LIVER

This important organ weighs but about three pounds, and all the blood in a living person about three gallons passes through it at least once every hour, to have the bile and other impurities strained or filtered from it. If the Liver becomes torpid it is not surprising that the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. Merrell's HEPATINE, the great cathartic discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaints is made certain by taking HEPATINE in accordance with directions. Headache is generally cured in twenty minutes, and no disease arising from the Liver can exist if a fair trial is given. SOLD AS A SUBSTITUTE FOR PILLS BY ALL DRUGGISTS.

Price 25 Cts. and \$1

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease, in a thousand, is treated without the use of Mercury in some form. Mercury rots the bones, and the disease it produces are worse than any other kind of blood or skin disease can be. Dr. FERRINGTON'S STILLINGIA or QUEEN'S OINTMENT is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer.

Two cupsful of sugar, butter size of an egg, well mixed; the yolks of eight eggs beaten to a stiff froth, one cupful milk, three cupsful flour, with one teaspoonful DOOLEY'S YEAST POWDER sifted through it, flavor, add the eggs last. Bake in small pans.

LOCAL NEWS.

New Advertisements.

P. HEINBERGER—Second-Hand Pianos.

SHUBERT—Boy's and Children's Overcoat at reduced price.

S. JEWETT—Christmas is Over.

The kite season approaches.

Wood is plentiful but no cheaper.

The big 55 foot freshet in the river is running off rapidly.

The shad caught yesterday, the first of the season, were sold at \$1.30 a pair.

Partridges are plentiful at one dollar per dozen and robbers at 25 cents per dozen.

There was a pretty heavy fire last night somewhere in the woods south of the city.

Over 500,000 bottles of Dr. Bull's Cough Syrup are sold every season, and thousands of persons saved from an untimely grave. The price is 25 cents.

The light ship still stands in situ quo on the marine railway of Messrs. Cassidy & Ross; she'll be taken off in a few days.

Our German friends have had in contemplation one of their pleasant balls at Germania Hall on Wednesday evening next, in which a new and pleasant feature would be introduced. We learn to-day that the proposed ball has been indefinitely postponed.

Cotton is booming again, January, February and March futures advanced nine points in New York within an hour this afternoon and thirteen points since twelve o'clock. Whew! somebody's going to get hurt.

The Hop at Germania Hall last night, divided up as it was between the old fogies and very young America, was pleasant and enjoyable to all who attended. It was a pleasing idea and "took" amazingly.

The Ger. barque Lydia Peschau, Captain Bremers, for whom some anxiety had begun to be felt, arrived safely yesterday at Flesingen after a voyage of sixty odd days. The many friends of Captain Bremers in Wilmington will read this news of his safe arrival with unfeigned pleasure.

By a slip of the pen we were made to say in yesterday's editorial columns that Mr. Norment, Radical member of the Legislature, was from Columbus county, when everybody knows it should have been Robeson. Old Columbus doesn't know how it feels to have a Radical representative in Raleigh.

Marine Items.

The Nor. barque Win. Hunter, 328 tons burthen, Captain Johnson, which sailed from London on the 20th of last August, for this port, has not been heard from since. She left Deal, England, on or about the 21st of August and it is feared she is lost.

The Ger. barque Lydia Peschau, cleared from this port on the 13th of November for Antwerp, arrived at Flesingen, the entrance to the harbor of Antwerp, on the 15th instant.

Gone to the Bottom.

Lieut. Ralston, officer in charge of the Signal Office at this station, received the following from the Signal Office at Washington City, this morning: "Nor. barque Success, Holding commanding, from Wilmington to Hamburg, was beaching in sinking condition, seventeen miles South of Kitty Hawk, yesterday morning at 6 o'clock. Crew all saved. She is now sunk three hundred yards from the beach. The Success was loaded by Messrs Paterson, Downing & Co., the cargo consisting of 8,195 barrels of rosin. She cleared from this port December 21st."
