The storm flag is again displayed at the Signal office today. Dutawo trifling cases before the Mayo this morning, which were dismissed. The members of the Christian Chapel are holding a camp meeting at Summer Hill, about one mile South of the city. The Neptune fire company of Charlotte will have their annual celebration on the Fourth, and have invited the Cape Fear Company, of this city, to assist. There was quite a severe hail-storm in this section yesterday afternoon. In the city they were not larger than marbles, but in the neighborhood they are represented as having been as large as partridge eggs. A special train will be run on the Carolina Central Railroad from Shelby via Hamlet, to Raleigh, on the 12th inst., for the benefit of delegates and visitors to the State Convention, which meets in Raleigh on the 13th. Tickets will be good for ten days. \$5 for the round trip.

**Resignation and Election.** At a meeting of the Fifth Ward Bucket Company, a few nights ago, Mr. Geo. Sullivan rendered his resignation as Foreman and Mr. Alex. H. Leslie was unanimously chosen Foreman of the Company. Mr. Richard B. Grant was elected vice-president to fill the vacancy caused by Mr. Leslie's promotion.

**A Believable Opportunity.** The steamer *Passport* has mapped out a delightful programme for to-morrow afternoon and night. She will leave for Smithville at half past 4 o'clock and remain there until the close of the cantata when she will return to Wilmington. The fare for the trip is only 25 cents, cheap enough, and the probabilities are that a very large number will avail themselves of the opportunity.

**The Thalian Amateurs.** We are pleased to learn that the Thalian Amateurs will give another of their pleasant and attractive dramatic entertainments at the Treston Upper Room, on Ann street, between Fourth and Fifth, on next Friday evening, the pieces to be presented being "Little Toddlers" and "I've Written to Brown." We bespeak for the young amateurs a good house, as their efforts are in every way worthy of the favor of a discriminating public.

**Excursion and Cantata.** Everybody is going to Smithville to-morrow night to see the Cantata rendered there and the echoes of that good old burg will be awakened as they never were awakened before. The *Underhill* will carry down the ladies and gentlemen who take part in the representation and all others who may wish to go. Tickets can be had of Mr. H. M. Bowden and Mr. F. G. Robinson. The boat will leave at 4 o'clock and the fare is only 75 cents for the round trip.

**Dooley's Yeast Powder.** There is probably no other baking powder manufactured that has become so much of a household word as DOOLEY'S YEAST POWDER. For twenty years it has stood before the public, and the innumerable testimonials that have been called forth voluntarily, testify to its merits.

**Wine at Evening Parties.** No matter what may be said about the use of wines and liquors, it is the adulteration and trash mixtures that does the mischief. Where pure wines are used we hear no complaint of inebriation. We never hear of intoxication from the use of Speer's Port Grape Wine, of New Jersey. This wine is held in high estimation by the best doctors in the country, and was awarded the highest premium at the late Centennial.

Patrons of a first-class hotel justly consider themselves entitled to comfortable rooms, a bountiful bill of fare, and courteous treatment in the office. All these, combined with a notable degree of elegance throughout, are to be found at the Colonnade Hotel, Philadelphia, Pa.

## The Emblems of Love.

Roses are admittedly the emblem of love. An old tradition says that a rose gathered upon mid-summer eve, and kept in a clean sheet of paper until Christmas day, will be fresh enough for a maiden to wear in her bosom when he who is to be her husband will come and take it out. In Thuringia the rose holds a similar position as a love-charm. A maiden who has several lovers will name a rose-leaf after each, and then scatter them upon the water; that which sinks the last representing her future husband. In some parts of Germany it is customary to throw rose-leaves on a coal fire, as a means of insuring good luck. In Germany, as well as in France and Italy, it is believed that if a drop of one's blood be buried under a rose tree it will insure rosy cheeks.

**Y. M. C. A.** The State executive committee of the Young Men's Christian Association have prepared an interesting programme for the State convention to be held in Greensboro, June 14th. Among other interesting features will be addresses by Rev. J. Henry Smith, D. D., and Judge R. P. Dick, of Greensboro, Rev. P. J. Carraway, of Winston, Rev. D. A. Long, of Graham, Prof. G. B. Hanna, of Charlotte, Mr. Jesse H. Lindsay, of Greensboro, Mr. T. K. Cree, secretary of the International executive committee of the Y. M. C. A., besides others from different parts of the State, who are expected to be present. Several open air meetings will be held at different points on the streets. The convention will continue in session Friday and Saturday, and devotional exercises will be held during Sunday.

## Interesting to Tax Payers

We have been at some pains to get a few figures relative to the tax business in this city as comparing the present Democratic administration with those of previous years. A comparative statement of taxation for the years 1877 and 1878 shows the valuation of real estate for 1877 to have been \$3,832,890 against \$2,874,668 in 1878. In 1877 the tax levied was 2 per cent and the amount \$76,657.80, while in 1878 the tax is but 1 1/2 per cent and the amount \$50,306.68. The reduction is equal to 25 per cent in valuation and something over 33 per cent in the amount to be realized, all in the favor of the tax-payers this year. In the same way and in the same ratio there is a reduction in the personal tax. The total reduction on real and personal tax amounts to \$28,703.14, and the reduction on merchant's license tax, \$9,000, makes a total reduction of \$37,703.14. To illustrate: In 1877 the tax on \$5,000 worth of real estate was \$100, and this year it is but \$65 63—a reduction of \$34 37. And there are some other points. We understand from Mayor Fishblate, that when he went into office a few months since he found a floating debt of \$10,000 which has since been reduced to \$4,000, and that all warrants are paid by the Treasurer as presented. Besides this, the Mayor says that he has asked and will get but \$46,000 this year with which to run the city machine; against an average of \$122,000 a year under the Republicans. Who will say that it does not pay—the taxpayers to have a Democratic administration?

**Honors to a Young Wilmingtonian.** We give below an extract from a recent issue of the *Troy Whig*, of New York State, with an account of the election of our worthy young townsman, R. R. Bridgers, Jr., by an almost unanimous vote to the position of Grand Marshal at the Polytechnic Institute at the closing exercises of that College:

GRAND MARSHAL OF THE N. P. I.—R. R. BRIDGERS, THE MAN.

Yesterday was a red letter day in the history of the present year of Polytechnic boys' experience. The occasion was the gala event of a grand marshal election, and the students were "boiling over" all day with what Owen Meredith calls "anticipatory joy." The election took place at Harmony Hall last evening, the tumult being great and the good feeling greater. R. R. Bridgers, Jr., was by far the most popular man for the position, and out of 130 votes cast received the vote of 126, the remainder being scattering.

## The Regatta.

Just as we go to press the yacht race has been finished and the Rosa again the victor. The Frolic came in second, and the Ripple third. The race was won in 1 hour, 23 minutes and 18 seconds.

The trains on the C. C. R. W. now run through from Wilmington to Shelby. There is no change of cars at Charlotte.

## Masonic.

The Grand Chapter of Royal Arch Masons of North Carolina held during the past week its 30th Annual Convocation in Winston.

The business transacted was, as we learn, the general routine. A proposition to amend the Constitution of a Grand Chapter so as to constitute Past High Priests of Subordinate Lodges members of the Grand Chapter, was rejected.

The following are the Grand Officers for the present Masonic year: Chas. W. Alexander, of Charlotte, Grand High Priest. C. M. Van Orsdell, of Wilmington, Deputy High Priest. Dr. John W. Hunter, of Salem, Grand King. W. T. Blackwell, of Durham, Grand Scribe.

John Nichols, of Raleigh, Grand Treasurer. D. W. Bain, of Raleigh, Grand Secretary. Rev. P. J. Carraway, of Winston, Grand Chaplain.

Jacob I. Macks, of Wilmington, Grand Captain of the Host. Thos. J. Sloan, of Greensboro, Grand Principal Sojourner.

Thomas Daniels, of Newbern, Grand Royal Arch Captain. C. F. Bahnsohn, of Davie county, Grand Master 3d Vail. Nathan Adams, of Goldsboro, Grand Master 2d Vail. B. F. Rogers, of Salisbury, Grand Master 1st Vail.

Then next Annual Convocation will be held in Durham, 1st Tuesday in June, 1879.

We learn that the citizens of Salem and Winston, and especially the Masonic fraternity with whom the members of the Grand Chapter were more intimately associated, excelled, if possible, the large hospitality for which these communities are proverbial. The members of the Grand Chapter participated in an excursion to the Pilot Mountain, given for their especial pleasure, spending a part of Thursday and Friday at the Mountain.

The entertainments and pleasures of the sojourn at the Mountain were enjoyable in the extreme.

The Winston Chapter and citizens of Salem and Winston were accorded a unanimous vote of thanks by the Grand Chapter for their great kindness and hospitality. We have appropriated this from the *Raleigh Observer*.

## Republican Ticket No. 2.

At the barbecue mass meeting held at Hilton on Saturday, in addition to the proceedings spoken of by us in our issue on that day, the following ticket, part of which is identical with that nominated by the Court House Convention, was put forth:

## The Boughton Temperance Movement.

Jonah Boughton, the Temperance advocate, inaugurated the Boughton Temperance Movement in this city yesterday afternoon at the Opera House. A large number signed the Temperance pledge. The meeting was opened with singing by the choir. Rev. Mr. Yates led in prayer, after which he introduced Mr. Boughton, who gave a chapter from his own history. To-night another meeting will be held at the Opera House, when Mr. Boughton will give another chapter from his life, lifting the screen that hides the terrible woe and darkness of intemperance. Admission free.

## Death of a Prominent Citizen of Duplin.

We regret to learn of the death on Sunday morning at Kenansville of Mr. Jno. A. McArthur, a very worthy and prominent citizen of Duplin county. Mr. McArthur was a promising young man of twenty-five years of age and has filled the responsible position of Treasurer of his county for a number of years, which position he held up to the time of demise. Mr. McArthur's untimely death will be regretted by his many friends in Duplin as well as [the adjoining counties, where he was well known for his uprightness of character.

## Injured by Lightning.

By a private telegram received here from the town of Laurinburg on the Carolina Central Railway we learn that during the prevalence of a severe thunder storm which visited that place yesterday afternoon, Miss Annie E. Anderson, formerly of this city, and a daughter of the late Wm. S. Anderson was struck by lightning and pretty badly burned, though we are happy to learn not seriously injured.
