The Pope's Illness.
LONDON, Sept. 8.—The Standard's special front Rome says: "The condition of the Pope's health is not so good as it has been for some time past. His limbs are partially paralyzed, but no immediate danger is apprehended. He resumed audiences on Thursday. The Liberta asserts that the Nuncios have been instructed to inform the Vatican as to the prevailing opinions relative to the next Papal election in the various countries to which they are accredited."

Gen. Grant in Scotland.
LONDON, Sept. 8.—Gen. Grant was enthusiastically received at Wick yesterday. On being presented the freedom of the city, the General said: "During the eight years of my Presidency it was my hope, which I am glad to say was realized, that all differences between the two nations should be healed in a manner honorable to both. In my desire for that result it was my aim to do what was right, irrespective of any other consideration whatever. During all the negotiations I felt the importance of maintaining friendly relations between the great English-speaking peoples, which I believe to be essential to the maintenance of peace and principle throughout the world."

Hayes in Ohio.
MARIETTA, Ohio, Sept. 7.—The soldiers of the reunion were early on the streets to-day. Heavy loaded special trains from Cincinnati and Athens arrived at 9 o'clock, bringing about a thousand persons. On the Cincinnati train were Mayor Moore and the committee to arrange with President Hayes for his visit to that city. At 10 o'clock the commandant of the camp, with the committee took a special train to meet the de facto President at Parkersburg.

At noon a train bearing the de facto President, Gen. Key, Gen. Devens, Mrs. Hayes and two sons, Rutherford and Birchard, arrived. A concourse of citizens and visitors, numbering 15,000 or 20,000, welcomed the party at the depot. The guests were conducted to carriages in waiting and escorted to the head of a procession, where they were received by veterans of the Thirtieth Ohio Volunteer Infantry, who, with other veteran soldiers in line, numbered nearly one thousand. About a dozen companies of State militia and citizens made up the procession, which consumed about an hour in marching through the principal streets. Gen. Duval occupied a seat in the carriage with the de facto President. When the procession returned to the starting point the Presidential party went to Gen. Smith's residence for lunch.

On account of the delay at lunch the President and party did not reach the park until nearly 4 p. m. In the meantime the concourse of people about the stand had swelled to enormous proportions, estimated at 20,000 to 30,000. In sight of a perfect sea of human faces, Mayor Palmer delivered the reception address.

September mullets are fashionable now. Cool enough for blankets this morning. Judge Moore was in the city yesterday. Scuppernon grapes are selling at \$1.40 per bushel. Summer vegetables are getting scarce in the market. Burr's Oceanicon exhibits in Charlotte to-morrow night. Twenty-two bales of cotton of the new crop sold here to-day. Only a few of the Summer refugees have yet returned to the city. Very few of the lawyers of this city are in attendance at Columbus Court.

"Inquirer" is informed that the milk punch is not an article used to detect dishonest milkmen. A few fine oysters in the shell, have found their way here this season. They were held at \$1 a bushel. Shrimps have sold here this season as low as 10 cents a gallon, which would be about 80 cents a bushel. There is a good demand for alfalfa seed. Why don't some of our country friends who raise these seed advertise them. Capt. W. S. Norment has so far recovered as to be on the streets. He will attend to his duties at Columbus Court. We offer a chromo for a snake story. No snake under thirty feet entertained. All stories must be reduced to writing.

The new moon shone a little while last evening. Only four weeks more of holiday for the young folks. Every body is happy over the improved business prospects.

Regular meeting this evening of the St. George & St. Andrew's Society. Stores and warehouses for rent by Messrs. DeRosset & Co. See advertisement.

The Board of County Commissioners are in session this afternoon as we go to press. A very important meeting of the Cape Fear Light Artillery is to be held this evening.

The easterly winds have brought with them very high tides. The water came up in the streets at the Market dock this morning. Where is the grasshopper? Where is the 'tater bug? Where is the peach blight? Where is the awful shortage which was to create a famine?

The sudden and rather unseasonable change in the weather has brought out numerous little sicknesses, and the doctors are once more happy. Beware of chills! That is the advice we gave two of our printers this morning, but as they already had the shakes on them the advice was'n't worth much.

Think of a cucumber weighing seventy pounds! Arkansas claims it—and as far as we are concerned may continue in sole right and possession of such big cucumbers. When corn field peas sell at 2 1/2 cents per quart, green apples at 15 cents per peck, beef shins at 25 cents each, ground peas at 10 cents per quart, what American citizen cannot live economically?

The Roanoke (Weldon) News has been purchased by Messrs. W. H. Day and W. P. Batchelor, who will hereafter preside over its destinies. They promise to make the News a fitting representative of the fine agricultural country in which it is published and we believe that they will do it.

When you are told to go out on a farm and become a producer and a happy, horny-handed son of toil, just answer that you can lay your hand on statistics to prove that three-fifths of the inmates of mad-houses are from the country.

The Celebrated Vienna Rolls.
Among the numerous articles DOOLEY'S YEAST POWDER is used for, are the celebrated Vienna rolls, which are so delicious, palatable and healthy. If you have not the recipe send three-cent stamp to DOOLEY & BROTHER, New York, and you will get it, together with many other valuable cooking recipes, by return mail.

Rich tones of bronze, smoke, olivegreen and blue-black are in fashion this Fall. Old gold color is among the new tints. Some of the new styles of materials have tiny diamond shaped figures raised in a rich relief. For evening dresses heavenly blue, rose and other plate tints in damasses on a ground work of white and salmon will be popular. Moss broderies are among the novelties for evening wear.

Returned Home.
Alex. Sprunt, Esq., British Vice Consul, of this city, returned home on Saturday night after an absence of seven months, on a visit to relations and friends in Scotland.

Spoken.
Schr. John L. Tracey, Mersevey, which arrived here this morning from Newburyport, Mass., reports that in latitude 36.16 north, and longitude 74.30 west, spoke Sept 5th, whaling schooner Aurelia, Capt. Flanders. All well and looked to be as reported.

Personal.
Capt. Jas. I. Waddell, a gallant son of the dead Confederacy and Commander of the privateer Shenandoah, is in the city to-day on route for Hillsboro. He is the guest, while here, of his cousin, Hon. A. M. Waddell.

Now Opening.
We invite attention to the advertisement of Mr. A. Shrier in this issue. The Fall and Winter stock of goods purchased by him recently in the Northern Markets is now being opened and in it may be found as handsome an array of style, the newest, the best and the cheapest goods, as any one need care to see. He invites attention to his stock and asks every body to call and look it over before making up their purchases.

For fear of any misapprehension on the part of our citizens as to the excursion to be given by Capt. James W. Lippitt, we will state that the excursion will be in the day time and not a moonlight excursion.

The excursion to Kendall, under the auspices of the Young Catholic Friends Society, will be in keeping with former excursions given by them. A pleasant day is anticipated and many will avail themselves of the opportunity offered to visit one of the most beautiful places on the Cape Fear river.

The Next Concert.
The concert of the Cornet Concert Club which is to take place on Wednesday night will be the finest of the season. The concert was postponed from last Friday night so as the gentlemen could regale their audience Wednesday night with an overture. They never do anything by halves and we can expect a rare treat.

The Theatrical Season.
The prospects for a good theatrical season this winter are very encouraging. The theatre going portion of our "dear public" will, no doubt, be delighted to learn that some of the "stars" will drop down upon us this winter. We do not want any one to understand, however, that the above discovery or prediction is to be taken in an astronomical sense.

The Thermometer.
From the United States Signal Office at this place we obtain the following report of the thermometer, as taken this morning at 7:31 o'clock:

Augusta, 72; Cairo, 66; Charleston, 74; Cincinnati, 59; Corsicana, 69; Fort Gibson, 63; Galveston, 83; Indianola, 83; Jacksonville, 81; Key West, 83; Knoxville, 65; Lynchburg, 65; Memphis, 65; Mobile, 81; Montgomery, 78; Nashville, 72; New Orleans, 70; New York, 64; Norfolk, 68; Pittsburgh, 63; Punta Rasa, 82; Savannah, 78; Shreveport, 79; St. Louis, 75; St. Marks, 75; Vicksburg, 71; Washington, 58; Wilmington, 74.

Day's Length 12 hours and 35 minutes. **Sensible Advice.**

Now to give you satisfactory proof that GREEN'S AUGUST FLOWER will cure you of Dyspepsia and Liver Complaint with all its effects, such as Sour Stomach, Sick Headache, Habitual Constiveness, Palpitation of the Heart, Heart-burn, Water brash, coming up of food after eating, low spirits, &c., we ask you to go to your Druggist and get a Sample Bottle of GREEN'S AUGUST FLOWER for 10 cents and try it, or a Regular Size for 75 cents; two doses will relieve you.

TRIBUTE OF RESPECT.
CASTLE HALL, GERMANIA LODGE, No. 4, K. of P., WILMINGTON, N. C., Sept. 6, 1877.

Whereas, Through the mysterious workings of a Merciful and All-wise Ruler, this Lodge has again met with a serious loss in the death of Bro. PAUL JOHANN HEINRICH KOKOWSKY; and, whereas it is our bounden duty to show in a suitable manner our appreciation of his labors in this life, especially in the cause of Pythian Knighthood; therefore, be it Resolved, That in the death of Bro. Kokowsky this Lodge has met with a serious loss, one that is not easily replaced, and one which we deeply deplore. Resolved, That since his connection with us he has always endeavored to live up to the living principles of our noble Order, and given us no cause to regret having accepted him as a Brother. Resolved, That his memory shall be ever fresh in our hearts, and while he will never meet with us in council on this earth, let us live in the hope of meeting with him in the Lodge above, the Lodge of undying light and love, where the Supreme Chancellor of the universe presides. Resolved, That as a token of our appreciation of the worth of our departed Brother, our Castle Hall and Charter be draped, and the Brethren wear the usual badge of mourning for the space of thirty days. Resolved, That a blank page in our Record Book be inscribed with the name, age and death of our Brother. Resolved, That a copy of the above preamble and resolution be forwarded to the family of our deceased brother, with the assurance of our heartfelt sympathy in this their sad bereavement, and that a copy be furnished our daily papers for publication.
