Supper on grapes are slow in coming
to market.

The new moon put in an appearance
last evening.

The city Police will be paid off to-mor-
row at 12 o'clock.

The Criminal Court convenes in this
city on Monday at 10 o'clock. His Honor
Judge Meares presiding.

The Charlotte Democrat has just enter-
ed on its twenty-seventh volume. Like
all wine, age but adds to its merits.

The extra policemen who have been on
duty for the past week will to-morrow
walk up to the Captain's office, get the
spadlocks and receive their discharge.

We understand that Platt D. Walker,
Esq., formerly of this city, is about to re-
turn from Charlotte to Rockingham,
where he will resume the practice of his
profession.

Mr. James M. Brown, of this city, has
been appointed one of the Floor Man-
agers of the Lee Monumental Association
and will be given at the Groebler Spings
on an early date.

The Board of Magistrates for this county
meet in the City Court room in this
city at 11 o'clock on next Monday, the
fifth day of August, for the purpose of
electing a board of County Commission-
ers.

Quite a number of crabs have been
caught at the Market Dock during the
past two or three days. The water in the
river is considerably impregnated with sal-
tine and the boys are taking much delight in
swimming in the seaside shell fish.

Garrell's Lament.
I was ever thus from childhood's hour,
I've seen my fondest hopes decay;
I made a bully campaign toer,
But Manning took the votes away.
I never treated thirsty crowd
But promised them their sturdy aid
With protestations long and loud
But, oh! they lied, and I am "played."

The Greensboro Patriot says: Rev. G.
D. Bernheim, D. D., of the Evangelical
Lutheran church of Wilmington, N. C.
will preach in the Good Templar's Hall
over Bogart's store next Sunday at 11
o'clock, a. m., also in same place at 4
o'clock, p. m. He will organize a
Lutheran congregation.

Excursion.
The excursion train which arrived on
the W. & W. Railroad this morning took
their immediate departure on the steamer
Passport, which had been moved up to
the railroad company's wharf for their
accommodation, for Smithville. The
party was quite small not numbering
many more than fifty.

A Contest Probable.
We understand that a movement is on
foot looking to a contest of the vote in
the upper division of the First Ward on
the plea that the lights were blown out
last night while the votes were being
counted out. If this count should be
thrown out Manning would lose 77 votes
and VanAmringe 165. Even such a
contingency, however, holds out no hope
of Col. Taylor's election.

Silver Wedding.
Dr. and Mrs. Thos. B. Carr, of this city,
celebrated their Silver Wedding last even-
ing. Relatives and friends of Dr. and
Mrs. Carr assembled at their residence on
Market street and passed two or three
hours very pleasantly. Congratulations
were also received from abroad, upon the
restoration of their health and wishes that
their lives might be spared to celebrate
their Golden Wedding were numerous.
The occasion will long be remembered
by the guests and it was a period of un-
interrupted happiness to "bride and groom."

To Dyspeptics and Invalids.
Biscuits, rolls, bread, cake or pastry,
made with DOOLEY'S YEAST POWDER, can
be eaten with impunity and relished by
the most sensitive dyspeptics as healthy
and nutritious.

A Restoring Board and a Mrs. Jenks
failed to become a necessity in settling the
amount of the vote in the First Ward.

R. K. Bryan, Esq.
There is a good prospect, amounting al-
most to a certainty, that R. K. Bryan,
Esq., Democratic candidate for the Senate
from this district, has been elected. The
reports from Pender are very encouraging.
It is said that Mr. Bryan must have re-
ceived from 800 to 1,000 votes in that
county and if so he is elected.

Sale of Real Estate.
Messrs. Cronly & Morris, auctioneers,
sold on yesterday, as advertised in the
REVIEW, the Vick & Mebane wharf for
\$25,000 subject to \$5,000 cost of recent
improvements the same. The Champion
Cotton Press Company were the pur-
chasers.

The Freshet.
Capt. Albert Worth, of the steamer
A. P. Hunt reports a rise of
seven feet of water in the river at
Payetteville when he left there yesterday
morning, and at that time the water was
still rising, but slowly. Very little of this
freshet water seems to have reached the
city as yet, the volume of it having proba-
bly been absorbed by the dry water
courses making into the river.

The Greenbackers.
From all that can now be ascertained,
the Greenback movement has shown some
strength at this election. At Robeson's,
in Columbus county, they polled some
sixty odd votes yesterday and our cor-
respondent from Pender county speaks of
them there. It is said that these Green-
backers, in connection with the Republi-
cans, are to get out a ticket for Congress
and will run Daniel L. Russell, in which
event they will be pretty effectually wiped
out at the polls.

Radical Sideshow.
The followers in this city, of the National
Greenback party, held a meeting on
Tuesday night and elected Thos. M.
Gardner, Esq., as President. We called on
Mr. Gardner this morning to get particu-
lars of this radical side-show, but he per-
emptorily refused and informed us we
would have to get our views from some
one else, and gave us his permission to
"publish what we d-n chose," and thereupon
we chronicle the fact that a few Radical
sore heads have called themselves Green-
backers, and have organized this side-
show here, all in the interest of Daniel L.
Russell, for Congress. The expedition,
however, is a rather thin one, and decent
people cannot be roped into such a con-
cern by such people and with such an ob-
ject in view.

Row Nipped in the Bud.
Some of the colored population of the
First Ward were quite belligerent at the
Brooklyn market this morning, but the
arrest of two of the most obstreperous
and the presence of an additional police
force who were soon on the ground, pre-
vented an outbreak which at one time
threatened to become serious. It is for-
tunate that the Mayor took the precau-
tion to send a force of twelve policemen
into the First Ward this morning, for it
was undoubtedly owing to the moral in-
fluence of their presence that a riot was
prevented. The city is under obligations
to Mayor Fishblade for his energy in de-
tailing an extra police force sufficient to
quell any disturbance in its impudency,
and to the police for their prudence and
alertness in preventing any riotous de-
monstration.
