## CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment. Never attempt to relieve your baby with a remedy that you would use for yourself.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

LARRY SEMON

Larry Semon, whose recent triumphs have impelled reviewers to style him "The New Comedy King," has risen to that coveted place by long training. Each stage in his career acted as a stepping stone to his great achievement. Perhaps he was born under a lucky planet. Anyway, he was fortunate enough to be the son of an actor and received an early training in magic, juggling and acrobatics. He mastered some of these arts before he had finished the third reader. After leaving school he traveled with his father and became more efficient in the art of entertaining. Then followed the period in the newspaper business as cartoonist. This developed his creative ability and prepared him to write his own comedies. It also taught him to forsake the well beaten path and search in the byways for new material. A cartoonist must be original. Thus, Larry Semon is perhaps the best qualified for the title of comedy king. All of his past experiences can be utilized upon the screen. He can resort to thrilling acrobatics where the average comedian is forced to use stunts. He is also adept in training animals and has a cat, monkey and six white mice that play difficult roles in his comedies. During the three years previous to 1922, Albert E. Smith, president of Vitagraph, has agreed to outlay \$3,000,000 on Larry Semon in the production of 36 new comedies. "The Grocery Clerk," which is something different from the usual run of laugh makers, was the first film to be produced under the new contract. "Between the Acts," "Low Down Inn" and "The Head Walker" are some of Larry Semon's comedies that stand out prominently as being in a class by themselves.

EARLE WILLIAMS

"Don't change your company," is the advice Earle Williams gives to young screen players, and then he adds, "providing you are with the right company." Earle Williams is one of the few film players who has never changed his habit from one studio to another. He commenced his career 12 years ago with the Vitagraph star family and has never strayed from the fold. "The Wolf," visualized from Eugene Walter's famous stage play, and "The Fortune Hunter," from Winchell Smith's play, have been the means of emphasizing Mr. Williams' ability and popular attraction recently.

**MR. DODSON WARNS USERS OF CALOMEL**  
Says Drug Acts Like Dynamite on Liver and You Lose a Day's Work.  
There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.  
It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salfate.  
Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.  
Calomel is a dangerous drug. It is mercury and attacks your bowels. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

**Lift off Corns!**  
Doesn't hurt a bit and Freezone costs only a few cents.  
With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.  
A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!  
She writes further: "I am in splendid health... I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

**Health About Gone**  
Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."
