Methodists Save Belgian and Serbian Orphans

Southern Church Boys Homes in Brussels and Belgrade and Support Serbian Refugees in England.

Nashville, Tenn.—The Centenary Commission of the Methodist Episcopal Church South will specialize in caring for the children of Belgium, Serbia and other stricken countries of Europe, according to an announcement made by Dr. W. H. Beauchamp, the director-general. Dr. Beauchamp and a Church Commission have just returned from Europe.

For this purpose a large home, formerly a famous boys' school, has been purchased at Uccle, a suburb of Brussels. Several hundred children can be accommodated in this building, and the Methodists will assume entire responsibility for them and their future. Another home has been bought at Belgrade, Serbia, and here the orphaned children of the Southern Slavs will be given medical attention and care. A staff of women physicians secured from Scotland, will be in charge of this home.

Still another orphanage has been taken over at Faversham, England. This home already contains more than a hundred Serbian children, orphaned refugees who were taken from their homes during the Austrian invasion.

Plight of Children Deplorable. "One can scarcely imagine the plight of the Belgian and Serbian children," declared Dr. Beauchamp. "The mines of Northern France have been flooded or filled with concrete by the Germans, and thousands of children will literally freeze to death this winter."

"I have seen them living in the old trenches and dug-outs left by the enemy, with little to eat save what is gathered from the passers-by."

Relief stations will be established as quickly as workers can be obtained and supplies sent. These will be at Brussels, Ypres, St. Quentin, Montdidier, Belgrade and other centers.

The Centenary Commission is seeking for two young physicians, eight nurses, a dozen women social workers, and a number of superintendents and directors to reinforce the belated staff. These will be sent abroad at once.

The Church has a fund of \$5,000,000 for this purpose. It is a part of the \$50,000,000 fund which was raised in the recent Centenary Drive.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. Cardui had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE CARDUI The Woman's Tonic

She writes further: "I am in splendid health. . . I can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

Many Young Men and Women Offer Themselves For Christian Service

Southern Baptists Will Have Ample Working Force for New Program—Campaign Hopes to Strengthen Local Churches and Win 2,600,000 Lost to Christ During Next Five Years.

Group of Young Women Volunteers, Preparing Themselves for Special Christian Service at Baptist Women's Training School, Fort Worth, Texas.

Probably the most encouraging development that has come to the Baptist 75 Million Campaign, so far, is the large number of young men and women throughout the South and Southwest who have volunteered their services for special Christian work wherever God may need them. A special day was set apart in the Baptist schools and churches for "calling out the called," when it was expected to secure a minimum of 5,000 volunteers for special Christian service, this number being necessary, it was held, if the enlarged program of the campaign was to be carried out. Returns from these services are still coming in with the prospect that the number will reach at least 7,500.

These volunteers will enter the ministry, go as missionaries, Christian doctors, nurses and teachers to foreign lands, labor in the homeland for the advancement of the kingdom of God or serve in any special capacity where they feel the Lord directs them. Baylor College, Helton, Texas, an institution for young women, led the list of schools with 430 volunteers; Home TIT College, Forsyth, Ga., responded with 248; Louisiana College, Pineville, La., 53; Women's Training School, Louisville, Ky., 115; Southwestern Theological Seminary, Ft. Worth, Tex., 23 for the foreign field alone; Oklahoma Baptist University, Shawnee, Ok., while similar responses came from numerous other institutions in the various states comprising the territory of the Southern Baptist Convention.

Prominent among the many interesting accounts of the special services held in the churches was a report from Rev. E. Allison, a Baptist minister of Etowah, N. C., who, now in his eighth

BAPTISTS PLAN TO FIGHT BOLSHEVISM

SYSTEM IS RECOMMENDED FOR PREVENTION OF RADICALISM IN THE SOUTH.

AMERICANIZE FOREIGNERS

Teaching Them English and Ideals of United States and Christianity is Part of Program of 75 Million Campaign.

Southern Baptists have no sympathy for the I. W. W., Bolshevists and bomb throwers, and while radicals of that type are not numerous in this section of the country as yet, it is the hope of the Baptist 75 Million Campaign to make the spread of such destructive propaganda here impossible by so prevailing with the gospel all centers where radicalism might expect to obtain a foothold as to make it impossible for the professional agitators to receive a sympathetic hearing. In other words, it is the hope of the campaign to extend the work of Americanizing and Christianizing the foreigners living within the territory of the Southern Baptist Convention so that they will measure up to the highest standards of patriotism and religion.

There are 4,000,000 persons of foreign birth and children of foreigners living within the territory of the Southern Baptist Convention, and while considerable work has been done already along the line of teaching Americanism and the Christian religion to these people, this work will be greatly enlarged as a result of this campaign.

In the Southwestern states there are 1,000,000 Mexicans, 600,000 living in Texas, 200,000 in New Mexico, 75,000 in Louisiana, and a large number in Arkansas, Oklahoma and Missouri. Because of the growing importance of

the Mexican work the campaign has appropriated \$275,000 to it alone for the next five years.

But the Americanization and evangelization of the foreigners is not confined to Mexicans. This work is carried on also among the newlyarrived immigrants at the various Southern ports, among those of foreign birth in the mining districts of Alabama, Oklahoma and Illinois and among other groups of people of foreign birth in Florida, Louisiana, Texas, Maryland and Virginia. Some of the state organizations carry on work of their own among these people, while in many places the program is carried out cooperatively between the state mission boards and the Home Mission Board.

In many instances a large work is done by the latter agency alone. Believing that both Americanization and evangelization can be accomplished most effectively by first reaching the children, Baptist agencies have established schools where the English language is taught, along with American and Christian ideals. Such schools are already being conducted with great success among the Italian and Cuban children at Tampa, Fla., for French-speaking children at Church Point, La., for Mexican children at El Paso and other Texas points, while community center work is carried on extensively at many of these points and at numerous towns and mining centers where people of foreign birth make up a large percentage of the population.

Large results are expected to follow the work of the Baptist Bible Institute at New Orleans, where instruction is given in English, French, Italian and Spanish. All foreign-speaking people are required to take some English work and the Bible is taught in certain practical subjects to them in their own languages, thus facilitating their grasp of it. Practical Christian activities are also required of all the students, some of whom are training for foreign mission work and others for service among the peoples of foreign birth in this country. Patriotism and high ideals of Christian civilization are given emphasis throughout the institution and it is the belief of those familiar with the work that it will prove a potent factor in the Americanization and Christianization of the peoples of foreign birth in this country.
