120,000 STAND IN BREAD LINE

More Than 1,000,000 Faces Death is Message Brought by Miss Dakesian.

Imagine a bread line of 120,000 famished people waiting for twenty-four hours a day for the dose of food that is the sole barrier between them and death from starvation. That is the situation in Alexandropol, a city in Russian Armenia, according to Miss Hermine Dakesian, a pretty Armenian girl, one of the survivors of four years

MISS HERMINE DAKESIAN.

of the horrors of Turkish massacres and deportations. Saved by an American woman, she has come to this country and entered Oberlin College.

With her came fourteen other Armenian girls in charge of Miss Adelaide S. Dwight, a Near East Relief worker, who has been instrumental in helping to save hundreds of thousands of their people from death by starvation. Miss Dwight, who is not given to exaggeration and has seen conditions at first hand, says more than a million people are facing death by starvation in Armenia and will perish unless America aids.

Hereafter an eyewitness to the slaughter of hundreds of helpless women and children by the Turks and a victim of the deportations, Miss Dakesian, an unusually pretty girl, says there is untold suffering in Armenia and Syria. She praises the efforts of the Near East Relief, formerly the American Committee for Armenian and Syrian Relief, to save as many of these people as possible. At Erivan, the capital of the Armenian republic, one hot meal is given out daily, and by this relief alone the city's death rate has been cut from a thousand daily to an average of twenty. At Alexandropol, where the refugees from Turkish Armenia were driven by thousands, the situation is appalling, Miss Dakesian says. It is to avert these wholesale deaths that Near East Relief is making a nation-wide appeal for funds.

\$100 REWARD \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure.

There is a wide unfathomable chasm between what you want and what you get.

Dollars and Cents

Counting it only in dollars and cents how much did that cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months.

NOTICE TO CONTRACTORS.

Cardinal Gibbons Asks Aid For Starving Armenians

This is the message from James (Credent) Gibbons read at the big meeting in Washington in aid of the Near East Relief. The venerable primate of the Catholic Church in America is intensely interested in the Cardinal Gibbons appeal which the Near East Relief will make to the country in February for funds to support its work among the starving peoples of that stricken land. To the Washington meeting he wrote:

"Advice and information coming from the Near East cannot be doubted. There is great actual suffering and famine. These people, recently become independent and free from bitter tribulation, cannot support themselves. And the common instincts of humanity which have prompted the people of the United States during the last two years to relieve the distress and needs, especially of the Near East, must not be allowed to grow cold and be diminished."

"I hope we shall all unite in this present emergency and be able to collect sufficient funds to enable these people to live and work until next summer brings them permanent relief and subsistence. I call upon all to respond generously to the appeal now being made and trust that the committee will be gratified with the results."

\$5 PER MONTH FEEDS ORPHAN

Cleveland H. Dodge Shows What Near East Relief Can Do in Efficient Purchasing.

Buying in wholesale lots and under the most favorable market conditions, Near East Relief of 1 Madison Avenue, New York City, with representatives in every state of the Union, has been able to haffle the high cost of living so far as relief supplies for the suffering millions of the Near East are concerned.

Cleveland H. Dodge, treasurer, in a statement shows that the committee is able to provide food for the suffering people of the Near East at prices much lower than the average charge here.

A donation of \$5 per month will provide food for one orphan, \$10 per month provides not only food, but also clothes and shelter for one orphan, and for \$15 per month attendance at school is assured to each orphan in addition to food, clothing and shelter.

In the appeal for funds to save the starving remnants of the Armenians and other western Asia peoples, Near East Relief is inviting the American public to "adopt" an orphan at the rates given here. Over 250,000 homeless children are in need of help in the Near East. Women's organizations, lodges, churches and social clubs are responding to the appeal by adopting quotas of orphans for support over a definite period.

Chronic Constipation.

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets afford a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood... I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . . Nothing seemed to help me until, one day, . . . I decided to

TAKE CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . . ."

"It has now been two years since I took Cardui, and I am still in good health. . . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your own-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.
