This is Battery Inspection Week

Free examination and unbiased advice at Prest-O-Lite Service Stations

DRIVE around to the Prest-O-Lite Service Station this week and let experts give your battery the once-over. Get ready for the motoring season just ahead.

No matter what make your battery is, the service station's job is to examine it and advise you intelligently and honestly. Maybe it doesn't need so much as a drink of distilled water.

Anyhow, it won't cost you a nickel to find out. And now's the time to do that. Some little five-minute adjustment NOW may save you the price of a new battery later.

You are careful to see that your car has gas, oil and water. Don't overlook that equally important element—battery-juice. Every Prest-O-Lite Service Station is a life-extension dispensary for batteries.

When you do need a new battery, you'll be glad to know that Prest-O-Lite is back to pre-war prices and that an allowance will be made on your old battery. Get that examination now.

ICE PRICES

Effective April 1, 1921.

TO OUR CUSTOMERS:

It is our desire to give to the public as much reduction in the price of Ice this year as is possible, and in so doing we have effected a plan whereby it will prove to your good as well as ours.

Beginning April 1st, we will place on sale Ice Tickets at 60c per hundred, these tickets will be sold for cash only. By purchasing tickets you will find it an advantage in several ways. It will have a tendency to make the drivers give you as near as possible the amount of ice asked for. You will also have the correct change at all times which expedite the transaction and thereby allow the driver to get to the next customer sooner, which will be a great help to us as well help us keep a correct check against our Ice at all times.

To our commercial trade we will sell to those who will purchase as ten (10) block tickets and pay for same on delivery at \$1.60 per block, or half block tickets at 90c per half block.

We wish all to understand that the purpose of this reduction is to make an inducement for our patrons to purchase tickets which will be sold for CASH ONLY, and those who do not supply themselves with tickets the following prices will prevail:

It is our desire that our customers get every pound of Ice paid for, and that they have as good service as the prevailing circumstances will permit and if there is any complaint we would appreciate same if you would call our office and report same, in order that we may correct it.

Respectfully,

Weldon Ice Company,

Stomach and Liver Trouble

Lilly, Ky.—"I suffered from stomach and liver trouble. Had 'gassy' stomach and heartburn and had headache most of the time. After each meal I was sick, could scarcely keep anything on my stomach, not even water. I didn't think there was a medicine made that would cure me; but after using Dr. Pierce's Golden Medical Discovery I can eat anything I want and it does not hurt me. I will always praise this medicine."—MRS. LIZZIE FREDERICK.

To the woman who hasn't a cook it is at least a satisfaction to know that she is her own boss.

True, women's clothes still cost a good deal. But then, just think what they have to show for it!

Mr. and Mrs. D. H. Covington left for Richmond, last week, where they will in future reside.

Mr. Jack Vaughan who has been spending a few days with relatives here, left for Fork Union Monday.

Be sure to hear the patriotic program of the Orphans' Class from Oxford Orphanage. It is inspiring.

The fishing season will soon be here, and then for fish muddies, fry and the famous rock head stew.

Mrs. M. J. Jackson who has been visiting Mrs. W. A. Pierce, left for her home in Raleigh, Saturday.

The chap who whines that he was a fool to get married never seems to remember that he was a fool before that.

One of life's inconsistencies—a mouse is afraid of man, man is afraid of a woman, and woman is afraid of a mouse.

The program of the Orphan Singing Class is calculated to make the hearts of all loyal citizens swell with love for their country.

Mrs. Sam Chadwick and little daughter, of Washington, D. C., who have been visiting Mrs. Geo. D. Hawks and Mrs. Alice B. Hudson, have returned home.

Some one has said that there is too much "sex" in the movies. There is too much "sex" in all walks of life, and still we don't know what to do with it—or "them."

DISTRICT CONFERENCE.

The Warrenton District Conference will convene in Weldon on April 5th and will continue in session three days. All the preachers and many lay delegates will be in attendance. We extend a cordial welcome to the brethren and sincerely hope their stay in our little city will be thoroughly enjoyed.

CHILD WELFARE WORK.

Mrs. Clarence A. Johnson, of Raleigh, Director of the Division of Child Welfare work for North Carolina, will speak to the Woman's Club, of Weldon, Monday, March 21st, at 8 o'clock, in the M. E. Church. Every one interested in Child Welfare Work is urged to be present. Mrs. Johnson has a pleasing personality, is a fluent and attractive speaker and is thoroughly interested in the work and knows her subject. We hope a large crowd will be present.

MILLINERY OPENING.

Mrs. P. A. Lewis announces her spring and summer opening on Tuesday, March 22, and extends a cordial invitation to the ladies to be on hand. The whim of brims in the new spring hats are as fickle and as hard to follow as the moods of the fair wearers themselves.

Now they're up with a bit of trimming poised seriously on the brim. Now they're drooping demurely to shade eyes, and follow the line of the sweeping plume that brushes the shoulder. And suddenly there's a brim that tips up and dips down, without rhyme or reason, except that it's more charming that way. Remember the date—March 22nd.

SINGING CLASS.

The concert to be given in the Weldon Opera House by a class of children from the Oxford Orphanage should enlist the sympathetic interest and patronage of all our people. On former visits these children have shown themselves to be well-behaved and well-trained, and the concert is always worthy of patronage. Don't forget the date—March 24th.

GREATLY IMPROVED.

It is with pleasure we note the extensive improvements that have been carried out at the cemetery in the last few months. The committee appointed by the Civic League have certainly been "on the job" and with a little regular attention, the whole place can be kept in an attractive condition. The cutting down the large trees and the surrounding undergrowth has been a special improvement and in our opinion the whole town is indebted to these good ladies for their earnest work.

THE BOOK CLUB.

Mrs. W. T. Shaw very pleasantly entertained the ladies of the Book Club at their regular meeting on Tuesday, March the 8th. The answers to the roll call were quotations from Lowell and Holmes. Mrs. Shaw read a fine paper, "The End of Sectionalism." Mrs. E. H. Smith read the poem by James Russell Lowell, and Mrs. Lee Johnson introduced a very animated discussion of Theodore Roosevelt, "A Typical American," which was enjoyed. After the program, the hostess served a salad course with coffee, &c. The guests of the club were Mrs. F. M. Shamburger and Mrs. Grainger, of Kinston.

HIGH SCHOOL MUSIC CLUB.

The regular meeting of the High School Music Club was held at the home of Miss Margaret Hudson on Elm street Wednesday afternoon March 9th. The meeting was called to order by the president, Miss Louise Farber. Plans were discussed regarding an operetta to be given in April.

An advertising committee was appointed with Miss Margaret Hudson as chairman and Misses Annie Rowe House and Elsie Crew assistants.

The operetta, "The Bargain Hunters" will be given for the benefit of the new piano fund.

The following program was rendered: Piano Solo, (selected) Miss Ellice Bounds. Vocal Trio, "Last Night," Misses Virginia and Annie Rowe House and Miss Elsie Crew. Piano Solo, "Shepherds All and Maidens Fair" (Eitelbert Nerin,) Miss Louise Farber. After the program the members were invited to the dining room where delicious refreshments were served by Mrs. Alice Hudson, assisted by Misses Geo. D. Hawks and Mrs. Tom Anderson.

MEMORIAM.

Covington—In sad but loving remembrance of our baby boy, Douglas Halbert, Jr., who died one year ago today, March 10th, 1920:

There's a little mound in "Woodland,"
Where often we wonder and weep.
There's a dear vacant spot on our pillow,
Where a sweet little face used to sleep.

There were pretty brown eyes, but these slumber,
In silence beneath the dark mould
And the little pet lamb of our home,
Has gone to the heavenly fold.
BY HIS MOTHER AND DADDY.

NOTICE.

The Music Club will meet Friday afternoon at a quarter of four with Mrs. F. A. Cole. All members are requested to attend.
