## How's Your Stomach? and Your Liver?

**Health is Most Vital to You**  
Dunham, N. C.—"As for Dr. Pierce's Golden Medical Discovery which I use constantly, I don't believe there is a better liver medicine made. I use it for headache, stomach disorders and torpid liver. It is not unpleasant to take and does not leave a constipated condition as so many of the liver pills and medicines do. It does its work and leaves one feeling like a new person."—Howard Holden, 1309 Glenn St.  
You can quickly put yourself in A-1 condition by going to your druggist and obtaining this Discovery of Dr. Pierce's in tablet or liquid, or write Dr. Pierce, President, Invalids' Hotel, in Buffalo, N. Y., for free medical advice.

## MEETING OF THE DAUGHTERS

The Daughters of the Confederacy met with Mrs. T. C. Harrison, on Washington avenue. The subject was "Lee" as that was Washington's birthday there was a double celebration.  
The President read a very interesting article from Washington's diary, how he kept his accounts, etc. She also read a letter of thanks from the matron in charge of the Soldiers' Home, thanking for some rugs the Chapter had sent. Mrs. Raleigh Daniel rendered a beautiful solo, "Absent." Mrs. Elliott B. Clark, Miss Virginia Bishop and Miss Florence Allen gave a medley, which was much enjoyed. Mrs. N. J. Shepherd acted as accompanist for the afternoon. Mrs. C. F. Gore read "Stratford," Mrs. R. Rodwell "Sulgrave Manor," Mrs. J. A. Johnston, "The Boyhood of Lee," Mrs. John Zollicoffer, "Washington's Trip through North Carolina," Mrs. C. W. Gregory reported, \$5.57 collected for the Maury fund from the Junior Society. Mrs. Harrison displayed a quilt that was 75 years old that had belonged to her grandfather. It was bright and colors all good.

The hostess rang a bell to call the ladies into the spacious dining room. On the table was a beautiful embroidered table cover. Decorated ribbon was used to form a cross and the veritable cherry tree was used as a centerpiece, the napkins had flags on them. Tea, sandwiches and cakes were served by the hostess assisted by several members. Then cherries moulded of cheese on natural stems were passed. Each guest was given a minia ure United States flag as a souvenir of the afternoon.

## WELDON VICTORIOUS.

On Wednesday, Feb. 22, our high school basketball team went to Scotland Neck and invaded their territory in a listless game, which resulted in a victory for the locals to the tune of 26 to 6.  
This was the first game we have played since our center, Walter Daniel, broke his collar bone. The center came back strong in his old form, getting the tip off his opponent every time in the entire game, except once.  
One of our forwards, Charles Vincent, was not in the game because of a sore finger. His place was taken by the first substitute, Garland Stephenson. The two guards, Walter Sledge and Spruill Mitchell did excellent work in preventing their opponents from throwing but three goals.  
Passing was the outstanding feature of the game on the part of the local quint.  
The results of the game in score follows:  
Field goals, Daniel 8, Garner 4, Stephenson 1, total 26 points.  
Referee—Huggins, of Scotland Neck.  
Our high school can be proud of the best basketball quint she has had in years.  
We have several games yet to be played on the local court. Come out and see our boys in action.  
Bantleboro, a very strong team, will be met on our court Friday, March 10th. Be sure to come out to the game. Tickets 15 and 25 cents.

## DEATH OF MRS. GILLIAM.

At the home of her daughter, Mrs. Sterling Marshall Gary, in Halifax, Mrs. Marie Antoinette Gilliam, widow of late Captain George Gilliam, aged seventy-nine years, Mrs. Gilliam was an alumna of Greensboro College, a devoted member of St. Mark's Episcopal Church, Halifax. She was the daughter of James Wheelbee Mullen and Susan Clark, and was born in Pasquotank county at the old family place near Elizabeth City. She was much beloved in her adopted county and leaves a host of friends to mourn her death.

## TACKY PARTY.

Possibly never in the annals of the social life of the B. Y. P. U., have we had a more enjoyable social than the one given last Friday night at the hospitable home of Mr. and Mrs. C. F. Gore. An old fashioned "Tacky Party" proved to be the most amusing party we have enjoyed for a long time. Almost every one, old and young, were dressed for the occasion and they were "tacky" too. After all guests had arrived, they were invited to quietly and simply, pass through the hall to be reviewed by the judges, who after much consideration, awarded Mrs. W. B. Edwards won the prize for being the most tacky person present.  
The next amusement was the "Portrait Contest," in which partners drew each other. Mrs. C. F. Gore received the prize for drawing the best likeness of Mrs. T. A. Chappell. Indeed, Mrs. Gore is an artist, as every one could at once recognize her drawing as that of her partner.  
Refreshments consisting of candies, fruits, etc., were served.  
We felt ten years younger for having laughed so much. A tacky party is worth while when you want an evening of fun. We need such occasions sometimes to take us from the daily grind of life.

## Found a Cure for Indigestion

"I used Chamberlain's Stomach and Liver Tablets for indigestion and find they suit my case better than any dyspepsia remedy I have ever tried and I have used many different medicines. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to, now," writes George W. Emory, Rock Mills, Ala. These tablets contain no poison but strengthen the stomach and enable it to digest the food naturally.

## Children Cry FOR FLETCHER'S CASTORIA

The Pneumonia Month  
March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When ever cold, no matter how slight it gives prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease, and breeds in the throat. Chamberlain's Cough Remedy is an expectorant and cleanses out the germ laden mucous and not only cures a cold but prevents its resulting in pneumonia. It is pleasant to take. Children take it willingly.

## RESOLUTIONS.

Whereas our Heavenly Father has in His providence has seen fit to take from among us our co-laborer and friend, Mrs. Cora Pair Grant, we wishing to express our love for her and appreciation of her life and character do  
Resolve, 1st. That while we greatly deplore our loss, we submit to the divine will, remembering that our God is "too wise to err and too good to be unkind" and trust in His gracious promises that "all things work together for good to them that love the Lord."  
2nd. That we commend to His fatherly care the loved ones so greatly bereaved and ask for them His sustaining grace in this their time of sorrow and distress.  
3rd. That we wish here to express our love for our sister and appreciation of her interest and help in every good work of the Missionary Society from childhood up and feel that while she "rests from her labors, her works will follow her."

## THEY KEEP POSTED.

The average farmer in this part of the country keeps well posted at all times concerning the markets. Let cotton and peanuts go up a few cents and its like dropping a rock in a still pond of water. They all find it out, somehow. Last week cotton and peanuts went up and at once the farmers got busy, rushing their produce to market. We had no idea there was so much cotton and so many peanuts in the country. Truck load after truck load, wagon load after wagon load. Some days it looked like a circus parade, going by. We would like to see cotton sell for 25 cents a pound just to see how much would be rushed to market. Some of the bales grown gray with age, would once more see day light.

## ROMANCE.

Our lips met.  
For a long, swooning eternity time and space were not. An elusive fragrance, sensuous as a moon-filled night east of Suez, held me in thrall. I drank deeply—ah, this was living—then with a shudder of repugnance I drew back.

NEXT DOSE CALOMEL  
MAY SALIVATE YOU  
It is Mercury, Quicksilver, Shocks Liver and Attacks Your Bones.  
Calomel salivation is horrible. It swells the tongue, loosens the teeth and starts rheumatism. There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel. It is a pleasant vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and cannot salivate.  
Calomel is a dangerous drug, besides it may make you feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No salts necessary. Your druggist says if you don't find Dodson's Liver Tonic acts better than treacherous calomel your money is waiting for you.

## THE MAN WHO LOOKS VIGOROUS

Good red blood is the only sure foundation of Permanent Health and Vigor.  
Good color, bright eyes, solid flesh, erect bearing are dependent upon rich red blood. If your blood is not up to the mark your general health cannot be. Late hours, eating the wrong foods, working hours, fatigue, affect the blood. So many people eat well and take exercise, yet never seem to improve in health. Gude's Pepto-Mangan taken regularly for a while gives the blood that richness and robustness that produces bounding health and vigor. It is a simple, natural way to get well and strong. Gude's Pepto-Mangan comes in liquid or tablets—at your druggist's—Advertisement.

## THE MAN WHO LOOKS VIGOROUS

Good red blood is the only sure foundation of Permanent Health and Vigor.  
Good color, bright eyes, solid flesh, erect bearing are dependent upon rich red blood. If your blood is not up to the mark your general health cannot be. Late hours, eating the wrong foods, working hours, fatigue, affect the blood. So many people eat well and take exercise, yet never seem to improve in health. Gude's Pepto-Mangan taken regularly for a while gives the blood that richness and robustness that produces bounding health and vigor. It is a simple, natural way to get well and strong. Gude's Pepto-Mangan comes in liquid or tablets—at your druggist's—Advertisement.
