Loss of Appetite.

As a general rule there is nothing serious about a loss of appetite, and if you skip a meal or only eat two meals a day for a few days you will soon have a relish for meals when meal time comes. Bear in mind that at least five hours should always elapse between meals so give the food ample time to digest and the stomach a period to rest before a second meal is taken. Then if you eat no more than you crave and take a reasonable amount of outdoor exercise every day you will not need to worry about your appetite. When the loss of appetite is caused by constipation as is often the case, that should be corrected at once. A dose of Chamberlain's Tablets will do it.

A youth always wishes he were older, and a woman always wishes she were younger.

**Worn Down, Out of Heart**  
*Georgia Lady, Worn-out and Tired, Tells How She Was Helped by Ziron Iron Tonic.*

THE personal experience of Mrs. Nannie Phillips of Powder Springs, Ga., is printed below in her own words:

"I was in a worn-out condition. My stomach was out of order. I didn't sleep well. I was tired all the time. I couldn't half eat, and didn't rest well at night.

"I would get out of bed and blue. I would feel like I was going to be down in bed. Yet I left dragging around.

"We heard of Ziron, and from what I read, I was sure it wouldn't hurt me, if it didn't help me. But after taking it, I found it really helped me, and I sent back for more. I ate better, felt much stronger. I am sure Ziron is a splendid tonic."

Many people, who are worn down and overworked, due to stomach disorders and nervous ills, find relief by toning up their blood with Ziron Iron Tonic. Tell your druggist you want to try Ziron on our money-back guarantee.

**It'll soon be in Museums**  
Calomel loses you a day! You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

**Take "Dodson's Liver Tone" Instead!**  
When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.  
Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

**GREEN FLAG MOTOR OIL**
