his sermons in that direct language which marks a personal message. He saw Methodism grow in North Carolina and he was a factor in aiding its growth. His was not a religion of the narrow sort, not that kind of religion which cramps men and women, but it was an expansive religion. He would have men and women serve God and love Jesus Christ because of the happiness and brightness that such service and such love brought.

"Dr. Nash believed in 'the old-time religion,' and we speak in the highest praise of him when we say that he appealed to us as an 'old-time preacher' with a mission. His life seemed to be built up on the idea of loving men and women into the service of God. And his life of devotion had its effect in bringing many to the foot of the Cross in the search for eternal life.

Dr. Nash served in many capacities in the Methodist Church. His work as a "circuit rider" and as pastor at important stations in bounds of the North Carolina Conference, all bore fruit and showed that his was a service of inspiration. A force in the pulpit, he was a pastor who won men and women in their homes and on the street. An author of religious works they will go on preaching for him though his face has been turned to the wall and he sleeps the last sleep.

Of him there can be no higher tribute than to say that he served humanity in his day and generation. The "good-night" that is said as he lays off his armor for eternal rest is a farewell of tenderness and of tears.—News and Observer.

Dr. L. L. Nash, the subject of the above well deserved eulogy, spent a part of his early life in Halifax county, in the home of the late Rev. John W. Hepburn. There he became associated with Rev. Dr. Wm. Closs, one of the big lights in the M. E. Church, of that day. Dr. Closs recognized the qualities in the young man and encouraged him to enter the ministry, and at a Quarterly Conference held in the old Literary Hall in Weldon in the fall of 1874, he was recommended to the annual Conference, soon to be held in Raleigh, and so for forty-three years he has lived and preached the gospel as believed and taught by the M. E. Church, South. Neither did his power weaken with age, as we remember his last sermon preached in Weldon about two years ago as one of his best. And so we wish to add our voice in a word of appreciation of one the Heroes of Israel who has earned the "well done" of a faithful Lord, for he was well known and respected.

DR. SUITER LOCATES IN WELDON.—It is a source of great pleasure for us to announce that Dr. W. G. Suiter will locate in Weldon and will be associated with Dr. J. E. Green in the practice of medicine. Dr. Suiter is a graduate of the Medical College of Virginia, at which place he attained an eviable record in pursuing the course in his chosen profession. In coming to Weldon, Dr. Suiter is among a host of friends and relatives, being a brother of Mrs. George C. Green, of Weldon and a near relative of Mrs. W. T. Whitehead, also a brother-in-law of Hon. W. H. Joyner, of Garysburg. Weldon is to be congratulated upon having Dr. Suiter in her midst, for he is a splendid Christian gentleman, and we predict for him a long successful career among us.

MEETING OF THE SCHOOL BOARD.—The regular annual meeting of the Trustees of the Weldon Graded School was held last Friday afternoon. W. E. Daniel, G. W. Fulgham and J. A. Musgrove, whose terms had expired, were re-elected, Mr. Daniel being re-elected chairman. The Board elected two teachers to fill vacancies: Miss L. Maud Harris, of Northampton county, and Miss Mary Lee Knight, of Durham. Miss Harris will teach the first grade and Miss Knight will teach the second grade. These teachers come highly recommended and the school is to be congratulated on securing their services.

Miss Carrie Lee Pugh, of Alabama, was elected music teacher. Miss Pugh is a relative of Mrs. W. W. Wiggins, of this town, and brings the highest credentials.

Mr. and Mrs. Wiley C. Ellis returned home Tuesday night from Richmond.

Miss Ruby Goode, of Clinton, spent Tuesday in town.

**LEAVES WELDON.**

**Company K Ordered to Camp at Goldsboro.**

When the fact was made known Thursday in Weldon that Co. K, must leave Weldon there was not a man, woman or child among us but what breathed a sigh, or expressed deep regret. The boys left Friday for Goldsboro, at which place they will await further orders. At Bachelor's Opera House Thursday night Mr. Ed. Hearne, of Co. K, recited a very appropriate poem, written by himself, on the farewell occasion.

To Captain Giddens this paper wishes to express the gratitude of our entire community for the service rendered by his good company during the Company's stay in Weldon of three months. Weldon has never before witnessed a better behaved company of men.

The following verse was composed by Mr. Ed. Hearne, of Co. K.

FAREWELL TO YOU!  
Alas! dear friends, the orders have come that call us away from you;  
The orders mean go—so go we must, it matters not how we hate to;  
It seems as though we are leaving home, when we leave this city of OCEBS;  
Its ours we know, for you've told us so, and you've strewn all our paths with flowers.  
But life cannot always be sunshine and joy, some days must be filled with rain;  
And we know as we go to the front, some of us will ne'er come back again.  
But its duty that calls, and duty says go—and we know that we stand not alone.  
We know as we fight for the cause that right, we're the prayers of you folks back home.  
So, there, as we kneel, on the blood-colored field, where the souls of all men have been tried,  
We'll think of you friends, and the good times we had, while we were here by your side.  
We thank you all for your kind words and deeds, for your smiles, your encouragement too.  
We'll come back again, when the victor's won, if we're lucky enough to "pull through."

**WELDON 33 YEARS AGO.**

From the Roanoke News, July 19, 1884.

Mr. J. L. Bass is having his house painted.

Miss Lizzie Campbell is visiting friends near Enfield.

C. A. Cook, Esq., the Republican candidate for Attorney General spoke at Jackson last Saturday.

The Seaboard road will soon put an iron bridge across the old Petersburg road cut at Garysburg.

Mr. Early Clark sent us a very nice watermelon Tuesday. It was the first of the season.

Mr. D. E. Stainback, of Petersburg, Va., paid us a pleasant visit yesterday. He says Virginia will certainly cast its electoral vote for Cleveland and Hendricks.

The most beautiful bouquet we have seen for a long time was shown us a few days ago by Mr. Charlie Evans.

Dr. A. R. Zollcoffer's little daughter, Mabel, while playing on a bed fell off and broke her arm. It was set and is now doing well. We trust the little sufferer will soon recover.

**NOTICE.**

**Best Medicine  
In the World**

Pearson Remedy Company,  
Burlington, N. C.

Dear Sirs:—For years I have been suffering with stomach trouble and have had doctors tending on me and have tried every kind of medicine that has been recommended to me and some one told me about the Genuine Indian Blood Purifier and I began using it and now I can say that it has put me in the best of health and I can truthfully say that it is the best medicine in the world for me.

**Given  
Up to Die**

Pearson Remedy Co.,  
Charlotte, N. C.

I feel that I would not be doing justice to you or myself without expressing to you the gratitude I feel at the good that your Remedy has done in our family. My grandson was taken with a severe stomach trouble and was given up to die by the best physicians. After exhausting all medical skill we were advised to try Mrs. Joe Person's Remedy. The change was marvelous. After taking one bottle of the Remedy we could see a decided change for the better and after taking two or three he was entirely cured. He has never had a return of the trouble since and is today a well, strong boy. We feel that he owes his life to Mrs. Joe Person's Remedy.

**WHEN EVERY  
MOVE HURTS.**

Lame every morning, achy and stiff all day, worse when its damp and chilly? Suspect your kidneys and try the remedy your neighbors use.

Mrs. M. L. Hux, Maple street, Weldon, says: "LaGrippe left my kidneys weak and I had pains in my back and across my loins. Mornings, I was so sore and stiff and tired so easily, that I could not do my housework. I had headaches and dizzy spells and my sight was blurred. The kidney secretions were scanty, highly colored and contained a brick-dust-like sediment. My ankles were swollen and my limbs ached so badly that I could hardly turn in bed. I got a box of Duan's Kidney Pills at W. M. Cohen's Drug Company's Store, and they soon relieved me. Continued use cured me of all symptoms of kidney trouble."

**YES! LIFT A CORN  
OFF WITHOUT PAIN!**

Cincinnati authority tells how to dry up a corn or callus so it lifts off with fingers.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly kill you before, say this Cincinnati authority, because a few drops of frezone applied directly on a tender, aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without pain. A small bottle of frezone cost very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin. If your druggist hasn't any frezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

**TAILORING OPENING!**

**JULY 19TH AND 21ST**  
Featuring the Complete Advance Showing of a Beautiful line of Fall and Winter Woolens and Style-Models from the Great Custom-Tailoring House of  
**Schloss Bros. & Company,**  
BALTIMORE and NEW YORK  
One of whose Experts will be in charge.

EVERY YEAR the great Custom Tailoring Style Show conducted here by SCHLOSS BROS. & COMPANY'S Expert takes an added interest. More and more of the men and young men of this vicinity have become converted to this modern way of getting Fine Clothes, and each season come here in increasing numbers to talk with the "man who knows," and see what's new in cut and material. We are glad to have a share in making known so satisfactory a Tailoring System, and indeed to help our good friends here to take advantage of it.

CLOTHING, as you know, is getting higher every day. Materials, dyes, skilled labor—all are advancing rapidly, and with this advance, mainly because of it, comes an actual scarcity of everything that enters into the making of Suits and Overcoats. Prices are high; supplies low; times uncertain.

UNDER these conditions it is interesting to see how cleverly the Schloss Tailors have met the situation. Their lines are as complete as ever; their qualities the same; their prices only a trifle higher. It is a wonderful example of big-scale merchandising under adverse conditions; a triumph in buying, organizing and producing.

The splendid Schloss-Baltimore Custom-Tailoring line for Fall will be shown at our store July 19-21.  
Come in! No Obligation to buy.
