

NEVER MORE.

Sweetness that can never more return! Thou art passed out of life—and whither down? The hard-furrowed bough may heal, and the sprout anew.

And some light hearts may all too quickly learn To spare the brave, and live without the true.

But as some painter that yet seeks in vain The long-wooded color for his hungry eye, And dreams it woven on some foreign loom,

To wake and find it missing 'neath his sky, So have we lost a glory to the tomb.

Spring shall come round, and all her sounds be dear, And sweet her lips with all ombrosial dew.

The wooing sun shall set earth's heart astir, As we rejoice, and we have rapture too, But one life's choral shall no more answer her.

Out of life's sunny wool one thread is drawn, Death's face hath bleached for us her fair:—lest dye; one flower that bloomed is fallen—later flower.

Will never shine as sweet against our sky, Fill this blank place, that fragrant scent restore.

All, painter! take thy brush, for life is short, And use the colors left thee—when they are fair! For that which is not there, Henceforth, upon thy palette at my life, one unfiled place lies bare.

THE ELECTION LAW.

We yield much of our space to-day to the publication of the following close synopsis of the Election Law as we find it in the Raleigh Observer.

In view of the intense interest which is soon to attach to the election to be held in this State next August it would be well, perhaps, for our readers to preserve this issue of the Review for future reference.

The Justices of the Peace of the several counties shall be constituted by the Board of Justices of the Peace for the purpose of this election. The Board of Justices may alter the polling places.

The Commissioners are to make request on the Secretary of State for suitable registration books.

The Board of Justices on or before the first Monday of the month preceding each election (first Monday in July) shall appoint registrars for each precinct.

Registrars shall be furnished with registration books and it shall be their duty to revise the existing books of registration, and for thirty days keep open their books for new registration.

If the Board of Justices for any county so direct there may be an entirely new registration, but this requires a notice of thirty days in each township.

REGISTERING AND VOTING.

No one is to register or vote except in that township where he is an actual and bona fide resident on the day of election. Certificates of registration are not allowed. The following persons are not to register or to vote: Minors, idiots and lunatics; persons who, after conviction, or confession in open court, have been adjudged guilty of felony or other infamous crime, committed after January 1, 1877, unless restored to rights of citizenship by law.

Subject to the following exceptions: all males, born in the United States, or naturalized, who have resided in the State twelve months next preceding the election, and ninety days in the county, are qualified to register and vote in the precincts where they reside. The residence of a married man is where his family resides; that of a single man is where he sleeps.

No one is to register in any precinct to which he has removed for the mere purpose of voting therein; nor unless his residence is actual and bona fide.

It shall be the duty of the Registrar, or the Judge of the election, when so requested by any bystander, to swear any person offering register or to vote, as to his residence.

Every person offering to register shall state under oath his qualifications. And upon request, the Registrar shall require the applicant to prove his identity, his age or residence by the oath of one elector.

If an applicant for registration has previously registered elsewhere in the same county, he shall not be registered unless he produces a certificate that his name has been erased from the books of his former township.

No registration shall be allowed on election day, unless the voter has become entitled to register on that day.

The Board of Justices, on or before the 1st Monday of the month next preceding the month in which each election is held (1st Monday in July) shall appoint four Judges or Inspectors of election (two of whom shall be of a different political party from the registrars,) at each polling place.

It shall be the duty of the Registrars and Judges of Election to attend at the polling place of their precinct on the Saturday before election (3d August) from 9 a. m. till 5 p. m. and hear and determine challenges.

The Judges and Registrars shall attend at the polls on the day of election (Thursday, 8th August) and conduct the election. They shall enter the name of every person who votes in the poll books; certify the same and deposit them with the Register of Deeds.

On election day any person may, and the Judges shall, challenge the vote of any person suspected of not being qualified.

Any one so challenged shall be sworn and examined as to his qualifications; and other witnesses may be examined on oath, and the Judges may reject the vote if they are satisfied that such person is not a legal voter.

The polls shall be open from 7 a. m. till sunset. Voters shall hand in their ballots to the Judges who shall deposit them in the boxes.

Immediately after the election the judges shall deposit the registration books with the Register of Deeds.

BALLOTS.

Justices of the Supreme Court, Judges of Superior Court, and Solicitors shall be voted for on one ballot.

Members of General Assembly on one ballot.

County officers on one ballot. Ballots shall be on white paper and without device. The County Commissioners shall provide the ballot boxes for each class of officers to be voted for.

ELECTION.

When the election is over, the Registrar and judges of election, in the presence of such persons as may attend, shall open the boxes, count the ballots, reading aloud the names on the tickets.

If there be two or more tickets rolled up together, if any ticket has more names on it than the voter has a right to vote for, or has a device on it, they shall be void.

The counting of the votes shall be continued without adjournment until completed, and the result thereof declared.

The judges of election at each polling place shall appoint one of their number to attend the meeting of the board of county canvassers as a member of the board, and they shall deliver to him the original return statement of the result of the election at their polling place.

The county canvassers so chosen shall constitute the board of county canvassers; the Register of Deeds shall be their clerk, unless the board elect another.

The board of county canvassers shall meet on the second day after the election, (Saturday, August 10th,) at 12 o'clock at the Court-house, and at that hour, without delay, such of those who are present shall elect a chairman who shall swear in the members of the board.

The board of canvassers shall at that meeting in the presence of the Sheriff and of such persons as may choose to attend, open and canvass the returns and make abstracts, stating the number of ballots cast in each precinct for each office, the name of each person voted for, and the number of votes given for each person for each different office, and shall sign the same.

ABSTRACTS OF VOTES.

The abstract of the votes for each of the following classes shall be on a different sheet:

1. Senators and Representatives in the General Assembly.

2. Justices of Supreme Court, Judges of Superior Court and Solicitors.

3. County officers.

Three abstracts of all votes cast for Justices of Supreme Court, Judges of Superior Court and Solicitors, shall be made and signed by the Board of County Canvassers; one of which shall be delivered to the Sheriff, one filed with Register of Deeds, and the third forwarded by registered letter to the Secretary of State at Raleigh.

Two separate abstracts of the votes cast for Senators shall be made whenever the Senatorial District is composed of more than one county; one of which shall be filed with the Register of Deeds, and the other furnished to the sheriff.

When the canvass is concluded the Board of Canvassers shall deliver the original returns to the Clerk of the Superior Court to be filed in his office; they shall also cause the abstracts to be recorded in a book to be called "The Election Book" to be kept in the office of Clerk of the Superior Court.

The Clerk of Superior Court shall transmit to the Secretary of State duplicates of the abstracts of the votes for all but County officers.

RESULT.

The person having the greatest number of votes for any office is to be declared elected.

When the Board of Canvassers have completed comparing the polls, they shall proclaim the result at the court house door, stating the number of votes cast in their county for each person voted for at that election.

The Sheriffs in the various Senatorial Districts composed of more than one county, shall meet at the places designated by law, in their respective Districts, one week after the election, and compare the polls for Senators, and give their certificate to the Senators duly elected.

The Sheriff of each county shall furnish the members elected to the House of Representatives and the Senator (where the Senatorial District is composed of only that county) with a certificate of election.

The Sheriff shall also notify county officers to meet at the Court House on the first Monday of the next month (September) to be qualified.

BOARD OF STATE CANVASSERS.

The Governor, Secretary of State, Attorney General, and two members of the State Senate, one of each political party, shall constitute the Board of State Canvassers.

The Board of State Canvassers shall open the abstracts transmitted to the Secretary of State on Thursday following the third Monday after the day of election (August 29) and examine the returns, if they have been received from all the counties, and if all have not been received, the Board may adjourn for twenty days for the purpose of obtaining copies. The Board shall then proceed with the canvass, conducting the same publicly in the Hall of the House of Representatives. The Board shall make an abstract stating the number of ballots cast for each candidate, the names of all persons voted for, the office, and the numbers of votes received by each. They shall state whom they ascertain by the count to be elected.

The abstract shall be signed and have the seal of the State affixed.

[This provision applies at the approaching election to the election of Justices of the Supreme Court, Judges of the Superior Court and Solicitors.]

The election is to be held on the first Thursday in August (August 8).
