## Another Royal Suggestion

### PIES and PASTRIES

From the NEW ROYAL COOK BOOK

**CHEER UP!** There is no further reason for worrying about table variety. The new Royal Cook Book gives new suggestions for every meal every day. The book is so full of surprises there will never be another dull meal in the home. Here are a few suggestions from the new Royal Cook Book.

## ROYAL BAKING POWDER

Absolutely Pure

**Plain Pastry**  
This recipe is for one large pie with top and bottom crust.  
2 cups flour  
1/2 teaspoon salt  
1/2 teaspoon Royal Baking Powder  
1/2 cup shortening  
Cold water  
Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part; this on floured board and use for bottom crust. After pie is filled roll out other part for top.

**Rich Pastry**  
2 cups pastry flour  
1/2 teaspoon Royal Baking Powder  
1/2 teaspoon salt  
1/2 cup shortening  
Cold water  
Sift flour, baking powder and salt; add one-half shortening

and rub in lightly with fingers; add water slowly until of right consistency to roll out. Divide in halves; roll out one half thin; put on in small pieces half remaining shortening; fold upper and lower edges in to center; fold sides in to center, fold sides to center again; roll out thin and put on pie plate. Repeat with other half for top crust.

#### Apple Pie

1/2 cups flour  
1/2 teaspoon Royal Baking Powder  
1/2 teaspoon salt  
2 tablespoons shortening  
1 cup, or 1 quart sliced apples  
2 tablespoons sugar  
1 teaspoon milk  
Sift flour, baking powder and salt; add shortening and rub in very lightly; add just enough cold water to hold dough together. Roll half out on floured board; line bottom of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar; flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges lightly together and bake in moderate oven 30 minutes.

### SENATOR SIMMONS ON THE FEDERAL SUFFRAGE AMENDMENT.

Senator F. M. Simmons of the United States Senate says:

It is true that the suffrage amendment needs the vote of one more state for final ratification, but when the legislatures of all the states shall have acted, I feel sure after thorough investigation, it will have several more votes than is necessary. The practical question which now confronts us is, therefore, not whether women shall be accorded the privilege of full and equal suffrage, but when shall they be permitted to enter into the enjoyment of these privileges. Shall it be today or not until tomorrow; shall it be this year or not until next year; shall it be in the impending elections or not until the next succeeding elections? Manifestly this situation presents a pure question of policy and should be dealt with without embarrassing reference to individual claims as to the wisdom or unwisdom of woman suffrage as an original proposition. While it will not be in the power of North Carolina to determine at its option whether women shall or shall not vote, circumstances seem to have placed in the state's power the option of determining whether that privilege shall be accorded them in this year's or postponed until next year's elections. I do not wish to discuss the political aspects of this matter further than to say that, while Republican and Democratic leaders have generally conceded the inevitable ratification of the amendment, there is a persistent belief that Republican leaders fear the effect of women's participation in this year's elections, while Democratic leaders believe their participation will be to the advantage of the Democratic party. However that may be, it is certain that two great questions, each of vital nation-wide import, both of which in their higher human aspects concern women more deeply than men, will be involved in this year's elections, and upon those questions it is believed women would naturally sympathize with the attitude of the Democratic party.

Moreover, if women are allowed to vote this year their affiliation in the approaching elections will largely determine their future alignment in politics.

### PROMINENT DEMOCRATS WANT WOMEN'S VOTES COUNTED IN.

"The Republicans are committed to the principle of woman suffrage. The Democrats are committed to the principle. It is just a question now of the method by which you get it. You cannot prevent giving women the right to vote. It is too late now for any man, belonging to either party, to doubt the wisdom of women voting."—Senator Pollock of South Carolina.

"When we see the steady progress the woman suffrage movement has made, that man is justifiably blinded who does not see that continued opposition is arguing against an accomplished fact. The movement on behalf of suffrage is like an elemental force of nature. It moves irresistibly."—Chief Justice Walter Clark of North Carolina.

"I am strongly in favor of prompt ratification of the Federal Suffrage Amendment and I hope that a sufficient number of state legislatures will be called in special session to insure the ratification of the amendment so that the women of our country, in every state, may be able to participate as voters in the presidential election of 1920."—Homer S. Cummings, chairman of the Democratic National Committee.

### Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides it may silitate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

### Built for Long Service and Constant Saving

FURNACES differ as much as people, and we welcome a comparison of the Cahill with other pipeless furnaces. The "insides" of a furnace are what count, and that is where the Cahill excels. The casting are unusually heavy, unusually thick and unusually well fitted and finished. This means that heat is retained longer in a Cahill furnace, that the radiation of heat is greater, less fuel is used, less attention is required, and that cracking and breaking of the vital parts is eliminated. The Cahill castings guarantee greater durability, economy and convenience.

### Cahill Pipeless Furnaces

The Cahill Furnace is the result of 40 years manufacturing experience, and embodies the same manufacturing ideas which have given to Cahill Grates and Fireplace Fittings, an enviable reputation for quality and dependability.
