The New City Appointments.

Capt. Cowan will not enter upon the duties of his office until next Tuesday, though his appointment will date from yesterday.

By next Tuesday all the appointments for the new city government will have been made and the Mayor proposes then to swear all in at the same time, so until then the present officers will continue in office.

The days are now at their longest having lengthened about five hours.

Police.

It is to be hoped that the greatest care and pains will be exercised in the selection of persons who are to comprise our Police. None but good, reliable, honest, faithful, sober and competent men should be entrusted with the duty of preserving the peace of the community and of watching over the interests and property of our citizens, especially while they are at slumber.

For several years past men have been given positions on the police force more for their partisan zeal than for their honesty and competency, and hence we find that in several instances policemen have been convicted by our courts of robbing the premises they were placed to watch and paid for watching, and at the present session of the Criminal Court a policeman has been convicted of larceny who several years ago was publicly whipped at the whipping-post in this city for a similar offense. Now is it unjust to suppose that as the first offense was committed here and the punishment also inflicted here that some at least of the Board of Aldermen who bestowed this responsible position upon this criminal must have been aware of the crime he had previously committed? Bad, dishonest and incompetent men having been retained on the force for years have caused our citizens generally to lose confidence in that force or arm of the law. Great care and prudence should be manifested in the selection of the new corps or force, and the confidence of our citizens thereby restored. None but competent, responsible and good men should be appointed, and their characters well enquired into, as any one can get signatures or recommenders to his petition as most persons do not have the courage to refuse applications of this character. We would also advocate the idea of requiring the successful candidates not only to prove a good character but also to appear before the board or a committee and manifest by examination their capacity for the positions for which they have been selected, and also to forbid officials of the city by virtue of their offices from contracting debts all over the city which they disregard and which is calculated to bring discredit or dishonor upon the force.

Meeting of the Board of Aldermen.

The Board of Aldermen convened yesterday afternoon at 4 o'clock to receive the report of the committees appointed at their last meeting to consider applications for police positions, Clerk of the Market, Janitors, &c. His Honor, the Mayor, and all the Aldermen were present.

As soon as the meeting was called to order, Alderman Flanner rose to a personal explanation. He simply wished to state that he was in error in stating at the last meeting that the city had eight detectives employed. The fact was, that there had been as many as eight, but they were not all employed at the same time. He had been led into this error by a misinterpretation of a communication received from the Board of Audit.

Alderman King moved the Board go into secret session. Alderman Bowden seconded the motion. Considerable discussion ensued. Question was called for. Motion put and lost.

The committees appointed to examine and recommend suitable names for the different offices, made their reports, which were received.

Alderman Flanner then moved that the Board go into an election for Clerk of the Market. Carried.

Alderman Hill moved to reconsider the vote by which the Board refused to go into secret session. Another discussion ensued, but the motion finally prevailed, when the Court-room was cleared and the Board went into secret session.

We learn that Alderman Flanner's former motion was then acted upon, and the Board proceeded to an election for Clerk of the Market, with the following result:

1st Ballot—J. J. King, 3; L. M. Williams, 2; W. A. Green, 4; W. L. Jacobs, 1.

All but the three highest names were then dropped, when another vote was taken.

2d Ballot—J. J. King, 2; W. A. Green, 3; L. M. Williams, 3; W. H. Green, 1. No election.

Alderman Flanner moved to drop all but the two highest names. Carried.

Third Ballot—L. M. Williams, 5; W. A. Green, 3.

L. M. Williams was then declared duly elected.

The next office balloted for was that of Day Janitor. J. Dickson Poisson, who was nominated by Alderman Myers, was unanimously elected on the first ballot.

The ballot for night Janitor resulted as follows: J. W. Wigg, 4; Wm. Phinney (colored), 5. Wm. Phinney was declared duly elected.

City Messenger was the next position balloted for, which finally resulted in the election of W. W. Mintz.

Alderman Flanner, as Chairman of the Committee on Police Appointments, asked if the Board would elect the health officers or leave their appointment to the Mayor and City Physician? The Board decided to elect.

Alderman Foster offered a resolution that one half of the police force be black and the other half white men, and that there should not be any increase of the police force on account of a depleted treasury and the heavy burden of the present taxation.

The resolution secured Mr. Foster's vote in support of it, and was lost by only eight votes out of nine.

On motion of Alderman Flanner, it was decided that the police force should consist of 2 captains, 3 sergeants and 35 privates.

Alderman Hill wanted 1 captain, 1 sergeant and one half of the privates colored men.

The Rev. Alderman King seconded the motion.

Alderman Myers asked the very pertinent question: "How many Democrats were on the present force?" Echo answered nine.

Alderman Flanner moved to go into an election for the officers of the police force. Carried.

The Board then balloted for Day Captain with the following result: John Cowan, 7; J. Fitzgerald, 1; S. Sotherland, 1; E. G. Barnitz, 1.

As there were 10 ballots put in the hat and only 9 members voting, the Mayor having decided not to vote, this ballot was thrown out and another taken, which resulted in the election of Capt. John Cowan, who received eight votes out of the nine that were cast.

The vote for Night Captain, which was next in order, was as follows:

1st Ballot—E. G. Barnitz, 4; R. McKenzie, 4; J. Fitzgerald, 1. No election.

2d Ballot—E. G. Barnitz, 4; J. Fitzgerald, 3; R. McKenzie, 1. No election.

3d Ballot—R. McKenzie, 2; E. G. Barnitz, 2; E. G. Barnitz, 2. No election.

4th Ballot—J. Fitzgerald, 2; R. McKenzie, 3; E. G. Barnitz, 4. No election.

5th Ballot—L. Nixon, 2; E. G. Barnitz, 1; J. Fitzgerald, 5. Fitzgerald was declared elected.

The three police sergeants were selected on the first ballot as follows: J. H. Savage, J. J. Forest, C. C. Taylor.

Alderman Foster moved an election of four health officers, to be reduced at the discretion of the Mayor. Carried.

F. M. James, Mingo C. Hill, (colored), J. M. King and Sam Howland were elected on the first ballot.

On motion of Alderman Myers, the Board then adjourned to meet Monday evening, the 18th inst., at 4 o'clock.

Criminal Court.

The following cases have been disposed of in this Court since our last report:

State vs. Rebecca Kelley, *alias* Bradley, for larceny and receiving stolen goods. Guilty.

State vs. Lucy Wright, *alias* Lucy Nixon, for larceny. Guilty.

State vs. Robert Ellerby, for larceny. Guilty.

State vs. Richard Nixon, for larceny. Defendant found guilty of receiving stolen goods.

State vs. Wm. Buchanan, John Sauls, Benjamin N. Filyaw, John Long, Moses Devine, Peter Satterfield, Samuel C. Nixon and John Dyer, charged with constituting themselves an unlawful assemblage in disturbing a religious congregation.

We understand that application will be made to the Board of Aldermen for the restoration of the old Armory room at the City Hall to the purposes for which it was originally designed. If this is done, the intention is to use it as a joint armory for the Wilmington Light Infantry, the Cape Fear Light Artillery and the Whiting Rifles, while it is proposed to erect some cheap but substantial buildings in the rear of the City Hall for the storing of the guns of the artillery. It will be remembered that this Armory room was handsomely fitted up by the Wilmington Light Infantry, prior to the war, at their own expense, and that they were unjustly deprived of it when the Republicans came into power here. It is hoped that the Board of Aldermen will accede to the request, as the room can easily be spared without interfering in any way with the administration of the city affairs.

A Mysterious Affair.

The body of a white child, apparently but a few hours old, was found this morning on the portico of Mr. John D. Woody's residence, on Fourth street, between Market and Princess. The discovery was made by Mr. Woody about 6 o'clock as he started out to market. The body was wrapped in some old clothing. Mr. Woody immediately notified the Chief of Police, as also the Sheriff, and Coroner Hewlett held an inquest during the forenoon. There were no marks of violence on the body and nothing to indicate whether the child was dead when placed there or had since died. The jury returned a verdict of death from causes unknown.

A good stage coach will run daily between terminus of the road and Hendersonville and the accommodations at these points are very good.
