

WHY YOU ARE NERVOUS

The nervousness is the alarm system of the human body. In periodical it is not so serious, but when becomes a constant condition, gives the alarm in both body and soul, prevents sleep, diminishes the power of concentrated, leads strayed thoughts.

To combat nervousness better a physician is usually what you should take, as this nervousness does not last long and such short visits are not too good and such short visits are not too good while the whole system is not affected while you are here. It is free from charge.

Catarrh Deafness Cannot be Cured by local applications, as they cannot reach the cleaved portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the membranes lining of the Eustachian tube. When this tube is obstructed you have a rattling sound or imperfect hearing, and when it becomes closed, deafness is the result, and unless the inflammation can be taken out, and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh, that cannot be cured by Hall's Catarrh Medicine.

MRS. KATE P. BLACK.

Mrs. Kate Pugh Black died at the home of her brother, Mr. M. J. Grant here, last Friday, after a lingering illness lasting through several weeks.

She was the wife of the late lamented Dr. W. S. Black. Since his death her life has been given where she could render the greatest help to those in need of her affectionate assistance.

She endeavored to follow the example of Christ in going where she could do the greatest good. Verily her life has been one of self-denial for the benefit of others.

She not only professed Christ but under all circumstances lived for Him. She will be missed by a large circle of admiring friends but she has a living monument in the hearts of people that will be sweet to meditate upon long after her mortal remains have returned to dust.

Her remains were taken last Saturday to Jackson where they were interred in the cemetery where lay the remains of many loved ones who have gone before.

In her death Littleton lost one of her best women.—News Reporter.
