Notice. **SCHEDULE B TAX!** ALL WHOLESALE and Retail Merchants are hereby notified that a privilege tax was levied by the Legislatures of 1875, 1876 and 1877, of Five Dollars, (the same levied by county), in addition to the Schedule taxes proper. Wholesale dealers are also notified that in giving in their purchases the law now compels payment on all purchases, made within the State as well as out of the State, (including timber, lumber, turpentine, spirit, turpentine, rosin and naval stores of any kind and cotton.) All hotels, boarding houses, restaurants and eating houses are required by law to pay a tax of one-half per cent. on their receipts. The tax will be due July 1st, and payable within the first ten days thereafter, on all purchases since the 1st of January, 1878. All parties interested in the payment of schedule B Taxes will save labor by attending to the same at once, as the law will be strictly enforced, and owing to the small amount collected on the above schedule for the past several years and the numerous applications upon the returns given in by parties in business, I am prompted to request that you be careful in making up correct and positive returns, thereby relieving me of the unpleasant duty enjoined upon me of looking over your books and invoices. In this connection it is especially and particularly enjoined upon you that all parcels made by you through or by Brokers must be included by you in your returns. J. E. SAMPTON, Register of Deeds. New Advertisements. S. JEWETT—Look. HAINSBOROUGH—Chambers' Enc. clod. adia. MUNSON—Handsome Vests only 50c. Wm. E. HILL, Reporter—Carolina Lodge No. 434, K. of H.

No City Court to-day. Figs were in market yesterday. Rev. Jos. K. Wilson, D. D., of this city, has gone to Davidson Comm-nement.

To-day is acknowledged to be the warmest of the season by a handsome majority. The prizes will be given to the owners of the successful yachts this afternoon.

The dog cars were out this morning and captured several badgerless canines. Everybody is asking everybody else, what are you going to do on the Fourth?

This is the season of the year to organize the grass widowers' club and institute infirmaries for neglected tabbies.

A merchant in this city received this morning, by rail, a consignment of 1,200 watermelons from Florida.

If there is anything in this world of a more uncertain tenure than a minister's salary, it is a woman's thimble.

Why is a theatre drop-curtain so called? Because the gentlemen go out to take a drop whenever it comes down.

There will be an important business meeting of Carolina Lodge No. 434, Knights of Honor, at their Lodge Room to-morrow evening.

Steamboat-men report very low water up the river, and unless there is a rise of several feet in a few days navigation will be exceedingly difficult.

The yachts *Ripple* and *Foam* arrived safely at Masonboro and Wrightsville Sounds yesterday. They crossed Masonboro Inlet about 10 o'clock.

Several members of the Cornet Concert Club are out of the city and unless some one can be gotten to play their parts we will have no music this summer.

There seems no longer to be any need of complaint on account of the coolness of the weather. Yesterday and to-day may safely be classed as among the hot days.

Dr. J. F. King left here this morning on the regular northern train en route for Europe. He expects to visit the Paris Exposition before his return to Wilmington.

It is a Fact That DOOLEY'S YEAST POWDER will go further in use in the kitchen, and the results will be more satisfactory in the production of elegant, light rolls, biscuits, cake, etc., than if any other baking powder is used. Try it. Sold by grocers.

Registration commenced to-day in all of the Wards of the city and the townships in the county. It is to be an entirely new registration and everybody, except those who are disfranchised, is expected to walk up and enter his name.

Have Declined. The Carolina Yacht Club have declined the offer made them by the Railroad authorities for the reason that by the provisions of their charter the "annual race" has to be sailed over the Wrightsville course.

Excursion to the Mountains. An excursion train from Wilmington to Henry's Station, will leave Wilmington, Tuesday, July 9th, under the management of experienced railroad men. Messrs. Kneeland & Co., under whose direction the train will be run, promise unprejudiced pleasure and comfort. One of the commendable features will be a complete excursion train without change of cars. Excursionists can spend nearly two days among the mountains and pass through the mountainous district by daylight. Fare for the round trip, \$5.00. Advertisement and particulars in a few days.

If you feel dull, drowsy, debilitated, have frequent headache, mouth tastes bad, poor appetite, tongue coated, you are suffering from torpid liver, or "biliousness." Nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

Communion Wine. The Grape Crop of A. Speer's Vineyards, in New Jersey, promises this year to be one third more than any previous year. His vineyards in New Jersey and the products from the grapes he purchases have enabled him to keep a stock four years ahead. None sold less than four years old. It has become a popular evening wine among the best families in New York, and for communion purposes.

The Sensation. The Newport tie is the sensation of the day hereabouts. "Everybody and his wife and the rest of mankind" has them, so we are told.

A few days ago Mr. Thomas H. Howey advertised them in the Review and he gives us his positive statement that the advertisement was the means of largely increasing his sales. In fact, he has been compelled already to duplicate and double his orders for these goods.

School Soiree. We are requested to state that the Soiree to have been given this evening at the school room of Misses Burr & James, has been postponed until to-morrow evening, on account of the indisposition of one of the young ladies who is to assume a prominent part in the entertainment.

The tickets of invitation to this Soiree are limited because of the want of room.

Passed Successfully. A telegram was received this morning announcing that Mr. E. A. Anderson, Jr., of this city, son of Dr. E. A. Anderson, had passed his examination at the Naval Academy at Annapolis. The examination was very rigid and when a Southern applicant passes he should feel highly complimented because of the prejudice which it is said the Board of Examiners bear him.

Midshipman Anderson has the hearty congratulations of his friends and acquaintances in this city.

Superior Court. In the case of Charles M. Bonham, vs. Thomas Craig et al. which excited some interest on account of the law points involved, the plaintiff has taken a non suit and will carry the case to the Supreme Court.

Case of Charles W. Avant, vs. Adrian & Vollers. Judgment was rendered against the plaintiff for costs.

Case of James A. Hewlett, vs. Isaac B. Grainger. Compromised and settled.

The cases set for trial to-day having all been disposed of, the Court adjourned at half past 12 o'clock until 10 o'clock to-morrow morning.

Meeting of the Members of the Bar. At a meeting of the members of the Bar, held this morning, at half-past 9 o'clock, in the Court House, on motion of Mr. DuBrutz Cutlar, the Hon. George Davis was called to the Chair and Mr. Jno. D. Bellamy, Jr., requested to act as Secretary.

The object of the meeting was for the purpose of adopting resolutions expressive of the deep sorrow of the Wilmington Bar, at the death of Mr. Wm. A. Wright, the oldest member of the Bar, and also to testify to the great loss that the profession, as well as the Bar, had sustained in the death of one so eminent for his legal learning. It was resolved, on motion of Mr. Jno. L. Holmes, that a committee of five be appointed to draft the proper resolutions and report at a subsequent meeting to be held at the Court House in this city, at 10 o'clock, on Saturday, the 1st instant. The Chair appointed on that committee, Mr. Jno. L. Holmes, Hon. R. S. French, Maj. D. J. Devane, Hon. Edward Cantwell and Mr. DuBrutz Cutlar.

On motion, the meeting adjourned.

Can Any One Tell? Can any one tell why men who can not pay small bills can always find money to buy liquor and treat when happening to be among their friends?

Can any one tell how young men who dodge their washerwomen, and are always behind with their landlords, can always play billiards night and day, and are always ready at a game of cards?

Can any one tell how men can live and support their families who have no income and do no work, while others, who are industrious and constantly employed are half starved?

Can any one tell why four-fifths of the young women prefer a brainless fop under a plug hat, with tight pants and a short tailed coat, to a man of some brains?

Every one speaks well of it, and those who have been there once patronize the place ever afterwards. Is it necessary to add that we refer to the Colonnade Hotel on Chestnut Street, Philadelphia, Pa.?

For Upwards of Thirty Years Mrs. Winslow's SYRUP has been used for children. It corrects acidity of the stomach, relieves wind colic, regulates the bowels, cures dysentery and diarrhoea, whether arising from teething or other cause. An old and well-tried remedy. 25 cents a bottle. d & w.

Quarterly Meeting. Rev. L. S. Burkhead, D. D., Presiding Elder of the Wilmington District, Methodist E. Church, South, has made the following appointments to complete his second round of quarterly meetings: Onslow, at Queen's Creek, June 29-30; Topsail, at Rocky Point, July 6-7

Correction. In our commercial report yesterday the Dr. brigantine, Gem, Capt. Richardson, was reported cleared for London by Messrs. Alex Sprunt & Son. This is all right as far as it goes but the cargo, consisting of 1,566 casks spirit and 200 bbls rosin, was shipped by Messrs. Paterson, Downing & Co., and should have been so stated.

Excursion to Columbia. The Good Samaritans and Daughters of Samaria in this city, together with those of Charlotte and Columbia, are to have a good time of it on the Fourth. The members of the lodges in this city leave here on Wednesday morning and will arrive in Columbia that evening, where they will be met by the lodges from Charlotte and received by those in Columbia. The next day, the Fourth, Gen. Hampton has been invited to address them in the Park, and there will be other speakers. They leave Columbia on the morning of the 5th and expect to reach Wilmington that afternoon.

Kesher Shel Barzel. At the last regular meeting of Manhattan Lodge No. 150, O. K. S. B., the following officers were elected for the ensuing term:

Isaac Bear, President. D. Greenewald, Vice-President. R. Greenburg, Treasurer. J. Weil, Recording Secretary. N. Jacobi, Financial Secretary. J. Elsbach, Conductor. Marcus Bear, Assis't Conductor. N. Greenewald, Inside Guard. E. Scharf, Outside Guard. S. H. Fishblate, Past President.

Best Time to Sleep. Sleep obtained two hours before midnight, when the negative forces are in operation, is the rest which most recuperates the system, giving brightness to the eye and a glow to the cheek. The difference in the appearance of a person who habitually retires at ten o'clock and that of one who sits up until twelve is quite remarkable. The tone of the system, so evident in the complexion, the clearness and sparkle of the eye, and the softness of the lines of the features, is in a person of health, kept at "concert pitch" by taking regular rest two hours before twelve o'clock, and thereby obtaining the "hearty sleep" of night. There is a heaviness of the eye, a sallowness of the skin, and an absence of that glow in face which renders it fresh in expression and round in appearance that readily distinguishes the person who keeps late hours.

To the Editor of The Daily Review: DEAR SIR:—In reading the placard to-day of a "grand excursion from the Seaboard to the mountains," I observe the following at the bottom of the paper: "Parties wishing to spend the summer in the mountains, or at the Catawba Springs, will find it to their interest to take advantage of these low excursion rates."

I would like to know (in common with a very considerable number of our people) if the railroad authorities will pass any one back to Wilmington from Henry's Station on these tickets, say in October, should they take advantage of these excursion tickets and go to this place or the Catawba Springs? We would like the railroad authorities to answer this through your paper or you to do so for them, TRAVELERS.

[This excursion, as we understand it, is to be given by parties who have chartered trains for this special occasion and therefore the railroad companies do not regulate the tariff of travel. The tickets will be good as long as the limit assigned to the excursion, and after that we presume, as a matter of course, that they will not be acknowledged by the railroad authorities.—REVIEW.]

The tide of life—the married ones. The train is like a naughty boy, because the switch changes its course. When a man is "rooted to the spot," by fear, does he branch out before he leaves? Young poets find it hard to win fame now-a-days. There are so few anonymous poems to claim.

Consumption Cured. An old physician, retired from practice, having had, placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure for consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send, free of charge, to all who desire it, this recipe, with full directions for preparing and using, in German, French, or English. Sent by mail by addressing with stamp, naming this paper. W. W. Sherar, 149 Powers' Block, Rochester, New York. jo 18-78
