

THE LITTLE WOMAN.

Don't talk to me of Olympian maids,
Divinely tall and fair—
Of Cleopatra's imperial form,
Or Juno's stately air,
Or Juno's stately air,
Of Juno's stately air,
Who rule the world to-day.
With her willful, winsome ways—
Her artful, artless smile—
Her airy grace, and her fair face—
Her wisdom, wit, and wiles,
She mocks the pride and she sways the
strength,
She bends the will of man,
As only such a despotic em-
little woman can.

Though her path may lead thro' the dark-
ness,
She always finds it light;
Though her eyes be dazzled by fortune's
rays,
She's sure to see aright;
Though her wisdom be of no special school,
Her logic "just because" she
The first has settled a kingdom's fate,
The last has made its laws.

"The little woman that goes ahead
When men would lag behind,
The little woman who sees her chance
And always knows her mind—
Who can slyly smile as she takes the oath
To honor, love, obey,
And mentally add the saving clause,
"In a little woman's way."

Would the diamond seem such a perfect gem
If it measured one foot round?
Would the rose leaf yield such a sweet per-
fume,
If it covered yards of ground?
Would the dew-drops seem so clear and pure
If the dew-like rain should fall?
If the little woman be half so great
If she were six feet tall?

"Tis the hand as soft as the nestling bird
That grips with the grip of steel,
Tis the voice as low as the summer wind
That rules without appeal.
And the warrior, scholar, saint, and sage
May fight, and plan, and pray,
But the world will wag the end of time
In the little woman's way.

A Congressman's Love Story

Mr. Conger, of Michigan, has a love history which is very remarkable. He has a smiling, fair wife, fat and forty, who leans upon him in the abandon of the honeymoon. She has dark hair, patted smoothly on her cheeks, and she wears gold-rimmed spectacles. She was his first love. A quarrel separated them, each married. Twenty years after he, a widower, was in Congress, she, a widow sat in the gallery and listened to his speech. It was the first time they had seen each other since their early days. She sent a card to him; he came at once to the gallery. After a little talk she asked him to call upon her at her friend's, Mrs. Dahlgren. He said he would call if he could come as he used to in those long past-days of yore. In a few weeks they were married at Mrs. Dahlgren's residence, and are completely infatuated with each other.—*Washington Letter to Chicago Times.*

Postoffice Uniforms.

If Postmaster-General Key has ordered postoffice officials to uniform themselves in blue broadcloth, with appropriate ornamentation in gold lace, the question arises whether he should not have made an exception in the case of postmasters whose official revenues are less than fifty dollars a year and who combine with their official duties the administration of a cross road store, and the cultivation of a corn, potato or vegetable patch behind it in the long intervals between customers.

A blue uniform with gold lace, and a cocked hat, beside being a rather showy apparel for such localities and duties, is inconvenient and heating. We are afraid the cross road postmasters might be tempted, in violation of orders, to hang it upon a tree or over the worm fence, and go at their official duties in their shirt sleeves.

The Infirmities of Age

Are harder to bear than the ailments of middle life or youth, since the resistant power in the system has diminished with declining years, and disease and pain have more power over the enfeebled body. It is therefore the more essential that that resistant power should be augmented. Hostetter's Stomach Bitters, a benign tonic cordial, is admirably adapted for the purpose. It counteracts the infirmities peculiar to age, and succors worn out nature. It vivifies the feeble frame, adds new oil, as it were, to the flickering lamp of life, diffuses fresh warmth through the chilled veins, and gives comfort as well as relief, thus lightening the burden of age and retarding in a measure the progress of decay. Ladies in delicate health, as well as aged persons, derive great benefit from this wholesome stimulative tonic, which is absolutely pure, unobjectionable in flavor, and is recommended by physicians of repute.

**Mark these Facts!
THE TESTIMONY OF THE WHOLE WORLD
Holloway's Pills.**

Let the Suffering and diseased read the following:
Let all who have been given up by Doctors, and spoken of as incurable, read the following.
Let all who can believe facts, and can have faith in evidence, read the following.

KNOW ALL MEN BY THESE PRESENTS, That, on this, the Twentieth day of June, in the year of Our Lord, One Thousand Eight Hundred and Sixty-six, personally came Joseph Haydock to me known as such, and being duly sworn deposed as follows: "That he is the sole general agent for the United States and dependencies thereof for the preparation of medicines known as Dr. Holloway's Pills and Ointment, and that the following certificates are verbatim copies to the best of his knowledge and belief."
JAMES SMETTER,
Notary Public,
14 Wall Street, New York.

June 1st, 1866.
DR. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your Pills. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES MYERS,
116 Avenue D.

This is to certify that I was discharged from the army with Chronic Diarrhoea, and have been cured by Dr. Holloway's Pills.
WILSON HARVEY,
New York, April 7, 1866. 21 Pitt st.

The following is an interesting case of a man, employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burned dreadfully. The following certificate was given to me, by him, about eight weeks after the accident:
New York, Jan 11, 1866.
My name is Jacob Hardy. I am an Iron foundry. I was badly burnt by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment and it cured me in a few weeks. This is all true and anybody can see me at Jackson's Iron Works, 24 Avenue C.
J. HARDY, 119 Goerch st.

Extracts from Various Letters

"I had no appetite; Holloway's Pills gave me a hearty one."
"Your Pills are marvellous."
"I send for another box, and keep them in the house."
"Dr. Holloway has cured my headache that was chronic."
"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."
"My nausea of a morning is now cured."
"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears, and the noises has left."
"Send me two boxes, I want one for a poor family."
"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your Pills."
"Let me have three boxes of your Pills by return mail, for Chills and Fever."
I have over 200 such Testimonials as these, but want of space compels me to conclude.

FOR CUTANEOUS DISORDERS

And, all eruptions of the skin, this Ointment is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.
Holloway's Pills
Invariably cure the following diseases:
Disorders of the Kidneys.
In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

For Stomachs out of Order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the liver and stomach.
Holloway's Pills are the best remedy known in the world for the following diseases:
Ague,
Asthma,
Bilious Complaints,
Blotches on the Skin,
Bowel Complaints,
Colic,

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

DOCTOR PIERCE'S Golden Medical Discovery.
THROAT, LUNGS, LIVER & BLOOD.
In the wonderful medicine to which the afflicted are above directed for relief, the discoverer believes he has combined in harmony more of Nature's sovereign curative properties, which first has instilled into the vegetable kingdom for healing the sick, than were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate diseases which have been found to conquer. In the cure of Bronchitis, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cures the severest Coughs, it strengthens the system and purifies the blood. By its great and thorough blood-purifying properties, it cures all Humors, from the worst Scrofula to a common Blotch, Pimple, or Eruption. Mercurial disease, Minor Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. Erysipelas, Salt Rheum, Fever Sores, Scaly or Itchy Skin, in short, all the numerous diseases caused by bad blood, are conquered by this powerful, purifying, and invigorating medicine.
If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, ground, stomach, and heart, or are afflicted with hot flashes, low spirits, and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from Impure Liver, or "Biliousness." In many cases of "Liver Complaint" only part of these symptoms are present, and it is ready for all such cases. Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.

DR. PIERCE'S Fountain Nasal Injector, DOUCHE.

This instrument is especially designed for the perfect application of
DR. SAGE'S CATARRH REMEDY.
It is the only form of instrument yet invented with which fluid medicine can be carried high up and perfect cures in all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of curing Catarrh is entirely overcome by the invention of the Douche. Its use is pleasant and so simple that a child can understand it. Full directions accompany each instrument. When used with this instrument, Dr. Sage's Catarrh Remedy cures recent and chronic "Cold in the Head" by a few applications.

Symptoms—Frequent headache, discharge falling into throat, sometimes profuse, watery, thick mucus, purulent, offensive, etc. In others, a dryness, watery, weak, or inflamed eyes, stopping up, or obstruction of nasal passages, ringing in ears, dizziness, hickling, and coughing to clear throat, ulcerations, sores from ulcers, violent sneezing, nasal twang, offensive breath, impaired or total deprivation of sense of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickling cough, etc. Only a few of the symptoms are likely to be present in any case at one time.

Dr. Sage's Catarrh Remedy, when used with **Dr. Pierce's Nasal Douche**, and accompanied by the constitutional treatment which is recommended in the pamphlet that wraps each bottle of the Remedy, is a perfect specific for these diseases. It is mild and pleasant to use, containing no strong or caustic drugs or poisons. The Catarrh Remedy is sold at 50 cents. Douche at 90 cents by all Druggists.
