ENGLISH GENTLEMEN DISCOVERED SECRET
DECLARES SHE LOST BIG SUM IN OIL DEAL

FOUND OUT HOW TO BEAT HIGH COST OF LIVING AND PROVED IT TO ALL COUNTRYSIDE.

There were no War Savings Stamps or Treasury Savings Certificates in the days of Samuel Johnson, the famous philosopher, but the most effective weapon against profiteers and the high cost of living was known as "Boswell." Boswell in his life of Johnson calls attention to the successful manner in which Mr. Paragis Langdon mastered the art of living in the eighteenth century. Mr. Langdon seems to have been a wonder even in the frugal countryside where he lived. According to Boswell he had an annuity of 200 pounds a year (about \$1,000), and while that sum probably exceeded an equal amount today in purchasing power, this is what he was able to do with it:

He supported himself, his sister (who paid \$30 a year for her board and his niece. "The servants," says the biographer, "were two maids and two women in livery; the apartments to his table were neat and handsome. He frequently entertained company at dinner and then his table was well served with as many dishes as were usual at the tables of other gentlemen of the neighborhood. His own appearance as to clothes was generally neat and plain. He had always a lute and a harp and kept three horses." Mr. Langdon's nephew, in writing to Dr. Johnson, gave away the secret formula by which all this was made possible. He declared that Mr. Langdon was able to do so much with so little because he paid for everything as soon as he had it except alone what were current expenses such as rent for his house and servant's wages, and these he paid at the stated time with the utmost exactness. He gave notice to the tradespeople of the neighboring towns that they should no longer have his custom if they let any of his servants have anything without paying for it. Thus he put out of his power to commit those imprudences to which those are liable that defer their payments by using their money some other way than where it ought to go.

In other words Mr. Langdon saved first and spent afterwards. That is the fundamental principle which the savings division of the treasury department is seeking to instill into the American people through encouragement of thrift and safe investment in government securities.

Times have changed since Mr. Langdon's day but principles have not, and his methods of getting the utmost from his income through economy, stimulation of waste, wise buying, systematic saving and safe investment are as applicable today as when Mr. Johnson lived.

Mr. Langdon's nephew knew there of he spoke when he concluded his description of his uncle's methods as follows: "These few particulars may afford instruction and be an incentive to that wise art of living which he so successfully practiced."

SCOTCH SONGS TO DATE

If a body met a body
 Coming through the rye:
 If a body save a collar
 Why then, bye and bye.
 When the shiftless people holler
 "Money's scarce and tight."
 He who saves the simble dollar,
 Will come through all right.

If
 Should auld acquaintance be forgot
 And never come to mind?
 Why, no!—unless he be a wot
 And hooter left behind.
 But one thing you must not forget,
 A thing more true than funny:
 "When your mind is on savings set
 It's easy saving money!"

Most capitalists began in a small way. Invest in W. S. S. and insure a comfortable income for your children.

Only A Cold.
 Are you ill? It is often answered—"Oh, it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of the cold the less the danger, and this remedy will help you throw it off.

"I had feed bins lined with zinc last year, rats got through pretty soon. Was out \$18. A \$1 pkg. of RAT-SNAP killed so many rats, that I've never been without it since. Our collier dog never touched RAT-SNAP." You try it.

BE YOUR OWN CREDITOR.

Benjamin Franklin, the pioneer of American thrift, said: "The borrower is slave to the lender, and the debtor to the creditor. If you would know the value of money try to borrow some."

Be your own creditor. So regulate your expenditures that the first charge against your income will be savings. Put aside a certain proportion of your money for necessary spending in the future.

Your savings are a safeguard against want in old age, and against the rainy day. They form a fund for that golden opportunity that may be on the way.

Your savings are safe and readily available if invested in War Savings Stamps, guaranteed by the government and earning 4 per cent interest, compounded quarterly.

Make a start with Thrift Stamps, costing 25 cents each.

Your W. S. S. at maturity will give you a bank account.

Don't pay any attention to the disagreeable things people say about you—if they are not true.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Medicine manufactured by E. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure.

As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

A Good Cough Medicine for Children.

Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expels it and soothes the system from the cold.

Mallory Hats

About the first question our salesmen will ask you when you try on one of our new

Mallory Hats

Is "How does it feel?" In other stores they ask "How does it look?" The difference is that we will first select a hat that will become you, and we know that a "Mallory" Hat will look right, so what we want to know is whether the hat feels right on the head. Be sure to have a look at our window this week and come in and prove what we say.
