Allow no one to deceive you in this. ### What Will Tennessee and North Carolina Do?

The action of the Legislatures of North Carolina and Tennessee on the Federal Suffrage Amendment will win or lose party votes in crucial states where women vote for President. These states are: Wyoming, Colorado, Idaho, Utah, Washington, California, Arizona, Kansas, Oregon, Montana, Nevada, New York, Oklahoma, Michigan, South Dakota, Illinois, North Dakota, Nebraska, Rhode Island, Indiana, Iowa, Maine, Minnesota, Missouri, Wisconsin, Ohio, Arkansas and Texas.

The change of a few votes in any one election district in one of those states may mean the gain or loss of all the electoral votes from that state and the gain or loss of the Presidential election for your party.

In President Wilson's Opinion, "It would be a real service to the party and to the nation if it is possible for you, under the peculiar provisions of your state constitution, having in mind the recent decision of the Supreme Court in the Ohio case, to call a special session of the Legislature of Tennessee to consider the suffrage amendment. About the only large time very seriously." (Circular sent to Governor Roberts of Tennessee, by the President.)

"I am sure I need not point out to you the critical importance of the action of your great state in the matter of suffrage amendment."—President's telegram to Governor Bickett of North Carolina.

From the Governor of Tennessee, "I will call the session in ample time for the women to vote in the 1920 elections."—Governor Roberts. From the Governor of North Carolina, "I will recommend ratification."—Governor Bickett.

### OF VITAL IMPORTANCE TO WOMEN

The Federal Suffrage Amendment is of vital importance to every woman voter in the United States. True, women have full suffrage in fifteen states and are entitled to vote for the next President in fifteen other states, but it is only by final ratification of the Federal Suffrage Amendment that any woman is nationally protected in her voting rights. Let a New York woman cross the North river into Jersey and she loses her full suffrage rights. Let a Tennessee woman move to Alabama and she loses her Presidential and municipal suffrage rights. In 1910 the Democratic party vote represented a gain of from 20 per cent to 25 per cent over the 1914 election.

In woman suffrage states the percentage of gain was from 75 per cent to 125 per cent.

After Wilson's advocacy of woman suffrage, ten woman suffrage states that had formerly been Republican, went Democratic.

After the Democratic senate of the Sixty-fifth Congress turned down woman suffrage, nine of those suffrage states returned Republicans to Congress.

### HOUSEKEEPER NEEDS THE VOTE

Ballot is Necessary to Protect the Home Under Changed Conditions.

### WOMAN'S VOICE IS NEEDED.

Housekeeping today is not what it used to be.

One hundred years ago our great grandmothers spun the cloth and made the clothes for the family. They employed the family labor for a week at a time, who made shoes for the year from leather cured and tanned on the premises. They baked the bread, churned the butter, cured the meat, and made the candles; in short, housed under their roofs all the activities that ministered to the necessities and comforts of the family. Today all these processes are carried on outside of the home. The shoes are made in factories, the clothes go through the sweatshops, the meat is cured by big companies, the bread is made at the bakeries, and the butter comes from the creameries.

Instead of living in houses open on all sides to the sun, we have the tenement house; instead of water directly from a well or spring, we have piped water; instead of the simple problem of letting the small amount of garbage decay in the sun, we have the vast problem of a city's disposal.

All of these matters of food, clothes, housing, water and garbage are subject to legislation. The state has taken the place of the parents. The question of regulation of all of these matters so vital to a housekeeper is one of collective opinion, expressed by the ballot.

### OPTIMISM.

"I see by this paper that a celebrated English doctor says the human family is likely to become a one-toed race," said the pessimist. "Well, that means fewer corns," replied the optimist.

### An Old Fault Finder.

An irritable and fault-finding disposition is often caused by indigestion. A man with a good digestion and bowels that act regularly is usually good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.

### The sting of defeat is felt long after the sweetness of victory disappears.

A Traveling Man's Experience. You may learn something from the following by W. H. Ireland, a traveling salesman of Louisville, Ky. "In the summer of 1888 I had a severe attack of cholera morbus. I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic and Diarrhoea Remedy and to take no substitute. I took a double dose of it according to the directions and went to sleep. At five o'clock the next morning I was called by my only and took a train for my next stopping place, a well man."

### The man who is on the level is often compelled to make an uphill fight.

A Great Remedy. The merits of Chamberlain's Colic and Diarrhoea Remedy are well known and appreciated, but there is occasionally a man who had no acquaintance with them and should read the following by F. H. Dear, a hotel man at DuPuy Mont. "Four years ago I used Chamberlain's Colic and Diarrhoea Remedy with such wonderful results that I have since recommended it to my friends."

### The successful man doesn't boast of what he is going to do tomorrow.

**\$100 REWARD. \$100.** The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder. There is one positive cure now known to the medical fraternity, Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure.

### DODSON WOULD STOP SALE OF CALOMEL

Says Calomel is Mercury and Acts Like Dynamite on Your Liver.

Dodson is making a hard fight against calomel in the South. Every druggist has noticed a great falling off in the sale of calomel. They all give the same reason, Dodson's Liver Tonic is taking its place. "Calomel is dangerous and people know it, while Dodson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist. "Dodson's Liver Tonic is personally guaranteed by every druggist. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back."

Dodson's Liver Tonic is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tonic instead and feel fine, full of vigor and ambition.

### "Felt Like Eating"

Man and Wife, All Run-Down from Farm Work, Were Greatly Helped by Ziron.

"MY WIFE and I, after a hard effort on the farm, were tired and run-down," says Mr. J. B. Mulvey, of House I, Acworth, Ga. "We neither felt well. I knew my blood was bad, as I had little boils on the back of my neck. "We felt we needed a builder. We had heard of Ziron and thought it must be what we needed. It certainly was. We took it faithfully, and after a week or such a matter we began to feel better. My wife felt like eating, and I soon felt like eating. "Ziron sure did us good. It made us both feel stronger and better for the fall work, which everyone knows is 'some work' on a farm. My boils began to dry up, though just at first they seemed worse. "We are much better and can highly recommend Ziron, and gladly do so for it sure did us good." Ziron is a safe, reliable, tonic medicine, good for men, women and children, when an Iron tonic is indicated. It is easy to take and contains no habit-forming drugs. Ask your druggist or dealer.
