DR. I. E. GREEN.

The Death of Dr. I. E. Green Rings Down the Curtain of Life Upon a Career In Which There Was Great Sorrow. A Brilliant Intellect, a Warm Heart, and a Magnetic Personality. Was Strong and Attractive, and in Every Respect—He Was a Most Lovable Man.

Again has Weldon suffered a severe loss in the death of one of her oldest and best beloved citizens, in the passing of Dr. Isaac Edward Green, not only a resident of the town but the friend and physician for many years of almost the entire community. Had his death come suddenly and unexpectedly we could hardly have borne it, but his long illness of several months' duration prepared the public for the blow which came on Sunday morning, April 20th, and helped us to feel that our loss was his eternal gain.

His large family were all present at the last, and loving hands soothed his every pain. He was buried on Monday evening in Cedarwood cemetery, Rev. E. Cousins, of the Episcopal church conducting the services from the M. E. church, which was used to accommodate the immense crowd gathered from all over the county to pay this last tribute to one so much beloved and who had virtually given his life to their service. Dr. Green was a Knight Templar and stood high in this grand and exclusive order, of which a large number escorted his remains to the grave and committed his body to the earth with the beautiful ritual of the order. A selected choir sang several hymns at the service at the church, and also at the grave. The floral offerings were magnificent and gave some token of the high esteem in which Dr. Green was held.

The pall bearers were: Active—J. L. Shepherd, T. W. Long, W. E. Daniel, N. L. Siedman, S. M. Gary, W. H. Joyner, W. L. Scott. Honorary—Dr. H. I. Clark, Scotland Neck; Dr. T. W. Mason, Garysburg; Dr. J. E. Shields, J. E. Bowers, Scotland Neck; Dr. Jarman, W. L. Long, Roanoke Rapids; Drs. R. A. Willis, D. W. Talley, J. K. Hall, Richmond, Va.; Dr. S. B. Pierce, W. J. Ward, J. E. Branch, E. Clark, H. D. Allen, A. H. Green, W. W. Wiggins, W. T. Shaw, T. W. Fenner, Raleigh, W. R. Harvey, Linterton.

An extended notice of Dr. Green's life and work as prepared by one who has known and loved him long will be given next week.

ALTHOUGH Uncle Sam may not be literally beating swords into ploughshares, he is doing something very like it. The War Department has released a great quantity of soda, which it bought to use in high explosive shells, and the Department of Agriculture has already shipped more than 150,000 tons of it to farmers for fertilizer.

THOUSANDS of men who entered the fight perfect physically are now cripples for life. These men will be taught a method of earning their living by the government. They must begin all over again. The government merely asks you to lend your money at a fair rate of interest to help pay the expense. Will you hesitate to subscribe liberally to the Victory Liberty Loan?

THERE was no lagging by the American soldier in any of the drives in France that effected victory, and there should be no lagging by the people at home in the Victory Liberty Loan drive that is to effect payment for victory.

GENUINE patriotism is patriotism of peace as well as patriotism of war. A true patriot will do his best during the Victory Liberty Loan campaign.

If you have gone in search of mountains, do not stop to pick up pebbles by the way.

The Victory Liberty Loan must be a "triumph of peace."

If I Were a Farmer.

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Cough Remedy for coughs, colds and croup.

Chamberlain's Liniment for sprains, bruises and rheumatic pains. Chamberlain's Tablets for stomach troubles, indigestion and constipation. By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.

This Victory Liberty Loan will be a test of genuine patriotism.

BEFORE OR AFTER INFLUENZA

By Dr. M. Cook

The cool fighter always wins and so there is no need to become panic-stricken. Avoid fear and crowds. Exercise in the fresh air and practice the three C's: a Clean Mouth, a Clean Skin and Clean Bowels. To carry off the poisons that accumulate within the body and to ward off an attack of the influenza bacillus, take a good liver regulator to move the bowels, such as Carter's Oil or a pill made up of May-apple, lemon oil and root of jalap, to be had at any drug store, and called Dr. Pierce's Pleasant Pellets.

The system should be built up by the use of a good iron tonic, such as "Fruite" tablets, to be obtained at some drug stores, or that well known blood-maker and herbal tonic made from roots and bark of forest trees—solid extractives as Dr. Pierce's Golden Medical Discovery.

For a tonic that will freshen up the blood, clean the digestive tract and put new force and vim into you, I know of nothing better than Dr. Pierce's Golden Medical Discovery—and it contains no alcohol or narcotic so is perfectly safe to take.

New Orleans, La.—"I could not eat anything greasy for it would make me so sick at my stomach that I could not do my work. It would make me dizzy, and I would have to sit down and wait until it passed away. Then there would be some risings. I was told to take Dr. Pierce's Golden Medical Discovery, which I did, and I must say that it cured me. I have not felt any of this trouble ever since. All faith in all who have ever lived."—J. THE FINISH.

"Fighting is done, but the war is not over, nor yet won." Major General Leonard Wood said recently. "The hard stages of readjustment after the fighting, the bringing the boys home and putting them in their civilian jobs has yet to be accomplished. The government must not be embarrassed by lack of funds at this time. Every American should give his utmost financial support that the war may be speedily concluded."

Yes, the fighting is over. Nights no longer chill to the "zero hour" as when America's harvest nightly went over the top. Skies smile down over a worn-torn but already recuperating France, and the peasant, blue uniform changed to smock, again goes to the plow.

—but the war is not over, not yet won—here shines the people's opportunity. The boys have done their part; now it is up to America as a whole to do the rest. You say it will be a hard job. Perhaps it will—so was that of the boys, but had they hesitated when they were told that it was going to be, had they flinched for a moment when it was steel to steel with Prussia's best, we would not now be asked for a "Victory" loan—it would be only a fifth war loan, with the fighting still going on.

They did not hesitate, but fought with such heroism and efficiency that they brought Germany to her knees at least a year before the time counted on by military experts. And now is the time for the victory—the real winning of the war, or, as Major General Wood puts it, the time for "the hard stages of readjustment, the bringing the boys home and putting them in their civilian jobs." This can only be accomplished if we all pull together. We cannot afford to, nor will we, let this opportunity for the final victory go by. To every one belongs a share. Buy your Victory Liberty Loan bond and be in at the finish.

THERE will be another world war beginning in July 1926, according to a writer in the British Journal of Astrology. This prophet, who signs himself "Sepharia," asks for a serious hearing, inasmuch as he claims to have published a year in advance in each case the exact date of the war of 1914 and of the cessation of hostilities.

"The first phase of the next war," he writes, "will begin with Turkey whose perfidy will lead to its final overthrow in 1921-22. At this time Prussian intrigue will dominate the position in the Near East affecting Greece, Turkey, and Russia. But, according to my calculations, the great crises will not be reached until June 1926.

"In this great war which may be regarded as Prussia's counter to the war of 1914-18, the malevolent forces take their rise in Vienna and Berlin ascend to Petrograd, penetrate through the whole of Russia and descend through the Black Sea and Turkey in Asia on to Syria and Palestine."

Another allied victory is predicted by "Sepharia."

By a curious coincidence the armistice became effective on the eleventh hour of the eleventh day of the eleventh month. That in itself might seem to indicate that to the Kaiser eleven is a fateful number, but another coincidence gives the theory even greater weight. The eleventh verse of the eleventh chapter of the eleventh book of the Bible says: "Wherefore the Lord said unto Solomon, Forasmuch as this is done of thee, and thou hast not kept my covenant and statutes, which I have commanded thee, I will surely rend the kingdom from thee, and will give it to thy servant."

Catarrhal Deafness Can't be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Medicine.
