# The Daily Review

WILMINGTON, N. C. ----

Miss Kellogg declares upon honor that she never pays for any of the flowers that are given to her on the stage.

charged because, for the amusement of the children during recess, she stood on her head. One of the trustees chanced to see the feat.

Theatre, thirty-six fire escapes have been some body was either killed or hurt.

The French railway companies have commenced a lawsuit against the city of Paris. They claim damages to the amount of from \$2,400,000 to \$3,000,000 during the Commune.

The Quakers in England and Wales now number, according to Mr. Barclay one of their wellknown members, only 17,000. A few years ago they were estimated at 100,000. In 1700 there were 60,000 in Great Britain,

Before the Church of Our Lady of Atocha, in which the King of Spain was lately married, a sentinel perpetually stands on guard. The Virgin of Atocha has long held the rank of Cölonel in the Spanish army. Hence the military honor.

as to whether men should offer the right or the left arm to ladies at balls and diner parties. It decides in favor of the right, at least when offered by married

men, and considers that the left, being nearest the heart, should be given only to their wives.

Mr. Forbes. the noted war correspondent of the London Daily News, who has lately received from his paper a present of 2,000 guinieas, has returned again to England and is now lecturing on the war, his fever return, and was told by physicians that he could not live on the banks of the Danube.

A Boston woman repuested her husband to bring home a Parcheesi board. and he did; but in less than an hour after they had began to play the game she had accused him of cheating, called him a brute threatened to go home to her mother, and thrown the board in his face.

Mrs. Pickering, a spiritualistic medium, conducts her seances in Rochester, N. H., under safe conditions, No newspaper reporters are admitted; the spectators are kept ten feet distant from the cabinet by a strong railing; and her husband announces, at the opening of each evening's performance, that he will shoot anybody who attempts to grab a "meterialized form."

At Portage, Wis., while digging a well, a farmer heard a rumbling noise below, as of rushing water, which grew louder as he through the bed he came to water, which congeals as fast as it comes into the well

teacher, a woman, to the superintendent to be whipped. The lad suspected the contents of the note and hired a boy he met on the street to deliver it, giving him ten cents. The superintendent didn't discover till after the canstigation was over that the boy he had flogged had not seen inside of a school house for a month.

A lady of South Lowell, relates an instance of the efficacy of prayer. While preparing to make bread she discovered that she was out of yeast, and exclaimed to her daughter, "I wish to the Lord I had a yeast cake." Just then the door bell rang. When the summons was answered, no one was found, but lying on the sill, neatly packed, was a single yeast cake.
