THE DEATH OF AN EX-BISHOP.
ST. ALBANS, Vt., Sept. 9.—The Rev.
Amedee Rappe, who was consecrated
Catholic Bishop of the Diocese of Cleve-
land, Ohio, in 1847, and resigned in 1870,
died here last night at the age of 77. He
was well known throughout the United
States and Canada as a temperance re-
former and missionary. The funeral will
take place on Tuesday.

Hayes at his Old Home.
FREMONT Sept. 9.—The President and
his family, accompanied by Gen. Carroll,
attended service at the Methodist church
here this morning. The church was
decorated with flowers and trailing vines.
At the conclusion of the service many of
Mr. Hayes's old friends and neighbors
gathered around him to shake hands with
him and Mrs. Hayes and wish them a
hearty welcome home. The family did
not attend church in the evening.

The California Election.
SAN FRANCISCO, Sept. 9.—The count
in this city is completed with the ex-
ception of about 100 votes, which will
not change the result. The Democrats
elect Mayor, Recorder, Public Adminis-
trator, Superintendent of Public Schools,
Fire Commissioners. The Taxpayers
elect Tax Collector, Treasurer, County
Clerk, District Attorney, Attorney and
Counselor, Chief of Police, Superintendent
of Streets. George F. Maynard and W.
P. Humphreys are re-elected Auditor and
Surveyor, being on both tickets. Mat-
thew Numan (Dem.) is elected Sheriff, and
Dr. David B. Todd (Dem.) Coroner. J. C.
Murphy (Dem.) is elected Senator in the
Ninth District, and Robert Haight
(Citizens and Taxpayers), Supervisors in
the Tenth Ward.

Some doubts still exist as to one or two
members of the Legislature in the interior
counties, the voting having been closed
and full returns not received.

Dissension in Hayes's Cabinet.
WASHINGTON, Sept. 9.—Secretaries
McCrory, Thompson and John Sherman
declined to go to Marietta, Ohio, with the
de facto President, simply because they
did not approve the objects of that meet-
ing and its parade over ex-Confederate
members. They strongly dissent from
what they term the extreme of Hayes's
Southern policy. Their opinions upon
this subject are so clear and defined, and
come from such authentic sources, as to
warrant the statement that dissension is
already beginning in Hayes's Cabinet,
whose increasing or lessening will largely
be determined by the popular feeling in
the North.

The Maine Election.
PORTLAND, Me., Sept. 9.—The State
election occurs to-morrow. Very little
work has been done, and no canvasses
made. The total vote will probably not
exceed 110,000, and the greenback ticket
will do better than previously, perhaps
reaching 2,000 or 3,000. With this in-
creased opposition, being an off year, the
Republicans cannot expect to do much
better than two years ago, when their
majority ran down to less than 4,000.
Their disagreements over the State Con-
vention seem to amount to little, and
those of the Democrats over their candi-
date appear somewhat more serious, particu-
larly in the Penobscot region. The
greenbackers are strongest in Androscog-
gin and Somerset counties, and may affect
the county ticket. Last year the Demo-
crats had but two counties—Knox and
Lincoln—but in 1875 they had five.
Cumberland and York counties are very
close. Aroostook is likely to go Demo-
cratic. Washington county is close, but
Talbot, last year's Democratic nominee,
who was thrown over at this year's Con-
vention, resides there. The Republican
legislative majority will be reduced from
last year, but probably not so low as two
years ago.

Fine rain this noon.
The water in the river is still very low.
Chinquapins were offered for sale in
market this morning.
The matrimonial fever is spreading, and
we can look out for squalls.
Thanksgiving Day is the next holiday in
order and after that Christmas.

Rev. Dr. Bernheim, who has been on a
visit to his friends in Germany, is ex-
pected to arrive in this city to-morrow af-
ternoon.
Maj. B. J. Burgess, principal of the
Cape Fear Military Academy, has arrived
in the city and will open his school on
Monday, October 1st.

"It is Perfectly Splendid."
"There's nothing like it." "Never
could use baking powder till I tried
yours." "Can't speak too highly of it."
That's what they say of DOOLEY'S YEAST

The Glove Fitting Shirt.
BROWN & RODDICK, 45 Market street
are the only firm North or South, who sell
this Shirt for 75 cents each and guarantee
them equal to any Shirt in quality or
manufacture that can be purchased in this
market.

A Fact.
"Here is your Enoch Arden peaches"
cried a huckster in the market yesterday.
Why do you call them "Enoch Arden
peaches?" asked an old citizen who had
seen the same kind all his life, but never
heard them called by that name. "Be-
cause, replied the huckster." They are
"waiting for a sail." The o. c.'s cane was
seen flying through the air while the
peach podder felt for bald places on his
head.

Capt. Waddell.
It is reported here, and we hope that the
report is true, that Capt. James I. Wad-
dell, whose arrival in this city we no-
ticed yesterday, has been appointed Su-
perintendent of the Pacific Mail Steamship
Line, the same line on which he has for
some time past been a steamship com-
mander.

Military Matters.
At a meeting of the Wilmington Light
Infantry, held last night, First Lieutenant
N. H. Sprunt resigned that position for
the purpose of accepting that of Adjutant
of the Battalion, which has been tendered
him, whereupon Mr. James I. McKee,
Second Lieutenant, was promoted by elec-
tion to the vacancy, and Mr. Thomas C.
James, Junior Lieutenant, was made Second
Lieutenant. Mr. Geo. W. Bailey, Orderly
Sergeant of the Company, was then elected
to the position of Junior Second Lieuten-
ant.

City Court.
The acting Mayor's morning levee to-
day was better attended than the several
preceding ones.
There were four cases on docket this
morning to be disposed of—which was
done in the following manner:
Two white men for drunkenness were
fined \$3 a piece. The cash was forked
over and the men allowed to depart.
One colored gentleman for fighting, was
required to pay \$3 in greenbacks and the
other gentleman of color who participated
in the combat referred to above, was held
responsible to the court for two dollars.—
Both parties planked down the necessary
wherewith and then left in peace.

and placed on file.

of Wilmington Township be fixed at \$1-
000.

ferred to the County Attorney, to re-
port on the liability of the county with
regard to such claims.
J. W. Moody was granted license to re-

mington.
The Board proceeded to draw the regu-

for the sum of \$200 per annum.
Adjourned, subject to the call of the
Chairman.

Board of Aldermen.
A called meeting of the Board Alder-
men was held yesterday afternoon.
The Committee on Finance made the
following report, which, on motion, was
adopted:
WHEREAS, The Board of Aldermen, at
the meeting held July 31st, 1877, deem-
ing it wise and prudent, and believing a
larger revenue would result, did reduce
the tax on retail liquor dealers to \$10 per
month, and that on wholesale dealers to
\$15 per month; and, whereas, it requires
the concurrent action of the Board of
Audit and Finance to levy taxes, and said
Board of Audit and Finance refusing to
agree to such reduction, it is hereby
Ordered, That the tax be fixed at the
amount agreed upon by the Board of Al-
dermen and acquiesced in by the Board
of Audit and Finance, at the meeting held
July 20th, 1877, namely, \$12.50 per
month for retail liquor dealers, and \$20
per month for wholesale dealers.

Application from the Wilmington
Light Infantry Company, to rent or lease
the City Hall for drilling purposes, was
referred to the Committee on Public
Buildings.
A communication from the Board of
Audit and Finance was read.
The Board then adjourned.

Sale of Real Estate.
We invite attention to the fact that sev-
eral valuable pieces of real estate will be
sold at Exchange Corner to-morrow morn-
ing at 11 o'clock. The sale is made by
Mr. James W. Collins, Assignee, and in
accordance with the provisions of a deed
of assignment made to him by the Me-
chanic's Building and Loan Association.

Don't be Taken In.
One of our citizens, calling at the Finance
Committee of the Louisville Lottery Asso-
ciation, that his joint interest in the
above named swindle had resulted in his
drawing a gold watch and chain valued at
\$150, but that the expenses on the prize
were \$15 owing to a long litigation. The
gentleman who received the notice was
not aware of the organization of any such
Association and at all events had never
purchased or had given to him any inter-
est in the concern.

Death of an Old Citizen.
Mr. Thos. J. Armstrong died at his re-
sidence near Rocky Point yesterday. He
was taken sick on Wednesday last but
was not considered dangerously ill until
the day before his death.
Mr. Armstrong, for a number of years
prior to the war, did business in this city
and was of the firm of Hall, Armstrong
& Co. By his gentlemanly bearing and
strict business integrity he endeared him-
self to a great many of our citizens who
knew him then and who now mourn his
death.

A Heroic Act.
A little boy about 10 or 11 years old, a
crippled son of Mr. J. H. Strauss, fell into
the river yesterday afternoon at Messrs.
Kerchner & Calder Bros' wharf, between
the wharf and a vessel which was dis-
charging her cargo there. The little fel-
low was unable to swim and Mr. Geo. W.
Doyle, who was on the vessel at the time,
on witnessing the accident unhesitatingly
plunged into the river without waiting to
divest himself of any of his clothing. The
little boy had sunk for the third time
but Mr. Doyle dived under the vessel and
succeeded in bringing him to the surface
where there were willing hands waiting to
receive them. The act was one of rare
heroism and will long be remembered as
such.

Who is Responsible?
By an enactment of the powers that be
the retail liquor dealer's license for this
city was made \$12 50 per month imme-
diately after the accession of the new ad-
ministration of city affairs, now several
months ago; subsequently, however,
owing to the fact that there was a pretty
general complaint against the enormity of
the tax, the Board of Aldermen passed a
resolution to make the tax \$10 instead of
\$12 50, at the same time placing the
wholesale dealer's license at \$15, instead
of \$20 as originally agreed upon. But
the Board of Audit and Finance re-
fused to concur in the resolution of the
Board of Aldermen reducing the tax, and
so the Board at their last meeting rescinded
their joint resolution reducing the tax on
liquor dealers. In the meantime, how-
ever, some parties have paid their tax at
the reduced figures for the month of
August, and others who have not paid for
August are told at the Treasurer's office
that they will have to pay the highest
figure, viz: \$12 50 for retail license and
\$20 for wholesale privileges. This, of
course, naturally enough causes some dis-
satisfaction, and the question is asked, who
is responsible? Of course it will be said
at once that if all had come up promptly
in August and paid their taxes, there
would have been nothing to complain of.
Just so, Josiah; but you know how it is
yourself. A poor man has't got money
at his command all the time and if a fel-
low can pay fifteen days or thirty days
after an account is due he is doing right
well these hard times. We think in
this case that all should be permitted
to share alike in the matter.

Gentlemen of the Board of Aldermen
and Board of Audit also, what say you
all? Do the defendants stand guilty or not
guilty upon this question?

It is a remarkable fact which we can-
not explain, that the boy who does not
know that the gun is loaded is neverthe-
less always to be found at the safe end of
the gun.
