Cat's eye jewelry is very fashionable among the rich. The cat's eye stone is rare, new, and consequently a very expensive stone.

And now comes a Boston woman who, to out-do her fashionable sisters with their twenty-button gloves, has invented and wears forty-button stockings.

**The Latest in Slippers.**  
The newest kid slippers for ladies are a kind of sandal, with three straps buttoned across the foot, and each one ornamented with bows of the color of the dress, or with black velvet bows and steel buckles.

**Defunct Dog.**  
A large dog sprung at a gentleman passing along Chestnut street, night before last, and on yesterday morning the dog was found cold and stiff in death. Who has lost a wild beast, alias yard dog?

**Change of Schedule.**  
On and after Sunday the day mail and express train on the W. & W. Railroad will leave Front street depot, Wilmington, at 9:05 A. M. and arrive at 7 P. M. The night mail and express train will leave Front street depot, Wilmington, at 5:40 P. M. and arrive at 12:00 M.  
The night express train on W. C. & A. R. R. will leave Wilmington at 7:20 P. M. and arrive at Wilmington at 8:45 A. M. and the daily through freight train will leave Wilmington at 2:30 P. M. and arrive at 9:30 A. M.

**More Damage.**  
The storm on the Sounds was very severe in destroying boats, fences and a great many grape vines. On Masonboro Sound small houses were blown over and some very fine surf boats destroyed. A new boat, the property of Dr. Anderson, was very badly damaged by the overthrow of the boat-house in which it had been housed for the winter.

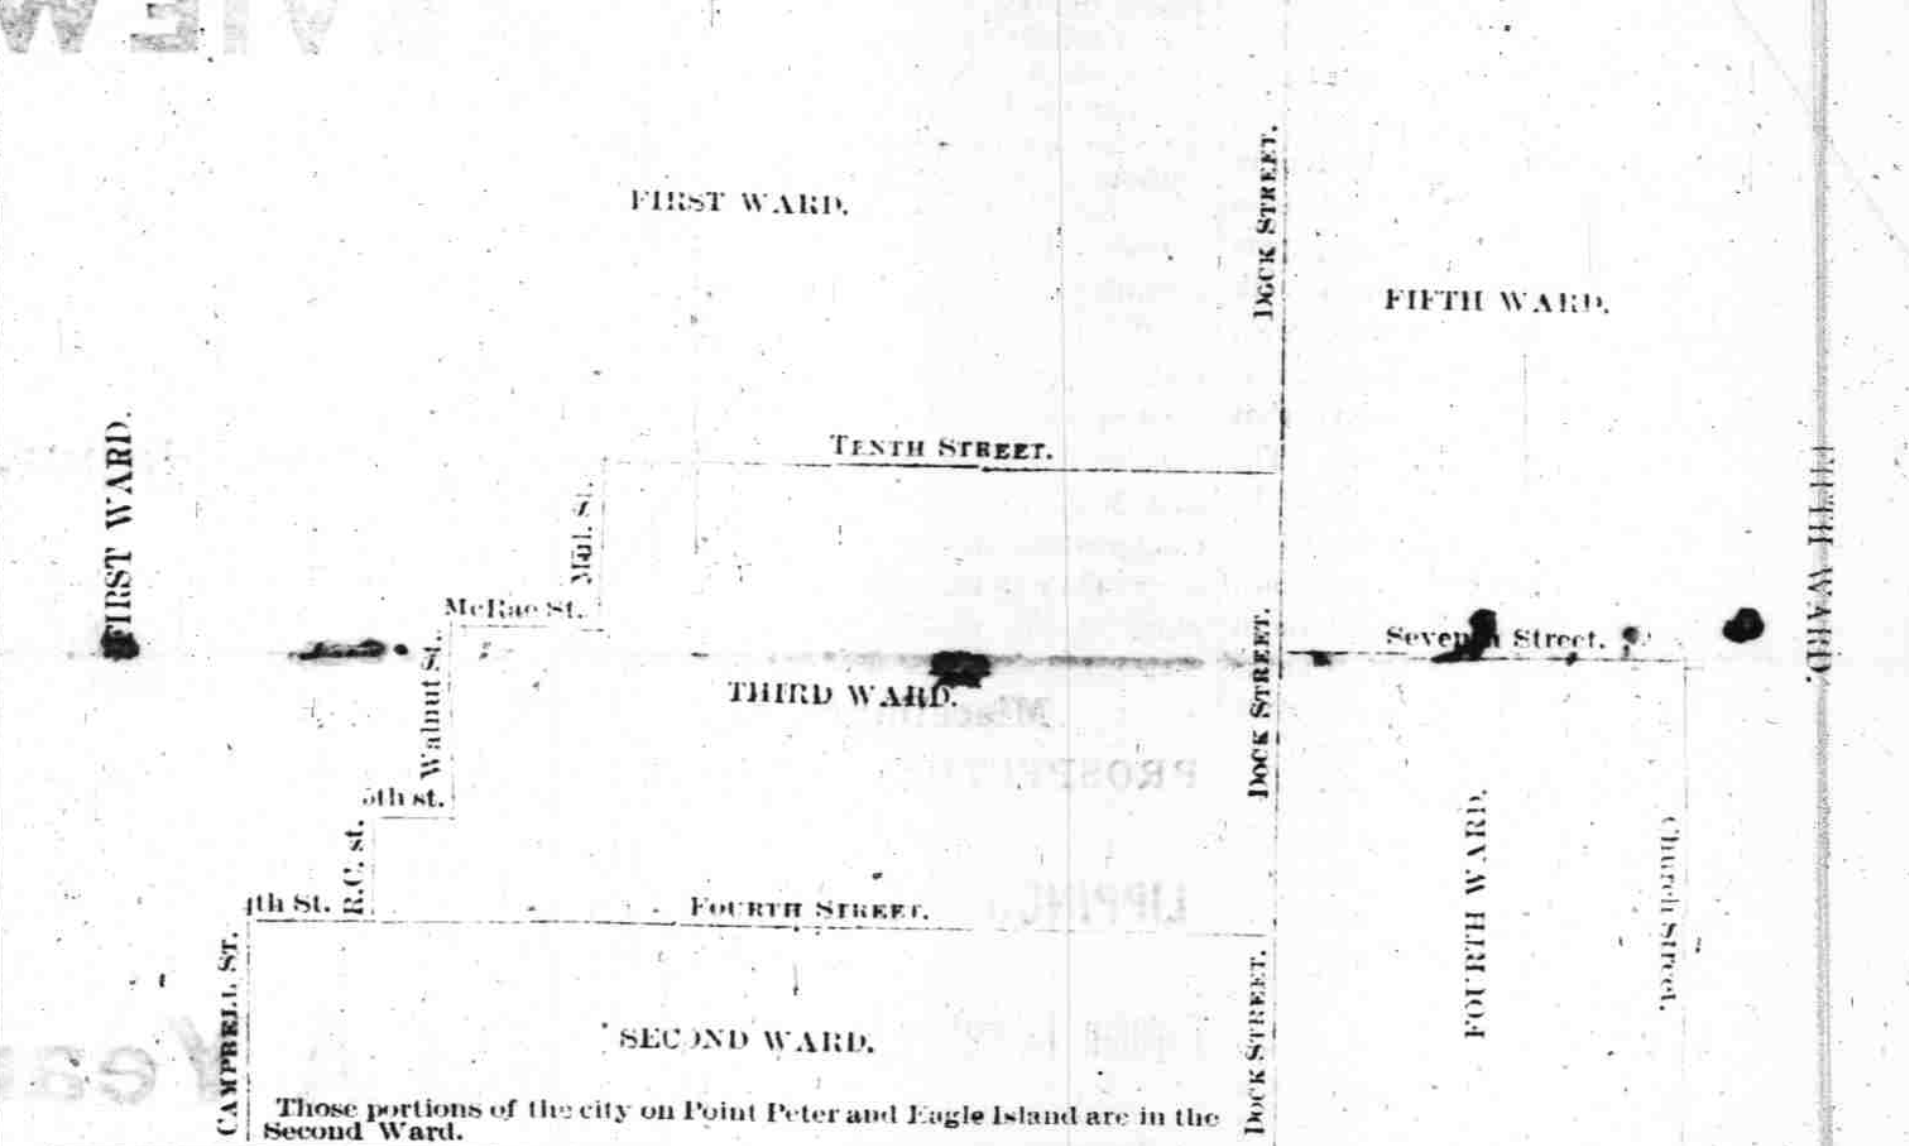

**Quick Time.**  
The new schedule on the Wilmington & Weldon R. R. which goes into effect to-morrow, is the quickest ever run in North Carolina. From Wilmington to Weldon, 162 miles, the day train will make the run in 6 hours and 40 minutes or at the rate of 25½ miles an hour, while from Weldon to Wilmington it is made in 7 hours and 10 minutes. The only stoppages made by the day train are at Magnolia, Goldsboro and Rocky Mount.

**This Morning's Fire.**  
The alarm of fire which was sounded about 1 o'clock this morning was caused by the burning of two dwelling houses and a store on Fifth street, between Queen and Wooster. The fire caught in the store which was occupied by Mr. George Schutte, who lost his entire stock. The store house belonged to Col. Roger Moore. The dwelling houses were occupied and owned by Messrs. B. R. and Joseph King. These latter were not insured, but Mr. Schutte had insurance in the Liverpool, London & Globe, Jno. W. Gordon & Bro., Agents, for \$800.

**Duprez & Benedict.**  
This justly celebrated minstrel troupe will give one of their delightful performances in this city on next Saturday evening. They have been playing to large houses in Baltimore, Richmond, Petersburg and Norfolk, and we are assured that the troupe is even stronger than when they last appeared in our city. The Baltimore Gazette, of a recent date, says of their appearance in that city:

Duprez & Benedict's minstrels appeared before a good house at the Academy of Music last night. Their songs were well rendered and their jokes generally new which is saying much for the average minstrel budget. The opening performance was followed by a burlesque entitled "The Black Berry Cavalry," which elicited roars of laughter. This cavalry is modeled after nothing that was ever seen, and though good of its kind, would scarcely do to introduce into our army. The musical farce of "Robinson Crusoe" and the act entitled "A Night in a Dissecting Room" were funny beyond description. There are some excellent solo singers in the troupe, and the repertoire is selected with a view to please the popular taste. Mr. George Edwards, in his "Band-Joe-Su-Lows" is a whole mine of fun, exploding with startling frequency and astounding effect. Messrs. Fox and Ward do some good clog-dancing, and the "One Night in a Medical College" completes an excellent bill of negro minstrelsy. This afternoon, and to-night, finish a short and very successful season.

## NEW WARD LIMITS OF THE CITY OF WILMINGTON.

**The Thermometer.**  
From the United States Signal Office at this place we obtain the following report of the thermometer, as taken this morning at 7:31 o'clock:  
Augusta, 30; Charleston, 31; Cincinnati, 30; Jacksonville, 38; Knoxville, 76; Lynchburg, 57; Memphis, 24; Mobile, 34; Montgomery, 30; Nashville, 20; New Orleans, 40; New York, 23; Norfolk, 27; Pittsburg, 72; Savannah, 33; St. Louis, 78; Washington, 20; Wilmington, 29.

**The First Term.**  
The new Criminal Court will go into operation within a few weeks. The first term under the act will be held on the first Monday in April, the 2nd of the month, and will continue for two weeks, unless the business before the Court is disposed of in less time than that, which is hardly probable. We understand that the criminal cases in process for the next term of the Superior Court will be transferred to the Criminal Court, in which case it will be necessary to issue new summonses to the witnesses.

**Stolen Goods Recovered.**  
It will be remembered that the residence of Col. C. L. Griffin, on the corner of Sixth and Market streets, was burglarized about two months ago and a memorandum book containing notes, checks and accounts, was carried off by the thieves. There was no clue as to the perpetrators of the crime and no doubt Col. Griffin had given up all hopes of recovering his property, useless as it was to others, but to him of considerable value. Yesterday the book was picked up in a ditch, near the Union Depot by a colored man, and handed to a gentleman living across the railroad with instructions to hand it over to the proper authorities if it was of any value. The Chief of Police has the book, which contained one note of \$100, check for \$500, payable to order, and one draft of \$18 75. The book and contents are thoroughly saturated and cannot be used again, but the accounts which are not entirely obliterated may be deciphered by Col. Griffin.

## Off on a Float.

The old wooden dummy clock which has hung for so many years in front of the jewelry store of Messrs. T. W. Brown & Sons, on Market street, and which has creaked in the gales for more than one generation of men, was found yesterday morning in the dock at the foot of Market street. It had been "swept from its moorings and borne off on the flood" but will live to do duty again and perhaps for a generation yet unborn.

**The Charlotte Firemen.**  
The Charlotte Observer says: Notwithstanding the disagreeable weather of yesterday, a number of persons were out to witness the attempt of the Pioneers to pull their engine two hundred yards, reel off a hundred feet of hose and throw a stream of water one hundred feet, in two minutes time. The company not only succeeded in making the time, but even surpassed it, going through with the whole performance in one minute and three quarters, and this too under some difficulties. The regulations allow eight men to every thousand pounds, while yesterday afternoon there were only twelve men to the engine, which is 4,500 pounds, and eight men to the reel, 2,600. This is therefore said to be the best time on record.

The Pioneers are all strong and active young men. We venture to say that there is not a more efficient company anywhere. In fact the city has reason to be proud of its whole fire department which will compare favorably with that of any other city in the South.

**Editor Review.**  
Will some gentleman be kind enough to explain to the public why the names of Owen Fennell, Jas. Alderman, J. W. Strauss and — Morton, were dropped from the list of Magistrates sent up from their respective Wards, and Joe Hill, J. C. Smith, Anthony Howe, and others substituted?

**Pro Boxo Publico.**  
Mr. Editor:—There has been a general feeling throughout the city that the Ward Clubs were the proper agencies through which nominations should come. These clubs met and sent in nominations for magistrates. The Legislature, in deciding to appoint some Radicals, (in return, we suppose, for numerous favors these Radicals have bestowed on Democrats in allowing them to stay out in the cold,) dropped some Democrats and in doing so not only substituted Radicals, but Democrats, and some Democrats are dropped who claim to be and are considered by the party to be as good and true in all respects as those substituted. What for? This question wants a solution. What influence has been at work? We should like an answer.

**Wonderful Success.**  
It is reported that Boschee's German Syrup has, since its introduction in the United States, reached the immense sale of 40,000 dozen per year. Over 6,000 Druggists have ordered this medicine direct from the factory, at Woodbury, N. J., and not one has reported a single failure, but every letter speaks of its astonishing success in curing severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs. We advise any person that has any predisposition to weak Lungs, to go to their Druggists—and get this Medicine, or inquire about it. Regular size, 75 cents. Sample Bottle, 10 cents. Two doses will relieve any case. Don't neglect your cough.

In this age of education and general intelligence, the household is hardly complete without a Cornish & Co. Piano or Organ. Read the advertisement in another column, and then send for illustrated catalogue and price list.
