A meeting of the Carolina Yacht Club is called for this evening at 81 o'clock, on the second floor of the Murchison building, on North Front street.

The adjourned meeting of the Me.norial Association of the Third North Carolina Regiment will be held in the City Court Room this evening.

Mr. W. T. Johnson has returned to the city and is now prepared to personally execute all orders for work in the way of upholstering, paper hanging &c.

From Capt. A'bert Worth, of the steamer A. P. Hurt, we learn that the river is falling, though there is still good boating water, there being eight feet of water on the Shoals at Fayetteville.

The Raleigh News has a way of dropping in on a fellow when he least expects it, say at 11 a. m. when it was due by the previous evenings, train. The weighty matters it has had to carry of late is probably the cause of its slow locomotion.

. Postponed.

The excursion to have been given by Capt. James W. Lippitt to-day was postponed on account of the threatening aspect of the weather this morning.

Drowned.

We learn that a colored girl by the name of Betsy Chance, between thirteen and sixteen years of age, who has been engaged on the steamer Hurt as assistant stewardess, accidentally fell overboard at Fayetteville last Saturday, and was drowned be fore aid could reach her. The body was recovered yesterday morning.

Dorcas Society Excursion.

The excursion up the river, under the auspices of the Dorcas Society, this morning, was largely attended. About one hundred and fifty persons availed themselves of the opportuninty afforded them You can be supplied with every thing of witnessing new scenes and angling for the waters adjacent to the picnic grounds.

The Festival To-night.

The young ladies of the First Presbyterian Church have made ample preparations for the accommodation of all those who may patronize their festival, to be given this evening in Rankin Hall-They have reason to expect a large attendance and we are satisfied that such will be the case.

Fast Running.

Owing to the breaking of the spring on the engine, the train on the W., U. & A. railroad was nearly an hour behind time this morning. The distance from Fleinington to this city, 34 miles, including stoppages. was made in 50 minutes. Connection was made here with the Wilmington & Weldon train going North, which waited for the other, and the lost time will beimade up between this place and Weldon. And that's the way our railroads bridge a difficulty.

City Court.

Wm. Russ, a colored gemmen who got o shouting too extensively over in Brooklyn last night from the effects of too much religion, as he called it, was arrested by the police and this morning arraigned before His Honor, Mayor Fishblate. The circumstance drew quite a large audience Court room to listen to the trial.

The Mayor assumed an air of deep gravty and told the defendant that while he was very glad indeed to know that he had gotten religion, he felt called upon to admonish him that he must not make such a loud demostration of it. This finished the business of the Court for the day.

Esther, -- Benefit Night.

The manager of the sacred cantata of Esther was the recipient of a very friendly letter this morning signed by Messrs W H Northrop, Jesse Wilder, H M Bowden, CH Robinson, DB Mitchell and M Manning, Misses Sallie M Thompson Lilly Thompson, M E Chadwich, Mrs SO Poisson and others, tendering Mr. A B Chase a complimentary benefit, and requested him to name the date on which the benefit would take place. Mr Chase has replied accepting the offer so generous-

ly, and we think fitly, offered him. The citizens of Wilmington will again be offered an opportunity of witnessing the finest amateur performance which has been presented this season, and we feel assured that a large house will greet the performance on Mr. Chase's benefit night. The following is the correspondence referred to:

Federal Quarantine.

Gen. J. M. Woodworth, Supervising Surgeon, arrived here from Charleston this morning on a tour of inspection of quarantine and hospital matters. In an interview with His Honor, Mayor Fishblate, held this morning, he expressed himself as greatly surprised at the lack of accommodations, both for the sick and well, for the officers and men of the quarantined vessels at Smithville. He thinks that the quarantine bill which lately passed Congress will prove a remedy for ev's now complained of, and says that if the State 'wi" turn over the quarantine station to the Federal government that it will provide the necessary visiting stations, whaves, &c., as well as a hospital for the sick and a house of quarantine for the well.
