will reduce a fat person from 2 to 5 pounds a week.

In placing this remedy before the public as a positive cure for obesity, we do so knowing its ability to cure, as attested by hundreds of testimonials, of which the following from a lady in Columbus, Olfo, is a sample: "Gentlemen:—Your Anti-Fat was duly received. I took it according to directions and it reduced me five pounds. I was so clated over the result that I immediately sent to Ackerman's drugstore for the second bottle," Another, a physician, writing for a patient from Providence, R. I., says, "Four bottles have reduced fier weight from 199 pounds to 192 pounds, and there is a general improvement in health." A gentleman writing from Boston, says: "Without special change or attention to diet, two bottles of Allan's Anti-Fat reduced me four and one-quarter pounds." The well-known Wholesale Druggists, SMITH, Doclittle & SMITH, of Boston, Mass., write as follows: "Allan's Anti-Fat has reduced a lady in our city seven pounds in three weeks," A gentleman is St. Louis writes: "Allan's Anti-Fat reduced me tweive pounds in three weeks," A gentleman is St. Louis writes: "Allan's Anti-Fat reduced me tweive pounds in three weeks, and altogether I have lost twenty-five pounds since commencing its use." Messrs. Powell-& Plimpton, Wholesale Druggists, of Buffalo, N. M. write: "To THE Phornierous of Allan's Anti-Fat; Gentlemen,—The following report is from the lady who used Allan's Anti-Fat. It (the Anti-Fat) had the desired effect, reducing the fat from two to five pounds a week until I had lost twenty-five pounds. I hope never to regain what I have lost." Anti-Fat is an unexcelled blood-purifier. It promotes digestion, curing dyspepsia, and is also a potent remedy for rheumatism. Sold by druggists. Pamphlet on Obesity sent on receipt of stamp.

Dr. Pierce's Favorite Prescription

The term, however, is but a feeble expression of The term, however, is but a feeble expression of my high appreciation of its value, based upon personal observation. I have, while witnessing its positive results in the special diseases incident to the organism of woman, singled it out as the dimax or crowning gem of my medical expeer. On its merits, as a positive, safe, and effectual remedy for this class of diseases, and one that will, at all times and under all circumstances, act kinely, I am willing to stake my reputation as a physician; and so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who uses lifer any of the aliments for which I recommend it, that I offer and sell it under A POSITIVE GUARANTEE. (For bonditions, see pamphlet wrapping bottle.) of the aliments for which Its Caracaster (For and sell it under A Positive Gearantee) and sell it under A positive Gearantee (For conditions, see pamphlet wrapping bottle.)

The following are among those diseases in which my Favorite Prescription has worked cures, as if by imagic, and with a certainty never before attained by any medicine: Leucorrhoza, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Prolapsus, or Falling of the Utgrus, Anteversion and lettroversion, Bearing-down Sensations, Internal Heat, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Utgrus, Impotency, Earrenness, or Sterility, and Female Weakness. I do not extol this medicine as a "cure-all," but it admirably fulfills a singleness of purpose, being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.
