Perfumed hair is a new freak. Venus will transit next Monday. Days length 13 hours and 47 minutes. Only one interment this week in Pine Forest Cemetery, a child.

Spring breezes—The remarks of the lady who cleans the house. To-morrow is known in the Church Calendar as the Second Sunday after Easter.

It is stated that there is poison in silk thread, and that ladies will do well not to bite it. Onslow Court convenes at Jacksonville on Monday next with Judge Eure on the Bench.

This month has two new moons, the only one of the twelve sisters thus favored this year. A straw about eight inches long, and without a flaw, makes a very efficient director of the mint.

The first shrimps of the season in market this evening; they were very fine, and sold for 25 cents a quart. It is to be hoped that our people will observe the 20th of May as a general holiday throughout the State as suggested by a Raleigh paper.

"Will you love me then as now?" That will depend upon the question whether your father has left that hundred thousand dollars in the meanwhile. The ladies of the Memorial Association will meet at 9 o'clock, on the morning of Memorial Day, at Society Hall, to arrange the floral offerings. Flowers sent there on that day will be very acceptable.

The Rocky Mount Mail enters this week on its seventh volume. The Mail has improved greatly of late and now ranks among the very best newspapers in the State. Continued success to it. Rev. E. A. Yates, Pastor of Front St. Methodist Church, being absent in attendance upon the General Conference, now in session at Atlanta, the pulpit will be filled to-morrow by Rev. T. Page Ricard.

The Pastor, Rev. James W. Craig, extends a cordial invitation to not only all seamen in port, but also to all landmen, to attend the services at the Seamen's Bethel every Sabbath afternoon, at 4 o'clock.

The County Convention. The delegates from the various townships in the county and wards in the city, met at the Court House this afternoon, when Mr. C. H. Robinson, Chairman of the City Executive Committee, called the meeting to order, and Col. W. L. Smith was requested to take the chair, and Mr. Jas. C. Munds to act as Secretary.

There was a pretty full attendance of the various delegations, the Fifth Ward in the city and Federal Point township coming to the front, each with a contested delegation. This matter was referred for report to a Committee consisting of Messrs. A. T. London, Norwood Giles and W. G. McKee, which committee were still in consultation as we went to press. A full report is therefore necessarily deferred until Monday.

Maj. Stedman Withdraws. Immediately at the organization this afternoon of the Democratic County Convention, Major Chas. M. Stedman arose in the Court Room and in a short address, stated that after mature consideration he had concluded to withdraw from the canvass and must, therefore, be no longer considered as a candidate for nomination to Congress from this district. This step, he said, was taken by him in the interest of unity and harmony in the Democratic ranks, to which all other considerations must bow.

We regret that it is impossible for us to give here the full text of Major Stedman's remarks. Suffice it to say that they were but a reflection of the high position that gentleman has always taken in the councils of his party. He has in this primary campaign done nothing of which any one could be ashamed, as he has certainly lost nothing by his noble and manly course in the County Convention. He is stronger today than ever before and we do not think he will ever regret his decision.

Rev. T. Page Ricard.

We are pleased to see upon our streets this able divine, well-known to our older citizens as the popular pastor of the Fifth Street M. E. Church about 23 years ago, and now laboring at Kenansville, N. C., who is on a short visit to our city. While here he will be the guest of Mr. Wm. M. Poisson, at whose residence his old friends are invited to call and see him.

Congressional Committee. The following is the Democratic Executive Committee for this, the Third Congressional District, as it stands now: Col. H. B. Short, of Columbus, Chairman.

Maj. C. W. McClammy, of Pender, Secretary. W. C. Troy, of Cumberland, John W. Shackelford, of Onslow. Wm. A. Allen, of Duplin. Dr. C. T. Murphy, of Sampson. John N. Bennett, of Brunswick. Col. John A. McDowell, of Bladen; Maj. T. H. McKoy, of New Hanover. James Rumley, of Carteret. B. F. Shaw, of Harnett. A. A. McIver, of Moore.

Wants to be Something Else. Yesterdays' Post has information to the effect that Mr. Thos. M. Smith, U. S. revenue agent here, has serious aspirations; that he is tired of filling a subordinate position and wants to be moved up a little higher and with this object in view has recently visited Washington City for the purpose of supplanting Col. Ike Young, the Collector for this district. This is what the Post says, but we have a little bird who sometimes flies the wire between this city and Washington and it has whispered to us that Mr. Smith's aspirations take a different direction and points towards the Post Office in this city; that he thinks he can get Col. Brink out and Mr. Smith in. This, according to the report of our "intelligent correspondent," seems to be the rue in war dress of Mr. Smith's recent visit to Washington.

The Carolina Central Railway Shops. We learn from the columns of the Charlotte Observer that an effort is to be made by gentlemen in that city to induce the authorities of the Carolina Central Railway to remove their shops from Laurinburg to Charlotte. The Observer says of this movement: The Charlotte Chamber of Commerce held its meeting for May last night and took a very important step in the appointment of a committee to confer with the authorities of the Carolina Central Railroad to learn of them what inducements it would be necessary for the city of Charlotte to hold out to the company to secure the removal of their shops from Laurinburg to this place. The committee consists of J. H. Weddington, S. A. Cohen and Charles R. Jones, and these gentlemen will, as early as practicable, open negotiations with the railroad authorities upon the matter in question. This is a matter of great moment to Charlotte, and none of our people can but hope that the committee may prosecute its labors to a successful issue.

The Twentieth. The Charlotte Observer says: The Charlotte Grays have received a letter from the Whiting Rifles, of Wilmington, in reply to an invitation to visit Charlotte on the 20th of May, and become the guest of the Grays, stating that the Wilmington company will attend the annual celebration, provided the Carolina Central Railroad will make such transportation arrangements as will allow the company to make the trip and lose only one week day. The railroad company is not prepared to give an answer at present, for the reason they are yet unable to tell what schedule will be in operation at that time. It is also learned that there is a strong probability that the Cape Fear Light Artillery, of Wilmington, will be present. They have been invited by the Grays to come. The Hornet's Nest Riflemen have invited the Governor's Guards, of Columbia, one of the finest military companies in the Southern States, to come as their guests, but as yet have received no reply. There is little doubt, however, that this company will also honor us by their presence. With the four companies of Mecklenburg and three visiting companies, we will be able to make a military display such as has not been seen in Charlotte since the centennial celebration three years ago. Girls of Wilmington will wear dotted muslin this summer.

At Chapel Hill.

We understand that Rev. Geo. Patterson, D. D., of this city, has been invited to preach the Baccalaureate Sermon before the Senior Class at Chapel Hill, at the approaching Commencement, and that he has signified his acceptance of the same.

Promotion. At a meeting of the Cape Fear Light Artillery, held last evening, Mr. Eugene Maffitt was elected, by acclamation, to the position of Third Lieutenant, made vacant by the resignation of Lieutenant W. E. King. Mr. Maffitt will make an excellent officer.

Ex-Confederates. The ladies of the Memorial Association wish particularly that all ex-Confederates, of whatever branch of the service, whether army, navy or civil, should take part in the approaching celebration of Memorial Day. A position within the enclosure at the Cemetery will be reserved for all who go in the procession.

Burglars at Clarkton. Our correspondent at Clarkton, on the C. C. R. W., sends us some particulars of a heavy burglary and robbery which occurred at that point on Thursday night. The victims were Messrs. Clark & Currie. The rascals first effected an entrance into the residence of Capt. J. D. Currie and stole from thence two gold watches and some \$45 in money. They also took the key of Messrs. Clark & Currie's store from his pant's pocket and with it effected an entrance to the store which they robbed of clothing, boots, tobacco and a shot gun, together with some five or six dollars in money, in all amounting to about \$300 in value. There were two money drawers in the store and fortunately one of these escaped their attentions. There must have been three or four persons concerned in these transactions, as several different tracks, all of persons in stockings, were discovered yesterday morning, and it is reported that several other stores in the surrounding county have also been burglarized of late and a determined effort is to be made to unearth the rascals which we trust may succeed.

Congressional District Convention. A meeting of the members of the Democratic Executive Committee for this, the Third Congressional District, was held at the Purcell House this morning. Maj. C. M. Stedman, the Chairman, called the committee to order and thereupon tendered his resignation of that position as well as of his membership in the Committee, stating that he was impelled thereto by the fact of his having announced himself a candidate for nomination to Congress. The resignation was accepted and Col. H. B. Short, of Columbus, was thereupon elected Chairman of the Committee, and Maj. T. H. McKoy was elected Committeeman from New Hanover. The resignation of Col. Jno. D. Taylor, member from Brunswick county, was tendered and accepted, and John N. Bennett, Esq., was elected to fill the vacancy. Clinton, Sampson county, was selected as the place, and Friday, May 31st., as the time, for holding the District Nominating Convention. Maj. C. W. McClammy, the Secretary, was directed to notify the Chairmen of Executive Committees in the counties composing this Congressional District, of the time and place for holding the Convention, and the papers published in the district were requested to copy the notice of meeting.

There is Nothing Like Having A sufficient quantity of a good thing. DOOLEY'S YEAST POWDER is the best in the baking powder line; and there is economy in buying the one pound and five pound cans. It is cheaper in proportion than the smaller sizes. A woman may love her husband devotedly—may sacrifice fortune, friends, family, country for him—she may have the genius of a Sappho, the loveliness of an Armada; but—melancholy fact—if with these she fail to make her home comfortable, his heart will inevitably escape her.

County Commissioners and Board of Aldermen meet next Monday. No interments this week in either Bellevue or Oakdale cemeteries. The Register of Deeds has issued licenses this week for two white, and two colored couples. Mothers, Mothers, Mothers. Don't fail to procure Mrs. WINSLOW'S SOOTHING SYRUP for all diseases of teething in children. It relieves the child from pain, cures wind colic, regulates the bowels, and, by giving relief and health to the child, gives rest to the mother.
