THE SUN FOR 1879.

THE SUN will be printed every day during
the year to come. Its purpose and method
will be the same as in the past. To pre-
sent all the news in a readable shape, and to
tell the truth though the heavens fall.

While the lessons of the past should be con-
stantly kept before the people, the Sun does
not propose to make itself in 1879 a magazine
of ancient history.

The present disjunct condition of parties in
this country, and the uncertainty of the
future, lend an extraordinary significance to
the events of the coming year.

Our rates of subscription remain unchang-
ed. For the DAILY SUN, a four page sheet
of twenty eight columns, the price by mail,
postpaid, is 55 cents a month, or \$8.50 a
year; or, including the Sunday paper, an
eight page sheet of fifty-six columns, the
price is 65 cents a month, or \$1.70 a year,
postage paid.

The price of the WEEKLY SUN, eight pages,
fifty six columns, is \$1 a year, postage paid.
For clubs of ten sending \$10 we will send an
extra copy free. Address

LIVER

This important organ weighs but about three
pounds, and all the blood in a living person
about three gallons) passes through it at least
once every fifteen minutes. It has the bile and
other impurities strained or filtered from it.
Bile is the natural purgative of the bowels, and
if the Liver becomes torpid it is not separated
from the blood, but enters the system, and
to all parts of the system, and in trying to
escape through the pores of the skin, causes it
to turn yellow or a dirty brown color. The stom-
ach becomes diseased, and Dyspepsia, Indi-
gestion, Constipation, Headache, Blistersness,
Jaundice, Chills, Malarial Fevers, Piles, Sick
and Sour Stomachs, and general debility follow.

MERRILL'S HEPATINE, the great vegetable
remedy for torpidity, causes the Liver to throw
off from one to two ounces of bile each time
the bile passes through it, as long as there is
an excess of bile; and the effect of even a few
doses upon yellow complexion or a brown dirty
looking skin, will astonish all who try it—they
become bright and clear, and the general health
arises from the Liver can exist if a fair trial
is given.

BLOOD

Grave mistakes are made in the treatment of
all diseases that arise from poison in the blood.
Not one case of Scrofula, Syphilis, White
Swelling, Ulcerous Sores and Skin Disease, in
a thousand, is treated without the use of Mer-
cury in some form. Mercury rots the bones,
and the diseases it produces are worse than
any other kind of blood or skin disease can be.
Dr. Farrington's STYLLINGIA, or Queen's
Delight is the only medicine upon which a
hope of recovery from Scrofula, Syphilis and
Mercurial diseases in all stages, can be reason-
ably founded, and that will cure.
\$10.00 will be paid by the proprietors, if
Mercury, or any ingredient not purely vegeta-
ble and harmless can be traced in the blood.
