Sale of Property at Burgaw.

We invite public attention to the important sale of building lots in the town of Burgaw, Pender county, as advertised in this paper. One hundred and fifty lots of different sizes will be sold there on Monday, 3d of June, by the authorities of that county. The county owns about seventy-five acres of land in the most desirable portion of the town, and this land has been divided up into suitable lots, which have been laid off with streets intersecting, and a map of the whole prepared which can be seen at Burgaw.

These lots are every way suitable for the erection of stores, residences, factories, shops of mechanics and other buildings common to towns and building pur-The Finance Committee recommended poses. FOR THE REVIEW. The New Railroad to Onslow.

JACKSONVILLE, N. C., May 11, 1878. MR. EDITOR: - The people of Onslow endorse the proceedings of the railroad meeting at Burgaw on the 1st of May. They are heartily in favor of a railroad from the promising town of Burgaw well A petition troni N. R. Fowler, for per- down into our rich old county of Onslow. Our people will turn out strong to that adjourned meeting to be held here on the 3d of June, the first Monday. Come down yourself and you will see a fine turn-out of cur leading men who are anxious to go into this scheme of a railroad down here from the county town of Pender. We intend to have convict labor sufficient to build the road, if we can induce the Legislature to give it to us, and no one doubts but what we can get the convicts if we send the right sort of men this issue be made in making nominations and in voting for candidates for the Legislature. We also expect some aid from the Wilmington and Weldon Railand shall no doubt get it; voluntary subscriptions and the public spirt of the people will do the balance. There never was a finer and more level country for the location of a railroad than that from Burgaw down into Onslow. It can be built cheap. Onslow will flourish like the green bay tree when the road is finished. Our resources of rich lands, timber, cotton, peanuts, corn, fish and oysters are unsurpassed and will yield a rich income

and give profitable employment to the There is the best of feeling in Onslow for the new county of Pender. The opinion is also general and well founded that Burgaw will grow rapidly and permanently. The road will help the town and Pender very much, we think. ONSLOW.
