## Revival Planned For Entire South

Widest Evangelistic Effort Ever Made Will Be Launched Soon.

Nashville, Tenn.—Plans for an evangelistic movement which will cover the entire South and operate in 20,000 churches at the same time are being formulated by the Century Commission and the evangelist committee of the M. E. Church, South.

Bishop E. V. Harrison is the chairman of the joint directing committee and Dr. O. E. Goddard is the executive secretary.

**Standard Plan Made.**  
The movement will operate according to a standard plan. This plan provides for a preliminary survey of the entire South to discover what persons are not affiliated with any religious denomination.

Dr. A. C. Zambrunnen is in charge of the survey, and he has made preliminary investigations in a large number of typical sections as samples to guide pastors in surveying their own fields.

When these surveys are completed the evangelistic movement will be launched in an effort to interest all non-church members whose names have been secured.

It has been estimated that half a million workers will be enlisted to personally interview the persons who have no church membership.

## EPISCOPAL CHURCH MOVES FOR UNITY

CHANGE IN CONSTITUTION TO ADMIT CONGREGATIONALISTS

CHURCH IS REORGANIZED

Nation-Wide Campaign Expected To Make Possible Several Impressive Developments Within Communion

Southern leaders of the Episcopal Church, back home after the epoch-making General Convention of the Church at Detroit, have plunged into the task of shaping into reality the impressive policies for which foundation was laid there, and which include:

1. The move toward a union of churches, to which the Episcopal Church committed itself by steps for an amendment to its Constitution that will permit in three years the Episcopal ordination of Congregational clergymen, as well as similar agreement with other denominations.

2. The complete reorganization of the Church, through creation of an executive council to supplant all existing official boards of the General Convention.

3. The establishment of the National Church League for Social and Industrial Democracy, to fight for social and economic principles on a Christian basis.

All these things—the broadening of the Church's scope and functions—are expected to be made possible through the success of its Nation-Wide Campaign of spiritual awakening and greater practical service. This campaign, designed to extend the Church's influence along social, educational and spiritual lines at home and abroad, has been described by leaders of the Church as "the greatest missionary adventure in the history of the communion, an adventure that should help, mightily to enable the Church to recover its Apostolic torch of leadership from the control of the stand-out influences that have for so long nullified its proclamation of Christian fundamentals."

The genius of the Nation-Wide Campaign is not the money-raising end of it, said Dr. Robert W. Fulton, national campaign director, who is touring the South. "It is a very modest financial goal, that of probably less than \$50,000,000 for the richest Church of Protestantism in America. The big thing is the campaign's avowed determination to reach every individual community of the Church to discover just what his religion means to him, and what he is willing to sacrifice for it. It intends to transform every paper communicant into a real Churchman alive with the old zeal for the spread of Christian fundamentals."

## HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. I relieved me from my troubles."

As I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. Marie Boyd, 1421 1/2 St. N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham, 233 Central Street, Lowell, Mass. for advice. Her name is on every bottle and she has forty years experience in all your troubles.

### Imitating the Opal.

The opal is more difficult to imitate than is the diamond. But from artificial corundum, colored with chromes, red rubies can be made, and very cheaply. If the coloring agent is titanium oxide, the product becomes a genuine artificial sapphire.

### This Means You

When you get up with a bad taste in your mouth, a dull throbbing, an relief for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

### An enraged man tears his hair, but an enraged woman tears her husband's.

Think it more calamity in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved it to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Medicine manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure.

### YOU WOULDN'T TRY TO TAME A WILD-CAT

Mr. Dodson Warns Against Use of Treacherous Dangerous Calomel.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with our bile it causes it to curdle, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start you liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow. Besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children, they like it.

### An epitaph is a mixture of the wit of the living and the virtues of the dead.

### A Good Cough Medicine for Children.

Mrs. J. W. Phillips, Boston, Va., phoned to J. M. Lloyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children for yourself. It keeps the cough loose, eases expectation easy and soon frees the system from the cold.

### It's simply impossible for one man to love two women at the same time—after one of them finds it out.

### Constipation.

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

If all women who look back were turned into saltpillars the streets would be lined with statues.

### Lady in Chicago Telegraphs to Ar Rat-Snap.
