**ONE ON THE JUDGE.**

A certain judge could not control his temper, and consequently could not control other people. One day there was unusual disorder in court, and at last the judge could endure it no longer.

"It is impossible to allow this persistent contempt of court to go on," he exclaimed, "and I shall be forced to go to the extreme length of taking the one step that will stop it."

There was a long silence, then one of the leading counsel rose, and with just a trace of a smile, inquired: "If it please your honor from what date will your resignation take effect."

**WHEN SHE WAS NAUGHTY.**

Helen is a little girl, who lives on the south side. The other day she was very naughty and that night she said to her nurse: "I was naughty today, wasn't I, Sarah?"

"Yes," answered Sarah. "You were so naughty you almost made your mother ill!"

"Well," sighed Helen, "I'm going to be better. But would you be good all at once, or just gradually?"

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

## TAKE CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . . It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

## Delicate Mechanism

Despite its scope Swift & Company is a business of infinite details, requiring infinite attention.

Experienced men must know livestock buying with a knowledge of weight, price, the amount and quality of meat the live animals will yield.

Each manufacturing operation must be done with expert skill and scientific precision. A highly perishable product must be handled with speed and care to avoid loss.

Chemists, engineers, accountants, and other specialists are required to take care of our intricate problems.

Alert wisdom and judgment must be used in getting stocks of goods into the open channels of demand through our four hundred branch houses. Branch house organizations must show activity and energy to sell at the market in the face of acute competition from other large packers, and hundreds of small ones.

All these requirements of intelligence, loyalty, devotion to the task, are met in the personnel of Swift & Company. Yet the profit is only a fraction of a cent per pound with costs at minimum.

How can the workings of this delicate human mechanism be improved upon?

Do you believe that Government direction would add to our efficiency or improve the service rendered the producer and consumer?

Let us send you a Swift "Dollar". It will interest you. Address Swift & Company, Union Stock Yards, Chicago, Ill.

## President Says Welfare Work Must be Maintained in Full Strength for Men Overseas

URGES ALL UNITED WAR WORK CAMPAIGN PLEDGES PAID OR WELFARE WORK WILL SUFFER—NECESSARY FOR SOUTH TO "SPEED UP" ITS PAYMENTS OR DROP BEHIND

Washington, D. C.—The need for the payment of United War Work Campaign subscriptions has become so acute because of the danger that the work of the welfare organizations for our soldiers still in uniform will be curtailed that a letter to Raymond B. Fosdick, chairman of the Commission on Training Camp Activities, from President Wilson, has been made public. This letter from President Wilson, better than any other document, shows the great need for continuing the welfare work until the Army of Occupation is withdrawn and demobilization is completed.

It is to back up the President's request and to fill the great need for cash to carry on the work that "Speed Up" Week, July 28th to August 4th, has been inaugurated so that everyone who has not paid his pledge will do so at that time.

The President of the United States of America,  
Paris, 18 April, 1919.

My Dear Mr. Fosdick:

All that I have seen and heard over here in France has but added to my sense of profound appreciation of the vital importance of maintaining in full volume and strength the service of the seven organizations which last fall joined in a united campaign for support—the Young Men's Christian Association, the Young Women's Christian Association, the National Catholic War Council (Knights of Columbus), the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army, on behalf of our soldiers and sailors.

In addition to the needs which existed at the beginning of the war, there are now added and very imperative reasons why this work should be continued during the period of demobilization.

The American people showed in a remarkable manner their wholehearted support of the cause for which their men were fighting when they responded so generously to the appeal of the United War Work Campaign last November, and I earnestly hope that the whole amount then subscribed may be forthcoming, in order that this final helpful and still absolutely necessary ministry on behalf of the men who have given themselves with such rare devotion to the nation's cause may be in every way worthy of their wonderful spirit.

Cordially and sincerely yours,  
WOODROW WILSON,  
Honorable Raymond B. Fosdick, Chairman, Commission on Training Camp Activities, 45, Avenue Montaigne, Paris.

## CALOMEL DYNAMITE

### A SLUGGISH LIVER!

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents—which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

## "FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin" the true, genuine, American made and American owned Tablets are marked with the safety "Bayer Cross."

Ask for and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage.
