rived.

Some of the finest oysters we have ever seen in this market are now displayed at Harry Webb's. They are from Turkey Point, and Turkey Point, you know, is only about one week distant from Thanksgiving Day.

Prof. Abrahams, of New York, is in the city and has taken rooms at Mrs. Picketts, on Market Street, where he may be consulted to-day and to-morrow in reference to all diseases of the eyes. See card published elsewhere.

Meeting of the Stockholders of the W., C. & A. and W. & W. Rail-

The stockholders of the Wilmington, Columbia & Augusta Railroad met in the office of Hon. R. R. Bridgers, President, at 9 o'clock this morning.

Columbia, took the chair, and Mr. J. W. to act as Secretary.

The Secretary and B. F. Newcomber, and arrived at New River on Saturday at-Esq., were appointed a Committee to examine proxies and ascertain the number of | Capt, John Hill, formerly a pilot on this shares of the capital stock of the Company represented. The Committee reported 2,852 shares represented, whereupon the meeting was declared duly organized. President Bridgers then submitted the annual report of the President and Directors, together with the reports of the Superintendent and Treasurer, all of which, on motion, were ordered published with the proceedings of the meeting.

Mr. Wm. A. Wright introduced a resolution, which, on motion, was adopted, authorizing the Company to make sale of three tracts of land in the county of Pender, adjacent to the station on the line of the Wilmington & Weldon Railroad, called Burgaw.

The meeting then preceded to the election of officers for the ensuing year which resulted in the election of Hon. R. R. Bridgers unanimously as President does not think that there is any danger of Barrett will also contribute essays on the and Col. John B. Palmer and W. T. Walters, Esq., as Vice-Presidents, with Inlet. the following gentlemen as Directors: J. D. Cameron, W. T. Walters, George S. Brown, S. M. Shoemaker, Jno. B. Palmer, L. D. Childs, B. F. Newcomber, H. B. Short and W. H. Graham.

On motion it was resolved to hold the next annual meeting in Wilmington on the first Tuesday after the third Monday in November 1878.

On motion the meeting adjourned.

MEETING OF THE STOCKHOLDERS OF TH

W. & W. RAILROAD. The stockholders of the Wilmington & Weldon Railroad met at 91 o'clock this morning in the President's office.

On motion of Hon. R. R. Bridgers, Col. H. B. Short was called to the chair and J. W. Thompson, Esq., requested to act as Secretary.

Messrs, B. F. Newcomer and Wm. A Wright were appointed a Committee to verify proxies and ascertain the number of shares represented in the meeting. The Committee reported 8,507 shares. President Bridgers then submitted the annual report of the President and Directors, which was read, and, on motion, received and adopted.

In accordance with a recommendation contained in the President's report, the Chairman was authorized to appoint a committee of five stockholders to examine the condition of the road and its equipment and to compare the present rates both of freight and passage with those of former years, when the road was controlled entirely by persons residing in this State. The Chairman under that resolution appointed the following committee, Messrs. Wm. A Wright and Donald McRae, of Wilmington, Fred Philips, of Tarboro, A. Branch, of Wilson and N. M. Long, of Weldon.

Resolutions were then offered by Wm. A. Wright, Esq., with reference to sales and making titles of lands at Burgaw and Tarboro, which were adopted.

The meeting then proceeded to the election of President and Directors for the ensuing year, with the following result : President—Col. R. R. Bridgers.

Directors-Messrs. Wm. A. Wright George Harriss, C. H. Brogden, W. H. Willard, George Howard, W. T. Walters, B. F. Newcomber, S M. Shoemaker, A J. DeRosset and J. D. Cameron.

On motion it was resolved to hold the next annual meeting in Wilmington on the first Tuesday after the third Monday in October 1878. The meeting then ad-

Immediately after the adjournment of the Stockholders meeting, the Directors of the W. & W. R. R, met and elected B. F Newcomber, Vice-President, and J. W. Thompson Secretary and Treasurer.

The Celebrated Vienna Rolls.

Among the numerous articles Dooley's YEAST POWDER is used for, are the celebrated Vienna rolls, which are so delicious, palatable and healthy. If you have not the recipe send three-cent stamp to Dooley & Brother, New York, and you will get it, together with many other valuable cooking receipts, by return mail.

and Christmas on Tuesday.

The New Coast Enterprise.

Dr. Thos. B. Carr, who went out from this city last week to look over a route for the proposed water way which is to connect this city first with the Sounds and lar, from an exchange: then with New River, returned here last evening, well pleased with his experiences On motion Col. Jno. B. Palmer, of and with the prospects ahead for his company, the Wilmington and New River is a medallion head of liberty, with sprigs Thompson, of Wilmington, was requested Steam Navigation Company. Dr. Carr of cotton and corn in place of the traditional left Masonboro last Thursday afternoon

> coast and engaged in running the blockade during the war, where he remained on Sunday. Point, mid-way between New River and Masonboro, the distance was accomplished in six hours and from New River to Masonboro iu 19 hours. The entire trip was made in a small canoe with two colored

the route North of Wrightsville. It was all made in the Sounds. From Topsail to Masonboro Dr. Carr kept the land channel straight through and made the distance in three hours. The balance of the way the boat kept the channel next to the mainland. The banks from the Topsail Inlet to New River are high and heavily timbered except in places where fine farms are in cultivation. Dr. Carr Barrett, the eminent tragedian. Mr. CLOAKS,

storms-interfering with navigation at New One fact in connection with this trip may prove of interest. In the report of a survey of the inland Atlantic waters, made in 1875, this passage occurs in that part relative to the Cape Fear Coast "These Sounds are called Stump, Middle, Topsail, Masonboro and Myrtle, and are for the most part occupied by an intricate net-work of channels through which a caroe cannot poss." To show that this survey was not quite so accurate as it may have been, Dr. Carr passed through Paris"), and other distinguished writers. the entire distance from Masonboro to New

Inlet in a canoe. The incorporators of the Wilmington pages. The general list of contributors and Rew River Steam Navigation Com- will be large and of a kind to maintain pany are Geo. Harriss, Esq, Dr. Thos. B. the high standard which The Galaxy has Carr and Col. B. R. Moore, and they will set for itself. The Departments, which meet this afternoon to decide in regard to are really worth, to any intelligent reader, pecuniary matters and when to commence far more than the cost of the Magazine, work. They propose to open a canal, with a tide-lock, from the Cape Fear to the Sound, about six miles below the city, and thence to open up the Sound to New River. We can already see (in prospective, of course,) a steamer discharging her cargo on the wharf at the Banks where some good Samaritan will have opened a house of accommodation and where families can live in cottages during the Sum- of the same day in 1875. mer, while daily and rapid communication will be held by steam power with the

Pender County Board of Health.

We are indebted to a friend at Burgaw

or the following: A Board of Health for Pender county city to-day. has been duly organized. The following physicians of Pender are members. Dr. W. F. Ennett, President; Dr. George F Lucas, Vice-President; Dr. R. F. Sanders Secretary; Dr. James H. Powers, Treasurer. Besides these officers, the following members are appointed upon the following sections, and are expected to make written reports embracing the subjects to which they have been esspecially assign-

A Constitution and By-Laws, in accordance with the law establishing a State Board of Health, have been adopted. meetings will be held quarterly at the time and place designated by the President. The proposed North Carolina Mcdical Journal, has been cordially endorsed and recommended by the Board.

Returned.

Deputy Marshal J. N. VanSoelen, who eft here several days ago for Albany, N. Y., having in charge Chas. W. Lawton and Conrad Houseman, convicted at the last term of U. S. Court, for robbing the mail, returned last evening having made the trip in four days. He reports the Thanksgiving day falls on Thursday weather in Albany to be as fair and balmy as it is here.

The New Silver Dollar-How it is to be Made.

We gather the following description of the die for moulding the new silver dol-

In anticipation of the passage of some silver bill a die has been prepared for the new silver dollar. It is a great improvement over the old. On the obverse side fillet. The execution of the head is very fine, and the arrangement of the hair on the forehead and the disposition of the ternoon at 5 o'clock. He stopped with lines around the chin and neck are treated BLACK AND COLORED SILKS with remarkable grace and freedom. The reverse has an eagle displayed, and the motto, "United States of America," and "E Pluribus Ununi," with the date where the secondary motto, "In God We Trust, On his return from New River to Sloop is to go, is not yet determined, but it will not be left off. A study was made of an eagle from life for the coin, but it did not prove satisfactory, and the antique type was followed. The design meets the difficulty of suggesting relief without making the engraving of the die unreasonably hands, both of them perfectly ignorant of

The Galaxy.

It is safe to say that The Galaxy has during the year just closed, contributed its full share to give interest and value to our current literature, and this fact is the best guarantee that it will not fail its readers in the year to come.

For the year 1878 we are promised a series of Articles on Actors, by Lawrence Drama. Hon, Gideon Welles's articles on Mr. Lincoln's Administration will be continued. A series of articles on industrial questions, by Charles Wyllys Elliott, may be expected. Richard Grant White's articles on Reading Shakespeare will be continued. Essays on various subjects, by Titus Munson Coan, Junius Henri Browne, Charles Carroll, Albert Rhodes, and others, will be presented. Sketches of Travel and Foreign Life, by Henry James, Jr., E. C. Grenville Murray (the Author of "The Member from serial novels by Henry James, Jr., and Mrs. Annie Edwards, will appear in its will be maintained as usual, which is the highest praise that can be offered. Drift-Wood, the Scientific Miscellany, and Neb ulse are always tresh and attractive

Cotton Figures.

The receipts of cotton to-day at this port foot up 1,438 bales, against 455 bales for the same day in 1876, and 375 bales

For the Review. A little girl writing to her father about drinking. She being sick at the time with the fevers, hearing that her father had been drinking, she writes to him as follows: "Father, dear father, I write to you to let you know that I am not well, and father, I hear that you have been Street, Mrs. Pickett's Boarding House, up drinking, and father that makes me worse and besides father, it will take your money and lose your soul. Father the Bible says that all drunkards shall have their portion in that burning lake of fire and brimstone, Then, father, will you stop drinking and playing cards, as it is a request of your sick daughte?"

Father, was not that a correction for you, or is your heart made of stone or are you going to stop that degraded thing. drinking? If you wish to break the heart of your poor wife and children then you may go on, if not, stop before it is forever too late.
