**To-morrow**  
 The excursion up the river under the auspices of the Dorcas Society to-morrow, bids fair to be as pleasant as the projectors anticipated. A good crowd is expected and everything will be done to make the day a pleasant one.

**"That's Business."**  
 We heard a very plain speaking sensible First Ward darkie say yesterday when asked by a bystander if he was going to the election, "No, sir—I don't do any such thing—and I don't care who's delegates, I can buy the best one of 'em for twenty-five dollars and some of 'em for a good deal less. We give this for the benefit of candidates."

**Floral Offerings.**  
 A very handsome, rustic basket filled with very handsome and choice flowers was placed on the stage last evening by one of the audience for one of the ladies, who took a prominent part in the cantata. A smaller but no less handsome one, was presented also to another of the lady singers. The flowers were grown and arranged by Mr. F. A. Newberry.

**A Cradle Telephone.**  
 For the benefit of our lady readers, i. e., those who have babies, we will inform them that a telephone has been invented for the use of crying children, so that when they cry, the noise from the little one's mouth, if it be lying in a cradle made for the purpose, vibrates and operates the telephone in such a way that it causes the cradle to rock, and as long as the child cries the cradle will rock, but the moment it ceases to cry, that moment the cradle will cease to rock.  
 The telephone is placed very near to the child's head. The baby's cries are received by the telephone, which, operating through the battery and magnets, sets in motion the lever which rocks the cradle.  
 The same man, the now world renowned Edison, who invented the first telephone, is the inventor of this one also. A recent number of the New York World contained a diagram, explaining the modus operandi in full. It was at an exhibition of his wonderful invention, in the presence of ladies, that Mr. Edison first exhibited this latest invention, which, no doubt, the ladies (we mean mothers, of course) will think his best and most useful invention of all.  
 Ladies, now don't you think you ought to vote the inventor a pension?

**The First Ward Republicans.**  
 Last night, the republican party of the First Ward was fully awake (and in this connection we may say that it kept everybody else awake) to the responsibilities devolving upon them as free citizens, and from early twilight until after the new day commenced the uproar and confusion at the place of election at the Brooklyn Market house beggars description. The partisans of the different candidates were enthusiastic in the cause of their respective favorites, and it seems at times that the bitterness of the conflicting elements would terminate in a general fight. The presence of the police, however, probably kept the mob from coming to blows, and the superabundance of steam was worked off in cursing and shouting. The result of the election as given to us gives to Manning for Sheriff 230, and for Scott, Jarrell and Holmes an aggregate of 290. Peace now reigns in Brooklyn.

No City Court to-day nor police arrests last night.  
 A little set to took place between two sable politicians in front of the Court House this morning. No blood, no insurance.  
 The yacht races seem to be the all absorbing theme among yachtsmen just now, and from the preparations being made we can expect a lively time and some good racing.

**Democratic Meeting in Smithville.**  
 SMITHVILLE, May 18.  
 Pursuant to a notice from the Democratic Executive Committee, an enthusiastic meeting was held in the Court House here to-day.  
 Owing to the absence of Dr. W. G. Curtis, Mr. M. C. Gurthrie acted as Chairman, who very ably and forcibly explained the object of the meeting.  
 On motion of P. Prioleau, Esq., David W. Manson was appointed Secretary.  
 The same gentleman moved that a committee of five be appointed to select delegates to represent the Township in the Special and Nominating Conventions, which consisted of the following: Capt. C. C. Morse, Dr. F. W. Potter, Messrs F. D. Price, John Robinson, and F. M. Wescott.  
 The committee reported as follows:  
 Delegates to the Special Convention, which is to meet on the 25th inst., at the Lockwood's Folly—Messrs. Wilson McKeithan, Daniel Mercer, B. W. Woodside, Peyton Swan, John Robinson, C. C. Morse, J. R. Swain, and F. M. Wescott.

Delegates to the Nominating Convention, which is to meet at the same place the 29th of June—Messrs. Wilson McKeithan, Daniel Mercer, R. A. Woodside, Peyton Swan, John Robinson, C. C. Morse, J. R. Swain, F. D. Price, Julius Taylor, Thomas M. Williams, Jaret Mathews, W. W. McLacken, Owen McRae Holmes, Theodore McKeithan, William Drew, Armond C. Willard, Absalom Ward Jerry Wescott and Thomas Drew.

On motion of P. Prioleau, Esq., the delegates were instructed to support our present able representative, Col. A. M. Waddell.

It was moved that the proceedings of the meeting be sent the *Morning Star* for publication, with the request that the *Review* and *Journal* copy.  
 The utmost harmony prevailed.  
 On motion of Dr. F. W. Potter the meeting adjourned.  
 M. C. GUTHRIE, Chm'n.  
 DAVID W. MANSON, Sec'y.

**Onslow County—Stump Sound Township.**  
 At a meeting of the citizens of Stump Sound township, held at the Grange Hall, Saturday, May 18th, 1878, Mr. Jere W. Spicer was called to take the Chair, and Hill E. King was requested to act as Secretary.

The Chair, in a brief address, stated the object of the meeting, and declared the same organized for the transaction of business.  
 Dr. E. W. Ward and Messrs Jere W. Spicer and J. W. Shackelford were placed in nomination for the Senate from the district composed of the counties of Onslow, Jones and Carteret.  
 Mr. Spicer received a majority of the votes cast, but subsequently, by permission of the meeting, he withdrew his name, when Dr. E. W. Ward and Mr. J. W. Shackelford were again placed in nomination, and a vote being taken a majority was found to be in favor of Dr. Ward, who was declared the choice of the meeting for the Senate.

Messrs. Jere W. Spicer, Caleb Hewett, J. H. Foy and J. W. Shackelford were placed in nomination for the Commons, and a vote being taken Mr. Spicer was declared the choice of the meeting for the lower branch of the Legislature to represent Onslow county.  
 Mr. John D. Standford, of Duplin, and Mr. Kerr, of Sampson, were placed in nomination for Solicitor, and the former receiving all the votes cast except one, he was, on motion, declared the unanimous choice of the meeting for Solicitor.

The following received a majority of the votes cast for county officers (several names being placed in nomination):  
 Clerk and Probate Judge—A. C. Hug-gins.  
 Sheriff—L. O. Fonville.  
 Coroner—Hill E. King.  
 Register of Deeds—Jacob F. Giles.  
 Treasurer—Jesse W. Yopp.

This meeting was called for the purpose of getting the sentiments of the people, and its action is subject to the primary meetings to be held subsequently.  
 Resolutions were adopted instructing the Justices of the Peace to elect the County Commissioners from the body of the county, exclusive of Magistrates.  
 The meeting then adjourned.  
 H. E. King, Secretary.

**For Register of Deeds.**  
 BURGAW, N. C., 13th May, 1878.  
 To the Voters of Pender County:  
 FELLOW-CITIZENS—I most respectfully announce myself a candidate for the office of Register of Deeds of this county, subject, however, to the action of the coming Democratic Convention. Your aid, therefore, in securing to me the nomination for, and the election to, said office is most respectfully solicited.  
 MARION MOORE.

**Better than Foreign Port.**  
 Speer's Port Grape Wine is better than Imported Port, and since the adulteration of the latter, it must take its place. It is pure and really excellent and health-giving.—*Troy Times.*  
 The most select 5th Avenue families use this wine at their evening entertainments. Our Druggists have some direct from Mr. Speer.  
 Ink stains on silver can be removed by rubbing with a paste of chloride of lime and water.

**Opera House, Esther.**  
 Of the rendition of Esther at the Opera House last evening, we have nothing to say but in commendation. Amateurs, as the performers are, they acquitted themselves in a highly creditable manner, and surpassed many professional troupes we have seen. Esther, Zeresh, Mordocai's Sister and the Prophetess, are the prominent female characters, and the ladies who personated them, we feel justified in saying performed their parts in a manner truly wonderful. Wilmington and Smithville should be proud of their talented daughters. The choruses were particularly fine and were correspondingly appreciated by the audience. We trust at some convenient time, Mr. Chase may deem it expedient to repeat the Cantata. A good thing always bears repetition.

**The Superior Court Clerkship of Pender.**  
 We learn from a well informed gentleman just from Pender, that Mr. R. K. Bryan has been appointed Clerk of the Superior Court of that county by Judge Eure who is at present riding the circuit. Mr. Bryan had been previously appointed by Judge McKay who is the Judge elected from this district, but the present incumbent Galloway refused to turn over the records of the office; for the reason as he alleges, that Judge McKay did not possess the right to make the appointment, that the law as construed by him (Galloway), required the Judge presiding in the Judicial District at the time to make the appointment, and that the appointment had already been made by Judge Moore while holding court in this district, of A. V. Horrell. The latter named person however, had never been able to furnish the bond required by law. And Mr. Galloway still continued to retain possession of the office. Owing to this state of things therefore, and being tired with the trouble and turmoil of contesting for the insignificant office, Mr. Bryan at the last meeting of the County Commissioners sent in his resignation, which was accepted.

But now His Honor Judge Eure who is the presiding Judge in the Judicial District sends Mr. Bryan his appointment to the place. The natural question is Mr. Galloway! what are you going to do about it? The answer is plain, why he'll have to ramose the ranche immediately, and if he refuses, metaphorically speaking, he will have the toes of a boot to help him out.

A small quantity of turpentine added to stove blacking will make the stove easier to polish.  
 We learn from Capt. Green, of the steamer North State that the river at Fayetteville had risen five or six feet up to the time of his leaving yesterday morning.

A gentleman came into our office this morning and informed us that he had information to the effect that Moore county had gone solidly for Waddell. And the cry is still they come.  
 To keep insects from birds, scald the cage with hot water, if not brass; replace your bird therein; at night cover the cage with white flannel. In one week you will be rid of them.

The Nor. barque *Rector Steen*, loaded by Messrs. Paterson, Downing & Co. with naval stores, for Rotterdam, went down the river this morning, firing salutes from her port bow, in token, we suppose, of the Captains delight that he was off for de Fader Land.
