The box sheet for the Concert to-night is pretty full and with many it will be either stand up or miss a treat to-night.

Whiskey seven years in a cask will lose its fusil oil, and a cask seven hours in some places we know would lose its whiskey.

A large hog's hide was found in the lower end of Thompson's alley this morning by Detective Carr. Who lost their pork last night?

The report shows that the corn crop of the South for the year that has just expired is ten millions of bushels in excess of the year preceding.

As we go to press the remains of Mr. Martin are being taken to their last resting place at Oakdale, followed by a large concourse of sorrowing friends.

Strangely enough, we neglected yesterday to state among the other positions of honor and trust held by Mr. Martin, that he was at one time President of the Wilmington, Charlotte & Rutherford (now Carolina Central) Rail Road.

Ticket for Aldermen.
The following ticket is put forward as the result of a careful canvass among the residents of the city, viz.:

First Ward—J. S. Ives, J. H. Strauss.
Second Ward—A. Aldermen, J. F. Divine.
Third Ward—A. Martin, James Sprunt.

Fourth Ward—Dr. W. W. Harris, H. Brunnhill.

Fifth Ward—Wilkes Morris, D. Steljes.
It is understood that a bill is to be drawn up having the above gentlemen for Aldermen and sent to the Legislature with the request that it be made a law by that body.

The Concert To-Night.

It is unnecessary to urge upon any one to attend the Concert to be given to-night for the benefit of the Orphans, as the box sheet at Heinsberger's Music Store indicates that everybody has made up his mind to go without any urging.

Recovering.

We are pleased to learn that Capt. Green, of the steamer North State, who was injured a few weeks since by the collision of his boat with a vessel in the river, has nearly recovered from the injuries sustained then and will soon be on duty again.

Haverly's Minstrels.

There was a very fine audience present last night at the performance given at the Opera House by Haverly's New Orleans Minstrels, and we believe that all who were present agreed in the assertion that it is one of the best, if not the very best, Minstrel show which has ever visited this city. The performances were chaste throughout, the music was excellent and the witticisms new and laughable.

The Thermometer.

From the United States Signal Office at this place we obtain the following report of the thermometer, as taken this morning at 7:31 o'clock:

Augusta, 43; Charleston, 44; Cincinnati, 21; Jacksonville, 56; Key West, 75; Knoxville, 31; Lynchburg, 33; Memphis, 30; Mobile, 45; Montgomery, 46; Nashville, 35; New Orleans, 55; New York, 26; Norfolk, 34; Pittsburg, 10; Savannah, 49; St. Louis, 10; Washington, 25; Wilmington, 39.

The Tax Payers.

The meeting of tax payers called at the Court House last night was largely attended and a proportionate interest was manifested in the object with which the meeting was called. The following is an official report of the proceedings:

On motion of Col. J. W. Atkinson, Dr. A. J. DeRosset was called to the Chair, and DuBrutz Cutlar, Esq., was requested to act as Secretary.

Captain I. B. Grainger was called on as one of the Board of County Commissioners to make the report of the finances of the county, which the meeting was called to hear.

He reported accordingly, outstanding indebtedness of the county to be as follows, viz:

The bonded debt about	\$35,000 00
Outstanding warrants audited	\$31,289 51
Accounts to be audited	3,662 60—\$31,952 11
	\$69,952 11

Of the unbonded debt, \$25,000 is in the hands of twelve or fifteen persons, whose names were given; the remainder is scattered, and in the hands of persons unknown.

Capt. Grainger stated that the present amount required for county purposes, if the expenditures continue as heretofore, is \$50,000, whereas the taxes received during the last year was only \$23,000, not including about \$6,000 laid aside for a sinking fund.

He then went into the list of last year's expenditures, and showed how it was proposed by the commissioners to reduce the expenditures for the first nine months to \$22,000.

Capt. Grainger then stated that the Finance committee would suggest that the Legislature be requested to authorize the issuing of the bonds of the county to its creditors, to be issued at par, to run for ten years and draw 6 per cent, interest, and requested the appointment of a committee to investigate county affairs.

Dr. Bellamy offered the following resolution, which was carried:

Resolved, by this meeting, That Henry Nutt, A. H. VanBokkelen and Joseph McLaurin are hereby appointed a committee in behalf of the tax-payers of New Hanover county, to examine into the expenditures of the county officials, to discover where the leaks are that have well nigh ruined us and threaten to engulf us completely if not soon stopped; and report the result at an adjourned meeting; called by them, to the tax-payers and citizens of the county, with the request of this meeting that Messrs. Worth, Grainger and Wagner cooperate with and aid them, as far as possible, in their investigations.

This resolution was amended so as to authorize the appointment of a committee of three by the Chair.

The following gentlemen, at the suggestion of the meeting, were thereupon appointed by the chair to constitute said committee: W. L. DeRosset, Edward Kidder, H. Nutt.

As the Charlotte Observer says, the weather has moderated considerably.

More Burglary.

A burglarious attempt was made yesterday morning at the residence of Mrs. Fleet on Front, between Orange and Ann streets, by entering through a window opening on the piazza in the rear of the first floor. The rascal was heard and one of Mrs. Fleet's sons went out on the piazza above and succeeded in getting a shot at the man as he ran off but he does not think that he hit him.

Col. Robert Strange.

We regret to learn that between the hours of 1 and 2 to-day, while pleading a case before his Honor, Judge McKoy, Col. Robert Strange had quite a severe attack of paralysis extending all along the right side of his body. He was conveyed to his residence and medical aid was summoned. We are unable to ascertain how he is resting up to the hour of going to press, but trust the attack is not as severe as the anxiety of his friends lead them to think.

Teatotalism.

The tea drinking community (and who is it that don't imbibe?) are invited to the very attractive advertisement of Messrs. C. D. Myers & Co., which made its first appearance in yesterday's issue. These gentlemen are sole agents for the sale, wholesale and retail, of the He-No tea which is both pure and cheap. We have tested it ourselves and know that it is good. To Those That Take Tea in Theirs This Tea Totalism is The Thing.

First Ward Meeting.

Pursuant to notice a meeting of the citizens of the First Ward was held last night, when the following proceedings were adopted, which will themselves explain the object of the meeting:

Resolved, That the committee having in charge the matter of reform in the city government, did exceed its powers, when with the Executive Committee of the Central Club its action was made final as expressing the voice of the Democratic citizens of Wilmington.

Resolved, That the Democratic-Conservative party expect nothing, and ask nothing of the party now unlawfully in possession of the city government.

Resolved, The any election held at this time will only result in continuing in power the party now in possession.

Resolved, That under the amended Constitution we believe the Legislature has the power to appoint a Board of Aldermen for the city.

Resolved, That a committee of five be elected by ballot by this club, to meet corresponding committees from the other clubs of the city, to take measures for altering or amending the city charter so as to have the Legislature appoint a Board of Aldermen for the city, said board to have the power of electing a Mayor and all subordinate city officers.

Resolved, That this club elect two citizens to be appointed Aldermen.

Resolved, That we invite the co-operation of our fellow Democrats of all the ward clubs in the city.

Fifth Ward Meeting.

At the meeting held in the Fifth Ward last night the following resolutions were adopted and have been furnished us for publication:

Resolved, That the recent action of the Executive Committee of the Central Club, does not reflect the wishes of the citizens, or of the Democratic Conservative party of the Ward.

Resolved, That all we ask or expect of the usurping party now in possession of the City Government, is that they "step down and out."

Resolved, That the election proposed to be held in March, will only result in continuing in power that party which we labored so hard to defeat in the recent election.

Resolved, That the only safe, and sure way of bringing about the desired reform in the City Government, is through the power secured by the amended State Constitution.

Resolved, That a committee of three from this Club be appointed to meet with corresponding committees of the other Democratic Clubs of the city, to take the necessary steps to amend the Charter of the City, so that a Board of Aldermen can be appointed by the Legislature or Governor, instead of by an election. Said Aldermen to elect one of their number as Mayor and to elect all other city officers.

Resolved, That this Club select two suitable persons for Aldermen to be named for such appointment.

Resolved, That any action taken by the City Central or General Committee must be referred back to the ward clubs for their approval or rejection.

Resolved, That if no other ward clubs take action to suit our wishes that we send a copy of these resolutions to the Legislature through our Secretary of State, Maj. Engelhard, as being the desires of the Fifth Ward and signed by members thereof.
