## CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

### GOLDEN HOURS.

"All is Not Gold That Glitters."  
Read This, Girls.

Our young people must be taught that "all is not gold that glitters" and that "fine dress does not make the man or woman." We must begin right if we expect to rear our children up to contentment and happiness. Teach them to be industrious and not idle away their life. There are so many young people today that are living in the present, dancing away gold hours, when they should be thinking, studying and working. Girls should be taught how to manage and keep house while with mother. As she grows older, let the mantle gradually fall from mother's shoulders on to hers, and when she is called to a home of her own she will not feel at a loss. She will know how and where to begin. We know there are mothers now trying to keep grown girls from work and when they are able and would willingly do it, had they not been brought up with the idea instilled into their heads that young ladies must not harm their beauty by work. A girl can never have a better chance to show off her charms than by presiding over the home. A mother should teach her daughter that her place, when not at school, is at her mother's side, helping her provide comforts for the family, not in reading novels and riding in bicycles. When our girls are brought up to be industrious, sensible women we will hear less complaint of having to work hard, and less complaint of their husbands. If a man is poor he is obliged to work hard to supply his family with substantial food and clothing, and if his wife is a true woman she will be his helpmate and the world will hear no complaint.

#### WONDERFUL LIKENESS.

Mrs. Muggs—Oh, how beautiful that face is! Whose portrait is it?

Artist—Your daughter, madam.

Mrs. Muggs—A remarkable likeness. Can you paint me at once?

#### Sleep and Rest.

One of the most common causes of insomnia and restlessness is indigestion. Take one of Chamberlain's Tablets immediately after supper and see if you do not rest better and sleep better. They only cost a quarter.

#### AN INHERITANCE.

"What a cool and indifferent air Cora has. She acts like as if she didn't know anybody was looking at her."

"Yes; she inherits that. Her father used to fry griddlecakes in the window of a restaurant."

### WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would be awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 628 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I can't sleep," or "It seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

## A SOLDIER'S DREAM.

Out in the land of heroes.

When the shadows of twilight fall,  
And the night keeps the sun in hiding,

Till it hears the morning call—  
'Tis then when the soul is weary

Of all that the daytime has done  
'Tis then when the soldier dreams

Of the happy days to come.

Thousands of dreams are for dreamers,  
But a soldier can dream only one.

He dreams of a home and mother,

He dreams of the days gone by,

A cottage 'mongst the trees,

The humming of the bees,

And a mother's lullaby—  
He dreams of the land of "No Man,"

And there through the clouds of war  
Comes a light through the night,

And the world seems bright  
Returning home once more.

There is a land of promise

A land that is bright and fair,

A land filled with love and kindness  
For all who may enter there;

A land filled with smiling faces,  
It's heaven and peace is the door,

But a soldier to get within  
Must fight through the fire of war.

Fight for what's right so that vict'ry  
Will his friends and loved ones restore.

#### A NUTTY QUESTION

"Pa?"  
"Well, my son?"  
"After an army shells an enemy do they eat the colonels?"

#### NEW TURKISH ATTITUDE.

"Why would you hate to be a German?"  
"There a number of reasons."  
"Name one."  
"Well, for one thing, I would hate to have a Turk strutting around and regarding himself considerably less of a barbarian than I was."—Birmingham Age-Herald.

#### TOO EASY.

Newlyweds (explaining poker)—  
Now, if you get a poor hand you want to bluff, and if you get a good hand you want to make a bluff that you're bluffing. Now there are two ways of bluffing: one is to bluff, the other not to bluff. If you're a regular bluffer you can often bluff by not bluffing and—  
Mrs. Newlywed—I see, John, dear, but that game is too ridiculously easy! Let's play checkers.

#### A CORRECTION.

"When a Boche finds himself in a tight place he warbles out 'Kamerad, I've got a wife and three children.' Then one of our boys sings out: 'You're a damned liar. You've got a widow and three orphans.'"—From a Soldier's Letter to the Knobnoster Gem.

When a woman marries a man for his pocketbook she need not hope to find his heart in it.

#### About Croup.

If your children are subject to croup or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully.

#### TRYING.

Housemaid (who is not giving satisfaction)—I am trying, madam.

Madam—You are, Mary, very, trying.—Parthinder.

### TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not sallowate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tonic is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give early relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tonic is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't grip or cause inconvenience all the next day like violent calomel!

#### LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of refined karo. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is good to break and remove dark blotches on the face, softens and whiten, and is the ideal skin softener, whitener and beautifier.

Just try it! Get these ounces of cold cream, squeeze in three cups of lemon juice and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

#### Chamberlain's Cough Remedy

Do not imagine that because other cough medicines fail to give you relief that it will be the same with Chamberlain's Cough Remedy. Bear in mind that from a small beginning this remedy has gained a world-wide reputation and immense sale. A medicine must have exceptional merit to win esteem wherever it becomes known.

#### INCLUDING POTATOES.

"I hear you mortgaged your house yesterday."  
"Yes, I was hungry and wanted a good square meal."

#### Greatly Benefitted by Chamberlain's Tablets.

"I am thankful for the good I have received by using Chamberlain's Tablets. About two years ago when I began to feel ill after eating, and from headache and a tired, languid feeling due to indigestion and a torpid liver Chamberlain's Tablets correct these troubles in a short time, and since taking two bottles of them my health has been good," writes Mrs. M. P. Harwood, Auburn, N. C.

#### MEAN EXPOSURE.

"How does Kate preserve her complexion so well?"  
"Easily. She keeps it in airtight jars."

#### ALMOST OBSOLETE.

"Well, the world seems to be going dry. Shall we take julep out of the dictionary?"  
"Leave it in for old times' sake," counseled the other lexicographer. "Just mark it obsolete."—Chicago Post.
