The Sunday Scholars.
The Sunday Schools hereabouts have
increased very perceptibly lately and the
good lady teachers, and the unsophisticated
Superintendent, attribute it all to their
zealous and unremitting care and labors
under providence during the past twelve
months. "They just all ought to be"
about ten years old boys, and then they
would recollect that this is Christmas times.

Gen'l. Colston.
A telegram has been received in this city
stating that General R. E. Colston left
London on the 18th inst. It is thought he

Board of County Commissioners.
Abstract of Proceedings.
The Board met yesterday at 2 P. M.;
present, Col. Wm. L. Smith, Chairman,
and Commissioners B. G. Worth, H. A.
Bagg, A. J. Grady and Jas. A. Mont-
gomery.
The minutes of the previous meeting
were read and approved.
Reports of Justices J. H. Horne and
E. D. Hall, referred back, not being com-
plete.
Commissioners Worth reported that he
had made the arrangements for the cooking
at the Insane Department of the County
Poor House, and for the latter being
heated.
Commissioner Bagg reported that he
had made a contract for having the jail
painted and for other repairs.
It was ordered by the Board that the
Sheriff be required to report to the Board
a list of all property sold to the State
for taxes since he has been in office.
Ordered, that all magistrates who have
failed to report to this Board, according
to an order issued Dec. 18th, 1878, of
their official acts by the next regular
meeting of this Board, that the penalty
of the law will be enforced against them.
The following resolutions were adopted:
Resolved, That in the opinion of this
Board the Criminal Court, as now estab-
lished for the county of New Hanover,
and two terms of the Superior Court, are
pointed for the 13th Monday after the 1st
Monday in March and September of each
year, are sufficient to transact and dis-
pose of all civil and criminal causes arising
in said county.
Resolved, secondly, That the County
Attorney be instructed to prepare a
memorial to the next General Assembly,
praying that honorable body to enact a
law repealing so much of the statute now
in force as provides for the holding of
another term of the Superior Court for
said county, and specially providing that
there shall not be held any term of said
Superior Court in the months of January
and June.
It was ordered by the Board that His
Honor Judge McKoy be notified that the
Board have been legally advised that the
holding of the January term of the Supe-
rior Court is not in conformity with the
present law of the State and an unne-
cessary expense entailed on the county,
and the Board therefore respectfully re-
quest that said term shall not be held.
It was ordered that sealed proposals be
received for keeping the poor and insane
at the County Poor House for one year
from January, 1879, the same to be issued
and the bid to be awarded at the regular
meeting of the Board to be held January
6th, 1879, on the basis of the contract
now in force, or without the use of the
cleared land.
Ordered that sealed proposals will be re-
ceived and acted on at the regular meet-
ing of the Board, to be held January 6th, 1879,
for taking charge of the criminals sen-
tenced to the Work House, or sent to the
same for costs of court, with use of the
cleared land attached to the Poor House
premises.
Ordered that the office of Constable for
Cape Fear Township be declared vacant,
the official holding the same having failed
to renew his bond.
Commissioner Grady put in nomination
Mr. Edward Schreiber to fill said vacancy,
and he was, on motion, unanimously de-
clared the Constable of the Township.
It was ordered that the Auditing Com-
mittee meet in regular meeting on the
next Wednesday in every month, and on
next Wednesday at 7 1/2 p. m.
The reports of Justices J. N. Maffitt
and Stephen Keyes were received and
ordered spread on the records of official
reports.
Petition of J. A. Ashe, to have his poll
tax remitted, was not granted.
In appearing to the satisfaction of the
Board that the delinquent tax in the
name of Catharine A. Maxwell, for the
year 1878, is incorrect, the same property
being listed in the name of Mr. F. A.
Keith, and the tax paid by her, the same
is hereby remitted.
On motion, the Board adjourned to
meet on Monday, January 6th, 1879, in
regular monthly session.
The Weather and the Railroads.
There was frost and snow and sleet
from Weldon as low down as Wilson, but
South of that place there are no signs of
the recent storm.
From Columbia, this way, we are told
there was snow for the distance of thirty
miles.
At Charlotte there was a heavy fall of
snow and the weather very cold all along
the line. But the pumps on all the roads
are working all right and the trains are
running on time.

The *Goldboro Mail* issued a small
sized sheet during Christmas week.
Enterprise.
The *Wilson Advance* came to us this
morning in the shape of an extra contain-
ing a full and graphic account of the fire
in that place on the night of the 26th
inst.—We congratulate our brother of the
quill on his enterprising spirit. The ac-
count is copied and published on our
third page in this issue.
Personal.
We acknowledge the pleasure of a
visit yesterday afternoon from Mr. John
D. Cameron, editor of the *Hillsboro*
Recorder, who is making a short visit
during the holidays to relatives in this
city.
Mr. Cameron edits a paper which has
done yeoman service in the cause we all
have at heart, and our citizens would do
well to remember this, besides our es-
teemed cotemporary is a very fast firm
friend of Wilmington, and there is no
better advertising medium in Orange and
adjoining counties, than the *Hillsboro*
Recorder.

Weakly Persons' Wine.
Old and infirm persons need some mild
tonic or gentle stimulant, especially in
warm weather. The wine made at
Speer's Mount Prospect Vineyards, in
New Jersey, called Speer's Port Grape
Wine, is used in the Atlantic States as
the best tonic wine known, and is regard-
ed as pure, and is very popular among
physicians. For sale by James C. Munds
and Green & Flanner, at \$1 per bottle.

Not Medicine But Food.
The fall and early winter season is the
harvest time of hacking coughs and debili-
tating forms of Catarrh, just as the later
spring is the seed time of malarial fevers.
To know a certain cure of the one, and a
preventive of the other, is to have within
our reach the most inestimable blessing of
the period. We do know of them, for
these really marvelous properties are com-
bined in Scott's Emulsion of Pure Cod
Liver Oil with the Hypophosphates of
Lime and Soda.
There is no form of physical waste and
prostrated vitality, that a bountiful use of
the Emulsion will not change to glowing
health and full life and vigor, and then it
is not a disagreeable medicine, but the
most delightful kind of food.

For Edwards of Thirty Years
Mrs. WINSLOW'S SYRUP has been used
for children. It corrects acidity of the
stomach, relieves wind colic, regulates
the bowels, cures dysentery and diar-
rhea, whether arising from teething or
other cause. An old and well-tried
remedy. 25 cents a bottle. d & w.
