After to-morrow the bankrupt law will become a dead letter and no proceedings will be allowed to be instituted after that date. The bankrupt courts and registers' offices through the country are reported to be crowded with applications for bankruptcy before the time expires.

Arrest of a Fugitive Charged With Burglary.

George Myers, a fugitive from justice, was arrested yesterday afternoon by Deputy Sheviff John W. Bryan on a capias issued by the Criminal Court and was committed to jail to await a hearing DOOLEY'S YEAST POWDER, known the of his case. A little over a year ago Myers burglarously entered the dwelling

of a colored woman, whose name we could not assertain, and took therefrom some few articles of clothing. Shortly after the burglary, Myers was arrested

and had a hearing before Henry Brewington, who was then a justice of the Peace, and Myers claims that upon the payment of a sum of money the woman was satisfied and the case quashed. Subsequent to the preliminary examination, the Grand Jury of the August term (1877) of the

Criminal Court found a true bill against Myers, who was arrested on the charge of burglary. He made good his escape and went to Columbia where he has been
