**WELL KNOWN.**  
I was hurrying home up the hill when a little boy came rushing down in such haste that he ran headlong into me. He was quite breathless and very flushed. "Have you seen my pa?" he managed to stammer. "I don't know your pa, little boy," said I. He looked at me in round-eyed wonder and his pink cheeks fairly struck out. "You don't know my pa?" he said incredulously. "Why, I know pa just as easy!"

**AT LAST.**  
During the flu epidemic in San Francisco, when all public meeting places were closed and the entire population was compelled to wear masks to prevent the spread of the disease, a drunken man was overheard muttering:  
"Well, I'm an old man, but I have lived my time and am ready to quit. I have lived to see four great things come to pass—the end of the war, the churches closed, saloons left open, and the women muzzled."

Even the miser is generous to his faults.  
When the widow ceases to weep her weeds soon dry up.

**Health About Gone**  
Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. ——— had us get Cardui. . . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."  
**TAKE CARDUI**  
The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.  
**All Druggists**

**TRY IT! SUBSTITUTE FOR NASTY CALOMEL**  
Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.  
"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.  
Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel!

**Dromedary Came a Long Distance to Attend Methodist Centenary Celebration**

THE first Methodist Centenary Celebration dromedary has arrived in Columbus, O., and has consented to an interview. In fact, so softened was his disposition by the familiar scenes which greeted him in the North Africa exhibit section at the exposition grounds that he smilingly consented to pose for a picture with the reporter perched precariously on his hump.  
"I've come a long distance to attend the Centenary celebration," he stated, "and I don't regret a mile of it now that I have seen the preparations being made for it at the exposition grounds. This world's missionary exposition is going to beat anything I have ever seen, and I have seen many things in my travels."  
The dromedary is one of a number of animals who are arriving to take part in the great Centenary celebration in Columbus. They will appear in the exhibitions of foreign countries, and some absolutely safe camels and elephants will be ridden by children who come to the exposition

Collection of Indian Curios at the Methodist Centenary Celebration

WHAT has been pronounced the greatest attraction of the Indian curios collection has been named to the Methodist Centenary celebration at Columbus, O., by H.

W. Palm, an Indian trader of Ortonville, Minnesota. Mr. Palm is here shown with some of his interesting relics.  
Indian exhibitions will have a considerable place in the Celebration. Pueblos will unconsciously mold pottery before throngs of curious spectators. Just as their grandfathers did before the white man invaded their lands. Navajos will weave rugs and St. Regis make baskets—all actually living in their native homes, be they pueblos or wigwags.

**NO SEATS RESERVED**  
First Come, First Served, at Coliseum at Methodist Centenary

At a conference of Director General B. Earl Taylor, Dr. Fred B. Fisher, M. B. Dickson and other members of the Centenary Exposition staff, it was decided that there will be no seats reserved in the Coliseum for "The Waylars" pageant presentations at the Methodist Centenary Celebration, Columbus, O., June 10-July 15.

All seats will be available to spectators as soon as the doors of the Coliseum are opened each evening. "It will be a case of first come, first served," says Mr. Dickson. Season tickets to the exposition grounds admit the bearer once to the present in the Coliseum. Single admission fees at the gate require an additional fifty cents for the Coliseum evening feature.

**Mallory Hats**  
About the first question our salesmen will ask you when you try on one of our new  
**Mallory Hats**

is "How does it feel?" In other stores they ask "How does it look?" The difference is that we will first select a hat that will become you, and we know that a "Mallory" Hat will look right, so what we want to know is whether the hat feels right on the head. Be sure to have a look at our window this week and come in and prove what we say.
